

THE ILLUMINATI FORMULA TO CREATE AN
UNDETECTABLE TOTAL MIND CONTROL SLAVE by Fritz
Springmeier and Cisco Wheeler

Podcast 18

CHAPTER 10A: USING SPIRITUAL THINGS TO CONTROL
A PERSON

The spiritual elements for programming laid by the programmers are the generational spirits which are laid in the womb and introduced to the child, when he can verbalize, as the child's "friend" and "spirit guide." A clan's guiding spirit is also called a totem. The Keepers or Guardians protect the spirits within an illuminati system. There will be one alter which knows all the demons which have been layered in. From the age of five, the child's cult parts will be taught the genealogical histories of their spirit guides. At the age of twelve, some candidates for American tribal chiefs had to wait in the wild for their totem to guide them. They must remain in the forest until their guiding spirit appears. This is why the Illuminati study the xibalian mysteries written in the Popul Vuh. Saving this chapter for last (of the mind, body, spirit chapters) is like saving the best wine for last. The authors know first hand that the Illuminati fears more than any other information getting out, that the spiritual aspects of programming would be revealed. This chapter has been organized into the following parts:

- a. using spiritual principles against a person,

- b. how the Monarch program miniaturizes what is done on a larger scale,
- c. dehumanization,
- d. fear,
- e. the use of guilt, shame, ridicule, and anger
- f. teaching that the master is God,
- g. portals, focal points,
- h. vows and oaths,
- i. the use of demon possession, layering, etcetera,
- j. the use of angel alters,
- k. the use of Scripture,
- l. Theta programming

[NOTE: See the end of this Podcast 18 for a list of the authors' references]

This chapter includes some of the most secret elements of the Monarch programming, and certainly some of the most controversial.

The Gamma programming is the secret layering in of demons. However one may want to describe these demons, the victim has to deal with their "reality". The ceremonies to demonize the victim occur even before they are born. Generational spirits are very important to determine how the Programmers program a person. But this 10th science goes way beyond just demonology, because it deals with the fundamental issues that effect our views of God, our fellowship with Almighty God, and our view of the occult sciences of astral projection, E S P, telepathy, etcetera.

PART A - THE USE OF SPIRITUAL PRINCIPLES TO ISOLATE THE SYSTEM FROM GOD In the course of deprogramming Monarchs and rubbing shoulders with programmers, it became clear that the programmers of the Monarch program are fully aware of the spiritual principles

which are in operation for everyone. In 1930, a leader of one of the groups which today carries out trauma-based mind-control, wrote that the occult masters are not interested in uplifting the souls of men, but that "These Masters... have in reality no interest in soul or astral development, except as a means of forming passive illumined tools, completely controlled in mind and actions." The Monarch victims of today are the tail end of centuries of efforts by the Kaballists, Freemasons, and the Illuminati adepts to completely control other human beings. The following quote comes from a communist manual on how to brainwash a nation. It could just as well have been written by Monarch Mind-Control Programmers. "The first thing to be degraded in any nation is the state of Man, himself. Nations which have high ethical tone are difficult to conquer. Their loyalties are hard to shake, their allegiance to their leaders is fanatical, and what they usually call their spiritual integrity cannot be violated by duress. It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of [mind-control] to reduce that state of mind to a point where it can be ordered and enslaved. Thus, the first target is Man, himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself, or of his fellows, as capable of 'spiritual endurance,' or nobility... "As it seems in foreign nations that the church is the most ennobling influence, each and every branch and activity of each and every church, must, one way, or another, be discredited. Religion must become unfashionable by demonstrating broadly, through psychopolitical indoctrination, that the soul is non-existent, and that Man is an animal." Later, this chapter will describe how a person is dehumanized. One spiritual principle is that if you can get a person angry at God, you can get that person to commit any sin. Great effort is taken,

via staged events to make the victim being programmed certain that God has rejected them. For instance, some victims had someone play God and walk away from them when they needed help in a life and death situation. The 1980 Hollywood movie *Altered States*, which is about a university professor in the 1960s who experiments with mind-altering drugs and sensory deprivation tanks, shows some scenes where God turns into a goat. Some of the religious scenes in this movie, match some of the anti-God and religious programming of some Monarch slaves. The Monarch slaves are repeatedly warned that God is cruel and judgmental, and that He wants to destroy them for the wicked things they have done. Bible verses that tell of the wrath of God and God's anger are read to the victim. An example of how the slave is programmed to hate God will now be given. A hypnotic drug will be given the victim when they are about six years of age. This will relax the person and allow the programmers to take the child into the deepest trance, so that the programming will be sure to enter into the very fiber of the child's being. After several hours of being in a deep trance, as the drug begins to wear off, the child will be strapped very secure into a tight fitting coffin. A man with long white hair, and a long robe, with sandals, staff and a white robe will present himself before the child, and announce that he is "God the great I AM". Then "God" will look in a big book and announce he cannot find the person's name so he will have to send the person to hell for being bad. The coffin will then be lowered into a deep pit, like a mine shaft, and the victim will be told that when they can no longer hear God's voice that they will be a cat and not human. God can't find them in the book because they have no soul, and are a cat. Deeper and deeper the child is lowered. They are told this is the penalty for having tried to pray to God. The programmers make sure that the slave is implicated in many gross sins, such as the murder of innocent children, in order to ensure

that the person is sure that God hates them. Then the victim is told that God is a consuming wrath who hates them. The injustice of God creating a world of suffering is also taught to the slave. All this is to ensure that the victim hates God. That hatred toward God will express itself in the victim's system's willingness to do any sin, without conscience.

PART B - THE MONARCH PROGRAMMING IS A MINIATURIZATION OF WHAT WAS BEING DONE TO ENTIRE PEOPLES OR CITIES Demons are attracted by the "scent" of people. We are made in the image of God, and we are attractive prey to those who hate God Almighty. Cities are magnets for demons. When demons target a person or people, a common tactic is to make trouble for the person. When a person's problems reach a crescendo, they will be in a state of mind to grab any solution that is passing by. People then make pacts with demonic forces. They sell their souls hoping for relief from their problems. All this is clear as a bell to the spiritually enlightened, but the demonic forces are able to dull the senses of their victims to the point they no longer have the slightest realization that they have sold their souls. People make a choice to accept the falsehood offered by the demons for their relief, rather than stick with the truth which seems to hurt. The demonic lies may be that colds and flues are caused by evil spirits, when in reality they are caused by viruses and bacteria. Or the opposite type of lie may be given that demonic forces have no influence over disease, that only viruses and bacteria exist. In Africa, modern medicine is often viewed as White Man's magic, because they fight disease with incantations which the demons have taught them to use to cure their problems. Authority to demons is transferred to them by festivals, ceremonies and pilgrimages. Strong demonic manifestations usually occur around festivals, ceremonies, rituals and pilgrimages which

are being done everyday around the world. These ceremonies and rituals are welcome mats for demonic forces giving them the right to rule. Every area of the world has them. And often demonic signs and wonders occur at these rituals and ceremonies. The power of a lie has to be preserved and fueled by tradition, which is manifested via rituals. Without tradition the power of the lie would die out. If the tradition is being rejected by a people, the demons often augment it with “new” deceptions. The first lie doesn’t stand a chance. The pre-existing bondage then is strengthened by new deceptions that seem more appropriate. If you were asked now, “HOW DOES SATAN ENSLAVE PEOPLE?” you should know the answer because it was just given to you. The answer is Satan’s control is trauma-based. A trauma is applied to the lives of people. They reach out for some type of answer to the trauma, and the demons offer some type of answer—so many Hail Mary’s, or so many sacrificed cats, or pray to some idol which is a disguised demon. The lies are turned into myths which the people believe. The myths are a blurring of reality which the people on one level may know are false, but their minds can’t break loose of the power of the lie. The power of the myths are fueled by tradition and demonic manifestations and demonic attacks. Anyone who steps outside of the demonic lie is attacked. The people feel they are being personally attacked when their traditions are ignored. Because a people has willingly sacrificed the truth for the falsehood in their need for relief from their trauma, they have chosen to be deceived. This choice to be deceived has a great deal of spiritual power to it. They are no longer truth-lovers. It is not enough to come to these people with the truth. They have rejected the truth. They must at some point will to seek the truth again. These people can have all the proof shown to them about the truth, and they will continue to reject it. Their demonic bondage needs to be broken somehow. This bondage can be broken in a number

of ways. Pointing out the inadequacies of the lies is sometimes sufficient to break the demonic spell over people. But after the lies are broken, they need to be followed by the truth—and the love of truth. The Monarch Mind Control programming is simply the sophisticated application of what has been done to humanity on a large scale being scaled down and applied to a single human body. Trauma and lies are used in the same way. The different alters sell their souls to the lies in return for their safety. A basic ingredient to the programming of a group of people (or a group of alters) is the same: trauma and fear. The Land of Oz was ruled by a shadow-leader, the Wizard of Oz. Most countries are ruled by unseen people and unseen powers. The Wizard of Oz story is so representative of how life is for Satan's world. No wonder it is the programming base for so many Monarch mind controlled slaves. The solution to Satan's control was that the disciples of Christ would be so united in love that the world would see the solution. "That they all may be one... that the world may believe." For the Monarch slaves, the therapists have wanted integration. For the world, Christ wanted integration. But there are formidable spiritual strongholds which divide us. These spiritual strongholds are far stronger than most Christians can imagine. The heartbeat of the Body of Christ is to bring all humanity to their Creator God. This can be done by breaking down all the lies and programming that separate the parts of the Body of Christ so that those of Christ are so well integrated in love and spirit that the world believes in the power of Christ. Each of the programming acts has a spiritual, mental, and physical side to it. The slave has his or her will stripped from them so it becomes unnecessary to think in terms of their guilt—they are slaves who no longer have the freedom of choice. If they kill, or steal, or tell an untruth (lie), they have not done it intentionally. Still the Programmers know that there are spirits involved to spiritually prepare the

slave to do these acts. For instance, they implant Spirits of Greed and lust into the victim. An Illuminati value system is drilled into the victim. Any person who is not taught to dedicate personal rights and possessions to God, will end up with all types of surface forces such as insecurity, worry, anger, envy, jealousy and tension. This goes for multiples or non-multiples. These surface forces will in turn cause all types of surface weaknesses such as lying, stealing, cheating, and arguing. If these surface weaknesses are displayed by anyone, they are evidence that a deeper spiritual problem exists. However, the slave is not being set up to display these vulnerabilities as they will, but ONLY as they are programmed. An Illuminati Beta model can have sex only with whomever her master allows her to have sex with. Nor is she granted the privilege of refusing to sexually service someone. If the slave is allowed free will, they often will reject the life style programmed into them. The reason they can reject the Spirits of Seduction and Lust that have been layered in to ensure that these moral weaknesses exist, is because the will of the alter being programmed was being coerced. There was duress involved. Satan has some claim, but not the stronghold that comes from those whose active will is involved in a sin. That doesn't mean that some slaves don't develop a taste for their perversion. The point is that the ability to have these personality weaknesses, should the programmers want them, can be spiritually set into the slave by teaching the slave to resist the grace and love of God. It may be shocking to realize that the slaves are specifically programmed to resist God's grace and love, and to hate Him. This is not left to chance, and is accomplished by a number of events in the slave's life. Another spiritual area that is tampered with is the self-image of the person. They are not allowed to think of themselves as made in the image of God (unless they are front alters created or allowed to be Christian). Instead of allowing the victim to

learn about Jesus, the victim is consistently belittled and compared to others. This is in violation of a spiritual principle found in 2 Corinthians 10:12, "For we dare not make ourselves of the number, or compare ourselves with some that commend themselves; but they measuring themselves by themselves, and comparing themselves among themselves, are not wise." John 5:44 and 2 Cor. 10:17, 18 teach how it is to be done correctly. Fritz, co-author, knows of one programmer who is still programming who is fully aware of these scriptures and how they apply spiritually. When people are not allowed to accept themselves, they end up resisting the will of God. The wrong attitudes are built into the slave, so that they will always resist the will of God. Again if the programmers want a Christian front, they may program the correct thinking into the front alter. To do this doesn't threaten their hold on the system in the least. To have Satanic alters and Christian alters which are diametrically opposed to each other's thinking only ensures that if they would discover each other in the mind, that they would reject wanting to learn about the other part, and would go into denial of the part's existence. The programming and mind-control is being linked to a belief system. Taking this one step further, we can also say that the programming is also a conflict between two faiths, the faith that the alters place when they visualize and create their occult-system, that is their faith in demonism and magic, versus the faith of those who follow the God of the Bible. The method of creating hard-core Satanic alters from traumatized Christian alters is an obvious example of this. Some secular therapists have been slow to admit this conflict. If we look at the Illuminati's brand of Druidism, we will notice that the Book of Pheryllt which is a Druidic book for rituals gives four symbols which can be made to evoke the four elemental forces also called the four basic portals. Visualization is said to be the key to the occult, and to opening portals with

these four signs. As the deeper parts of a slave are drawn into such activity, they are in reality placing their faith in that belief system. How can you take something away, without giving something in return? An alternative faith in a God and belief system that is not connected to mind-control is an important therapeutic aid. One cannot hate something passionately if one is unaware of it. When two groups are very similar, in order to highlight their individual identity they will have a high level of animosity toward each other. In order to create strong Satanic alters who hate God, the Illuminati actually encourage the young two year old victim to understand and accept the love of God. Upon this faith in a loving God will be built the rejection and trauma to create wounded alters, who hate God because they feel rejected. Rejection is a tool of Satan across the board in the world. Rejection creates a sine wave of hills and valleys. (The way of the Lord is made straight leveling these hills and valleys.) When a person (or nation) is rejected they will often shift to one of two extremes: either they try to perform to meet up to expectations or they will retaliate against rejection. Both are extremes (the hills and valleys of the shadow of death) of what resembles a sine wave. Both rejection and retaliation are tools of bondage. The enemy will work a person to get them to feel either rejected or angry. If either side of the sine wave is latched onto by a person (or nation) they will set in motion a dynamic where they will end up with the other side of the curve. This is because the human mind has an inbred desire to balance things out. If we feel rejection, then we may retaliate or try extra hard to perform. This sets up a BONDAGE LOOP. The Cabalistic Tree of Life is the knowledge of good and evil-performance. The programmer by repeatedly REJECTING the slave, build into the slave a high level of performance. The slave is not allowed to get angry at the programmer-which is the opposite peak of the sine wave. The human mind will

naturally try to balance the performance peak with increasing the anger and retaliation peak to match it in opposite intensity. Because the slave cannot get angry at their programmer, they turn this anger inward and upward toward themselves and God. The performance of the slave for the master is a form of false love. Performance love is false love. "If you do this for me, then I'll love you." Christ loved us when we were yet sinners and unlovable. This is the type of godly true love described by Paul in First Corinthians 13 which seeks not its own. Self-preservation is a tool of death. That is one reason Christ did not preserve himself—even though he could have called angels—he wanted to show the world true love. Fear gets its root in death. The threat of death of a spouse, of oneself, of one's dreams, of one's identity, or of one's fleshly body creates fear. Death comes from Satan. Life from Yahuwah God. Fear is built on a threat of some kind of death. Self-preservation then is actually based upon fear which is in turn based on death. This is why Christ said one must lose their life to gain it. To escape the satanic bondage loop of self-preservation built on fear, we must reach out for the love of God. Self-justification is not normally seen by people as a bondage loop, but it often is. Only the sureness that Almighty God loves us gives us the strength not to get caught in the self-preservation tactic of self-justification. There is a place for defending the truth, but it must be done in love. Christ and his disciples taught that we are justified by faith in God—not by self-justification. Self-justification can easily be related to the self-preservation bondage loop. We simply have to have an inner knowing that we are made in the image of God, and that He is working in each of our lives. Since we are His work, He will justify us. All of the Monarch slaves, are a work of God. The cult has simply refashioned what God created. The slave needs to recapture the loving view God has of what He created. God doesn't make mistakes. He has placed lots of

beauty and value in each person. Each person is His handiwork, isn't the human body fearfully and wonderfully made? After someone has been made to participate in crimes against humanity, the Programmers intuitively have created a situation where the person may fall into self-justification, for example, "They deserved to die." This is a subtle, but dangerous tool of bondage. Much of the trauma-based mind-control is based on simple fundamental spiritual life-spiritual death issues. The Spirit of the Lord does not give fear. It comes from the enemy. Abductees, who claim to have met aliens, claim that the aliens feed off of human fear. Fear brings spiritual death. To show this dynamic in another way, let's describe a common thought for alters of Monarch slaves. This thought is "If I stay with the programming I'm safe." This is the same thought that society in general is taught via fear of self-preservation. "If I stay with the crowd, if I stay with the system, then I will be safe." This is why peer pressure, which seems safe, can lead many young people into death. All this fear of self-preservation by remaining in the programming (whether individual or societal) will be transferred to loyalty of the Anti-Christ, that is their plan. The Truth shall make you free. Anytime we reject the truth for safety and peace because of our fear for self-preservation, we accept a lie. If the truth sets a person free, then by definition, slavery means to "not to have truth." All lies lead to bondage. They create strongholds. Many religious groups are built upon a collection of truths and lies. The truths are used as the enticing attractive front, the lies are used as the enslaving bondage. This is why there is almost no end to all the lies used to program Monarch-type trauma-based total Mind-controlled slaves. An important mind-control programming dynamic is the creation of images. This will take some explaining. One spiritual dimension of humans is that we like to behold our God. This was built into us. Archeologists have noticed that ancient man has always worshipped. It is

built into man to worship, and we like to behold whatever we worship—whether that is God, ourselves, or some other image. In other words, worship is image oriented. This is the power of images. One of the most ignored commandments of God, of which Fritz wrote a book about in 1977, was the commandment God gave “thou shalt not... make any likeness of any thing that is heaven above, or that is in the earth beneath, or that is in the water under the earth.” EX 20:4 Students of God’s Word are warned to “examine everything carefully; hold fast to that which is good.” 1 THESS 5:2 1. What is significant is that God’s commandments in Ex. 20, which were a distillation of His laws, could have simply stated “Thou shalt not make any graven image”, but instead went on to make a big issue in that same passage about any image of God’s creatures (the word translated “things” has historically been understood as “living things.”) In DT 4:15 “pasal” images— that is images formed out of any material with a tool (ax, chisel, or engraving tool) and the “likeness of male or female” and “similitude of any figure” are forbidden. Next, it again forbids the likenesses of living creatures. The word “image” occurs about 100 times in the Bible, and is usually accompanied by judgements such as “I will cut down... destroy... break down... smote.” In a number of verses (EC 7:20, PS 106:29, 39), the scriptures speak about how man is always seeking inventions that provoke God to anger. The creation of images of many varieties was a big part of Egyptian magic, and still is. Because the creation of images is so esteemed today, a balanced view and discussion of the spiritual ramifications of images (and their creation) is a rare subject. “For the invisible things of Him, from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse.” Romans 1:20. (cf. ISA 6:3) One ex-Programmer has talked at length, that part of the motivation for the many programming images, is

so that they can establish a world built by Satan, because they want to ensure that there is no testimony about God's power. (By the way, some deliverance ministries are having success in helping heal victims by pointing out that Satanic programmers only build from elements God has already created.) Mirrors, and lots of them, are important in occult programming because they make images. They create so many internal images one doesn't know which way to go.

IMAGES BE LIES We often create false images of the people we want to love. Do we love them or their image? Movie stars are loved for their image, and rarely for who they really are. Some of them have acknowledged that they don't feel loved by their fans, because their fans are only worshipping an image. Again, we must remember THE TRUTH SHALL MAKE US FREE. What is our real identity? Who are we really in God's eyes? Why did He allow us to be born? What was His real purpose for us? These real questions which are so hard for so many of us, are the reality that we need in our lives. The bondage of images has yet to be understood. The word "duplicity" is based on the word duplicate. Machiavelli taught the elite how to rule through duplicity—that is to rule via imitation images. This is nothing more than one of the operational principles of mirror images placed within the Monarch Mind-controlled slaves. Whatever gives life is duplicated in a mirror image by Satan. Life swallows up death, as the Kingdom of God's genuine light gets progressively brighter. The copy of this is that performance must get progressively better, i.e. technology must change to get better if we are to have life. The Amish show that society's penchant for technological progression, does not improve life. The Amish have a very successful life-style free from divorce and crime. Missionaries to Africa have come back at times wondering if the primitive tribe they spent time with didn't have many things which our technologically advanced

society had lost. This doesn't mean that an invention won't help mankind, it is that mankind will not get life from technology. Technology must be understood in the entire context of life. If a person catches onto the lie of technology or performance, they may try the opposite lie, platforming. Many troubled people reach out to God, receive help, and then platform by saying, "Thanks for the help God, but I'm O.K. now." God's love is not performance-based, but we still need to continue to press toward the mark of the high calling of God, transforming and renewing our mind, ever growing spiritually. Things which do not grow are labelled dead. How do we grow without being performance oriented? That is the message that Christ tried to bring people. The programmers get their slaves caught in a performance loop. The slaves are not going to get freedom, if a minister of some church traps them into some religious group that is performance-based, rather than unconditional godly-love based. It is sad to see victims of mind control free themselves at great cost, only to run from one controlling group to another. If we neglect to look at the spiritual dimensions of mind control slavery, we then are neglecting to see some of the elements of total mind control slavery.

SOME OF THE FIRST THINGS ATTACKED What is often the first thing which is attacked in individuals and nations in order to control them? It is their sense of identity as a spiritual moral being. Both individuals and nations are targeted to destroy their ethical self-respect. The individual and the nation must be brought to think of themselves as animals. Another primary tactic or tool is to traumatize the victim who is to be controlled, and then provide relief when a demonic lie is accepted. Rejection is an important trauma, because it creates a desire for performance and retaliation, and gets people trapped in a bondage loop. Lies put people into bondage. Image is a type of lie that leads to

bondage. This is why so many images and lies are placed into the Mind-controlled slave. These images and lies are inherently bondage-makers. Fear and self-preservation are grounded in death. To preserve ourselves, we will allow ourselves to be enslaved. (Eventually, mind-controlled slaves, and society in general, in order to have peace, safety and self-preservation, will transfer their allegiance to the master programmer, the Illuminati's Anti-Christ.)

PART C - THE DEHUMANIZATION PROCESS The dehumanizing of a multiple, that is of a fragmented personality, is done to most of the alters, but the front alters are allowed to be human. Because alters take on the characteristics of what they were created from, the front alters have to be some of the first splits so that they have a sense of family and that they are human. That does not mean that the first series of splits can't be dehumanized later; they are. They are turned into gems (crystals). How do you make an alter into an animal alter? It may not be quite as difficult as some may imagine, because they can create alters with "clean slates", that is, they are the plain tablets that Doctor White (Doctor D. Ewin Cameron) prided himself that he was able to make out of adult minds. When a part of the mind has no reality to reference, and is tortured and told lies, then it will accept what the programmer says is real. When an alter is created via torture, if you want a cat alter, they will have the child tortured in a cage surrounded by cats of some type. The new alters will be told they are cats. Their programmers will actually kill a little child in the worst way in front of these alters and tell them that that is what happens to little girls and boys. Do they want to be a little girl? No. After watching the horrible things that happen to little girls, they do not want to be little girls or little boys (as the case may be). They want to be a cat, because as a cat they will not be killed and tortured like the children. The alters are forced

to eat like cats with cats. They are repeatedly shamed and degraded and repeatedly told they are cats. Lie detector Instruments are hooked up to the child to determine if the alters actually believe they are cats. When the alter can actually state, "I'm a kitten." or "I'm a tiger." and pass the lie detector test, then the programmers know they have succeeded. But what if the child's mind resists being told it is a cat? As long as the child sees herself as a girl, she is given feces to eat. But the cats are fed wholesome meals in front of the victim. The little girls in the other cages are dirty and tortured and ill fed. Do you want to be a little girl? A great deal of simple torture is applied to make sure that the correct answers are given. If your life depended upon saying you were a cat, you'd be a cat too. Further, children have a vivid imagination. Normal children can easily role play, and they can easily imagine they are something they aren't, because their personalities and egos have not solidified. Again nothing is left to chance. A fake blood transfusion of cat blood may be given the child. Very often high speed films of kittens playing and having fun are shown in one eye, while the other eye is forced to view little girls having to undergo the worst of tortures. This viewing is forced upon the child, as its eyes are held open and the child is strapped into a viewing chair. The dehumanization process will make alters into various types of birds, cats, dogs, aliens, horses, earth elements, gemstones, rocks, and countless other items. They will then place in back-up programming to ensure that the alters continue to believe they are not human. The ingenuity of the back-up programming to ensure that they continue to believe the lies, which are extensive and ingenious. A great deal of hypnosis, drug induced states, and drug-hypnosis is used to carry out the dehumanization process. The programming will be reinforced by a cat alter's environment, because the alter's handlers will always refer to them as kittens or other types of cats. The painful rape of a child with its legs

held in a butterfly configuration is used to get butterfly alters. To get a puppet, the body is given a drug which paralyzes the child. Then electro-shock is applied to certain muscles upon the command of the programmer. The effect is that the child has no control over his body, and the programmer can make the child's body parts jerk and move by electro-shocking the muscles. The child actually becomes the puppet of the programmer. This is a very powerful program. One of the names connected with Monarch programming is Marionette Programming. The child literally becomes a Marionette. This concept appears to have been cooked up by the Germans under Hitler. An alter System as a child is physically shown that they are a marionette puppet. Their muscles are electro-shocked in such a way as to take advantage of the natural reflexes. When electro-shocked that way, the victim's body parts jerk out of our control at the whim of the programmer to prove to the victim that they are a puppet. At this time, the rules are given and rule number 8 is that the alters are their puppet. Illuminati programmer Doctor Mengele, used puppets in a dollhouse as he programmed. He did skits with his puppets. "Dance Marionette dance," he'd say in his thick German accent. Pinocchio's story was used to name the spirit guide Jiminy Cricket. Along with rule number 8, he taught the following rules at this point: 1. Listen to your instructions. 2. There is no room for error. 3. "The Game Timer": these were the specifics of how to move, the melted mirror, etcetera. 4. There is a chain of command, the King's men. 5. Your Master would chart your course. 6. You will receive orders, what to do, a memorized script to follow and fulfill. 7. The Creator and Master would always own you into infinity. 8. You are puppets on a string. "Dance Marionette dance. You are to speak only those words told to you, and to only speak those words when your string is pulled. 9. There is no room for questions. 10. The controller always plays the role of the White Rabbit.

Dark side alters of a System are taught to know these rules as part of their being. Doctor Joseph Mengele (also known as Doctor Green) carried a violin, which was used during programming. He programmed slaves to respond to the key word "Fiddler". During programming, the victim will be made to believe that all their insides have been removed and tape recorders placed into them and surgically hooked up. To the child being programmed this is real. This is part of the dehumanization process to protect them from spiritual growth and freedom. The programmers' dehumanization parallels what is done in the army when the drill sergeant yells at the new recruits names such as "maggot" and "worm".

PORCELAIN FACE PROGRAMMING The Porcelain Face Programming was already touched on earlier in Chapters 2 and Chapter 7 when the fire tortures and Gatekeeper alters were discussed. Fire torture and melted wax is used to make the child victim believe their face has been burned. Then the programmer generously gives the traumatized alters a porcelain mask. The alter getting the Porcelain face may be given a "gem" hypnotically like Jade and that becomes their secret name. There are several different methods that are available to lay in the porcelain face programming. There has been a great deal of porcelain casts made of people's faces and then masks made of them. In fact, when a handler dies, at least in one case the replacement handler wore a mask to look like the previous handler. Human baby skin is used to construct a mask from the victim's facial cast. A mask is worn by the Illuminati victim when they are married to the Anti-Christ. The Porcelain Masks are often part of the Camelot and Shakespeare programming. Another use of porcelain masks which was only experimented with was to place masks on Pawn alters which were used as alters who would guard things by scaring other alters with their fearful porcelain

countenances. This programming has spiritual ramifications, because it is one of the programming methods to steal alters of their faces. The alters who receive porcelain face programming will only see a porcelain face in the mirror until the programming is taken down. As long as the computer on their level is operating, the programming to that alter will be intact.

HEARTS OF STONE The programmers leave no stone unturned when they strip the alters of a system of any vestige of humanity they might have. The programmers make the alters believe that the programmers have surgically removed their hearts and replaced them with a stone. To reinforce this programming, the victim is hypnotized to fall into a deep trance if at any time the victim's deeper alters are hooked up to anything monitoring the heart. If and when someone tried to prove that these alters have a heart by taking their pulse, they may be surprised when these alters go into deep trance, enough that the machine doesn't even read. This is how the programming keeps the lies safe from exposure. The Programmers will hypnotically take the hearts for a number of reasons: One is blackmail. They will promise to return the hearts, if the victim obeys, returns home to the cult when needed, and is present when the Anti-Christ needs the victim. It is doubtful these alters would get their hearts back by their cult, considering all the false promises that are typically made. The Programmers will give the hearts to a queen mother alter for safekeeping. They may be hidden somewhere like in the Temple of Molech. The Temple of Molech in some survivors is used as a depository for memories of child sacrifices. It is not a place any alter could or would want to go in the internal world. In return, the Programmers give the victim stones, yes, hearts of stone. Stone-like protectors will stand guard in the background. Their voodoo doll appearance reflects the

voodoo images that are built into Monarch Internal Worlds. By removing the victim's hearts, it removes any chance that dark alters would have a soft warm spot in their heart for anyone. They will be told that they are incapable of having friends or of loving others. This is quite effective in separating these alters from others. That isolation is a part of the mind control. Because the alters believe they have no life source within themselves: that is, no heart: they have to look to their master. If the master places his hand upon the victim's chest they may feel alive. Because people need a heart to feel, alters are programmed to believe that they are incapable of feeling and have no feelings. They cannot cry during their own suffering, and are encouraged to feel incapable of caring for the suffering of others. In spite of all the brutality and isolation of the programming, the alter's humanity will lay in the background, but whether alters will ever acknowledge that humanity, is a big question. If people ask these heartless alters to give their hearts to Jesus, they may be told that they don't have one. In all covenants, something is given to the cult. In this case the victim's hearts are (hypnotically) given to the satanic Master. There is a Keeper of the Seals who keeps the items given when a vow or covenant is made. If a person is a traitor to a vow, then the cult has an object to carry out voodoo or magic upon to punish the person. Monarch Mind-controlled slaves know their orders, and are locked into obedience.

HYPNOTIC SURGERY After the Programmers steal the deeper alters' hearts, their identities, their free will, their real families, and their faces and their humanity, they are kind enough to sew back into the victim's chest via hypnotic surgery black stones. They do all this surgery by hypnosis. Via hypnosis, the Programmers can heal the victim's wounds after they torture the victim. They can basically make or remake reality to be what they want.

PART D - FEAR The thing that stands out so vividly for those who have met victims who are in therapy is the Spirit and spirits of Fear that control them. Waves of paranoia roll back and forth through the alters. Everyone needs to bear in mind that the programmers were sadists, and they didn't get satisfaction from their programming until they could see raw terror in their victims. The primary vehicle for programming was the raw terror that is repeatedly instilled into the victim. To achieve total terror, the sadist programmer gains total control over every aspect of a person, their thoughts, their bowel movements, their life, even the power to commit suicide is stripped from the victim. Nothing that originally belonged to the victim is left untouched. A realistic fear of most victims, is that they will never be believed. Indeed, many therapists are serving the final insult to these severely traumatized people by denying the authenticity of things the victim experienced himself and even wishes were not true. For a victim to overcome their fear to tell, after all the years of programming not to tell and threats not to tell, is an enormous feat. Very few victims, ever get to this point. And yet, when they do overcome this enormous barrier, they must face disbelief. Traditionally, the psychiatrists have treated these victims as if their abuse is nothing but psychotic nonsense. How many fleeing victims have been locked up and told they were Paranoid Schizophrenics? The fear of losing one's identity within a coven or religious group, says the Church of Scientology, is balanced out by the structured framework that these groups have. Members identify with each other, because they participate in the same rituals and have given their allegiance to the same idealized master.

PART E - THE USE OF GUILT, SHAME, RIDICULE, AND ANGER The Chinese and police agencies have been especially good at developing methods to solicit confessions. This is done by a variety of punishment and

reward strategies, and the Mutt and Jeff routine. Confession and self-criticism have been used by religious groups, especially the Jesuits as a method to convert persons to and then perpetuate a belief. One of the things that the deeper alters will not be taught about is forgiveness. Because forgiveness of oneself and others is such an important spiritual dynamic, to not know about forgiveness cripples many deeper alters from healing from the deep spiritual wounds they have received. Forgiveness is an act of the will. Forgiveness of oneself is usually a major issue with deeper alters who generally don't know how to do this. However, the handlers and abusers will be sure to heap lots of guilt—whether deserved or not onto the poor mind-controlled victim. It is natural for a person to focus on himself—after all, if a person doesn't think for himself who will? Often a person accepts their strengths, but focuses on their weaknesses hoping that that weakness will somehow be reduced by the focus that is placed upon it. The programmers know how to take advantage of that. They set impossible standards of perfection, and then demean the victim because they have failed to live up to the impossible standard of perfection. Black and white thinking develops in the slave's mind. The programmers will not allow the victim to display natural feelings of anger, sadness or doubt. To do so means that one is a failure and weak. Of course they are natural feelings, so the slave has to do a great deal of repression and self-incrimination for having these natural feelings. The slave learns to turn his or her anger inward. Many of the male slaves end up committing suicide. They beat themselves up with subconscious and conscious guilt. Anything and everything wrong or bad in the slave's life is blamed upon him. Of course not all things are meant to be remembered by the slave. Guilt can play a natural role in the forgetting of memories too. If the Monarch slave would remember something terrible, the religious front alters can be made to feel repentant for such

terrible thoughts. Then the natural desire to forget can be reinforced by suggesting that the evil memory be removed from the mind. In other words, memories are forgotten because they don't conform to a person's moral code. If good morals are programmed into the front alters, they will take the hypnotic suggestion not to remember what has really happened that they had to participate in. The front alters will only remember a sanitized version. The person may even want to think of the memory as "only a dream" because of the guilt associated with believing the reality of it. If a person is hypnotized to have guilt about something that they didn't commit, then they can be gotten to believe that they did it. For instance, a false implanted memory of the Monarch slave killing a child may be implanted with the command, if you do not obey we will kill more children and you then will be guilty for not just this child but others. People will tend to justify their abuse by saying "I was bad, I was evil." The programmers take advantage of this natural tendency. Nothing the slave does is good enough or worthy of praise. After they sexually please a customer, they are called "bitch" and "whore" to make the slave feel guilty, when all they have done is follow orders. The whole situation causes the slave to work harder for approval which of course is very tentative and fleeting at best. The Master just keeps control, and sets the standards higher if the slave gets close to reaching perfection. The Master must ensure that the slave feels guilty and dirty. Many of the slaves endure a guilt that is common among soldiers and concentration camp survivors, the guilt of having survived when others died. "Why did I live and they die? I was no better than them?" Any desire on the part of deeper alters to want something for themselves is painted as "selfishness". They will be internally and externally punished for any pleasure. If a sexual alter enjoys a sexual encounter, she is programmed to internally feel some type of severe punishment program. One standard punishment

for a female slave who appears to have actually enjoyed a sexual act is to cut them from vagina to rectum, and sew them back up without anesthesia WHILE the slave is forced to watch her punishment in silence without tears or screams. One form of tormenting a slave is to ridicule the slave as they have to carry out a wretched assignment. Many slaves lose their zest for humor because they end up the brunt of so many bad jokes. Comedians, because they are skilled with puns, and other words games, have often served as handlers or programmers. Bob Hope is the best example of a Monarch slave handler who uses his verbal skills as both a handler and comedian. Bob Hope has a side to him that the public doesn't see. Over the years, Bob Hope has spent millions of dollars on his team of gag writers to keep him well supplied with gags.

ANGER The use of anger is not haphazard. The spiritual ramifications of anger are very well known to the programmers. They know that anger opens up spiritual portals for demonic activity. Remember, Chapter 7 on structuring explained how the programmer purposefully push the victim almost to its breaking point to get angry alters. The use of anger is seen in a number of different areas of programming. The Gatekeeper alters will be depressed and angry alters to ensure that they remain good portals for demons. Gatekeeper alters function as Gatekeepers in several different capacities. Gatekeeper alters will be found to the whole system, often on the second level (section) down. Gatekeeper alters will also be found guarding important sections like the Carousel and Castle. In review, Anger toward God, anger toward the outside world, and anger toward themselves are all built into a System. Where was God? Where was the outside world, when all these things were happening? Many, if not all, of the victims of Monarch turn their anger on themselves, which is the only safe place to vent it. Most of

the deeper alters of a Monarch system will have very low self-esteem and will have lots of guilt and anger toward themselves. The slave is victimized so much, that when their handlers give them the chance to victimize someone else, some victims find release in assaulting others. Of course the entire process of transference further entraps the victim, and provides more guilt and more debilitating spiritual dynamics. The slave may be given the power of life or death over others, as well as the power of deciding another person's eternal fate. Sometimes this power is addictive. This addiction can be a trap that binds the slave to his source of power. The power that the Illuminati give their slaves is one of the major barriers preventing deeper alters from moving toward freedom when their systems have a chance. Slaves also turn a great deal of anger in on themselves. The self-image of most alters in a System is extremely low. The anger that alters have becomes a tool of the handler to ensure that the slave never thinks highly enough of themselves to do anything about the control over them. An example of this is Monarch slave Loretta Lynn. Loretta Lynn's handler is her husband Doolittle. Although Loretta has worked (slaved) very long hard hours she credits Doolittle for all her success. Her programming allows her only to give him credit for her successes. In her "autobiography" Loretta Lynn A Coal Miners Daughter, which was written by a professional writer who sat down and worked with her, Loretta says on page 63, "In a lot of ways, it was good for me to marry someone older than me [her husband Doo was a World War 2 veteran and satanist who married her when she was 13], because I could learn from him. But, in another way, it wasn't so good because I went directly from Daddy to Doolittle without ever being on my own. Even today, men are telling me what to do. My husband, my lawyer, my accountant, my personal manager [Ken Riley, her road manager has been her mind-control handler, and Alex Houston (former programmer of Cathy

O'Brien-see her book, Trance Formation of America) and Reggie Maclaughlin have done some of her recent programming]. In a sense, I still don't have complete control over myself. Maybe I never will. But if it wasn't for Doo [her nickname for her husband and handler], we wouldn't have what we have today." Anger within a System can be dangerous, when one alter directs its anger toward another alter. Sometimes one alter will try to kill another alter. Actually, this happens more often than one might imagine. If the alter succeeds of course, the body will be dead, with the resulting consequence that everyone dies. The programmers enjoy seeing this type of drama, but they don't want it to be carried out to its final conclusion, so they generally, if not always, have alters who can step in and take the body and stop this. If the alter system can't, then alters who understand what is going on can call their master for help, and the master can once again show how dependent they are upon him for life. This is the "divide and conquer" strategy. The divide and conquer strategy is used repeatedly in constructing an alter system.

PART F - TEACHING THAT THE MASTER IS GOD; THE PROGRAMMERS [REPRESENT AND PORTRAY THEMSELVES] AS GODS The Programmers and the Handlers are setting themselves up as gods, or Almighty God, or as a being from a superior race of aliens, such as Koldasians or Pleiadians. Interestingly, if one listens, these different alien races make conflicting claims for whatever good the earth has. However, those of us who have followed the Monarch programming know that these aliens are just men who do the Programming. Time-life Publishers (owned by men in the Illuminati) subtly gave this away in their book The UFO Phenomenon when they referred to UFO abductions as "the Oz factor." They go on to say that its like Dorothy in the Wizard of Oz on page 71. Then they go so far as to reemphasize the point by showing a picture

of Dorothy in Oz. In the TV series on aliens and UFOs called the "X-Files", they begin a show with an "I love you-I love you not" Monarch programming script. Often the Programmers tell the alters which they have created, that they are their Creator and therefore their God. In a spiritual sense, they took the place of God in every way, including attributing the scriptures about God to themselves. This works well for Illuminati alters, because they are indoctrinated that all humans can be divine. It also works well with non-Illuminati alters as long as they are under mind-control. However, the actions of the handlers are so ungodlike, that should the programming break down, and the alters get a taste of reality, these lies soon are transparent. The lies that the handler is an alien are much harder to refute than the lies that the handler is God. The trend appears to be for the handlers to refer to themselves as a superior race of aliens. Most if not all of the people seeing aliens, are really just being jerked around by their handlers. This doesn't mean that aliens do or don't exist. It does mean that those of us who have been working with people who have alien contact experiences and who understand Monarch Mind-control have only seen people obviously under mind-control. Fritz has yet to meet someone who has had an "alien contact" who wasn't under mind-control. In 1992, a book, Exposing the Mystery of Iniquity, was started by Fritz Springmeier showing the connections between so called "aliens" and "demons." Is it coincidence that the demon Sir John Dee conjured for his enochian magic looks just like a small grey alien pictured so often today? People who have participated in high level Illuminati ceremonies speak about guardians which are Nephalim (half human-half demon) which are the offspring of mixing humans with demons, and who look like the variety of "aliens" that are so often reported. The subject of Nephalim and whether aliens are or are not visiting us is too vast for this book. However, these Nephalim guardians

are perceived as real by Illuminati members, and they strike incalculable fear within the members of the Illuminati. As one of the big sources of fear, the guardians take their place as part of the control mechanisms to keep slaves in place. Polls taken by others, have found that 100% of Satanists have had an experience with UFOs, and report some type of "alien" abduction. (The Programmers and upper level hierarchy don't get themselves into polls, and the lower levels are all programmed.) The point is that there is a close relationship between UFOs and the occult world. On the following page are some of the more respectable scripts that persons, who are victims of "alien abductions" see in their heads. Signs of M P D were visible in each of these cases, and these abductees are placing their wills at the command of these "higher beings". Their wills are subservient to the will of the "alien". They receive messages in these scripts in altered states of consciousness. Some of the scripts are blatantly satanic magic scripts and sigils, but the majority are blatantly of human design. It stretches the imagination that most alien scripts would have a language and script that matches the English alphabet, with the same letter frequencies of English letters—that is "a"'s, "m"'s, and are found in abundance. It stretches the imagination passed the breaking point to think that aliens light years away with different vocal cords or whatever they have, evolved a script that corresponds to English, when our alphabet doesn't correspond to Greek, or Sanskrit, or Ogham that closely. Quite a few abductees have the "aliens" give them more complex versions of their "alien script" as they get older. The simplified version is received as a child, and then it evolves. It appears that there are now numerous programmers, who are simply concocting made-up scripts, and hypnotically telling their poor hapless victim that the script is alien. In this respect, these scripts are really codes, not "alien scripts". They are full of what are called

follows. Follows are symbols that are similar to one another, which are a variation on a theme. Test results have shown that made-up scripts have many more follows than an actual real historical script. The occult world are teaching that the Akashic record of all recorded information lies somewhere in the essence of space called the Reticulum Dei (the network of God). The mind-control victim, who actually gets his automatic writing and his information from deep in his system, is led to believe that he has gotten it from the Akashic record. The spiritual dynamics of the Programmer setting himself up as God are far reaching. The spiritual world mirrors the physical world. In the physical world, in biology, researchers have found that chemicals that resemble other natural body chemicals can be substituted for those original chemicals with far reaching effects. For instance, anti-histamines do not destroy histamine; they resemble histamine enough that they occupy the cellular receptor sites where histamine molecules normally attach. Because the histamine molecules have had their attachment places stolen, they can't interact with the cells. Within the spiritual realm the very same thing happens. The Anti-Christ is less of a Christ destroyer as he is a Christ replacement. True spiritual power is replaced within the world by the religious spirit. Within Christendom, the religious spirit has replaced much of the positions that should have gone to true faith. Therefore the power of true faith is destroyed by simply being replaced and having its position usurped. The foundation for the religious spirit are fear and pride, which are also foundational pillars for the Monarch programming. The religious spirit can be detected when someone reads an admonishment and can apply it immediately to others- but not to oneself. When a person sins (for example, Eli in the book of Samuel), the religious spirit will propel them to make a sacrifice to cover that sin (like Eli did). However, that religious zeal to cover sin by

doing good and giving sacrificially of oneself, stems from the religious spirit not the holy Spirit of God (See 1 Samuel 3:13-14). Religious zeal done to cover sin is not accepted by Almighty God. Eli's sons "despised the offering of Yahuwah" (1 SAM 2:17). One of the outgrowths of S R A upon the Monarch victim is that they will generally exhibit black and white thinking. Black and white thinking is actually an element of the religious spirit, which in spiritual terms pervades the Monarch victim. The Monarch victim's system is set up to usurp true faith. Something has to replace true faith, and the religious spirit is a good substitute. Perfectionism or unloving idealism is part of the religious spirit. This perfectionism will demand that if a person cannot be perfect, they should give up. The Holy Spirit of God gives hope. The religious spirit destroys hope by demanding more than people can give. As long as people are travelling the journey of seeking God, they don't need to have arrived to perfection. Idealism wants people to be at the destination at once or not start the journey. This religious spirit has stopped many victims of Monarch programming from moving forward to real freedom. It is a very powerful type of spirit. Many people are waiting until they are perfect to help minister to others. Sadly this is an outgrowth of the religious spirit. We do not need to be perfect to help others. The following is an actual account: a Christian man who didn't understand mechanics very well stopped to see what he could do to help an elderly couple stranded on the road. The car miraculously started for the Christian and he was able to have the couple follow him to a repair station at the next town. But the attitude of the Christian was to make himself available to God-not that he was going to fix someone else's problem. The couple was sure they had been visited by an angel. What is being discussed is how setting oneself up as "a god" or "God" is part of the religious spirit that attracts itself to so many of us. One of the attributes of the religious spirit is that it will

notice what is wrong in a person rather than discerning what is right. Unless discernment is based upon love, discernment will be warped. Churches caught up in the religious spirit have mercy on the things that are abominations to God. Likewise, they show unwarranted mercy on the actions of ministers who have mercy on things that are abominations to God. One of the best examples is the religious front this book discussed in detail in Chapter 5. Billy Graham, a Monarch slave handler, is on public record endorsing Mao-tse-tung's teachings, abortion, salvation through witchcraft, the One-World-Church in alliance with the world's political power, and many other things. Quite a number of Freemasons, ex- and current members have stated that Billy Graham is a secret Freemason, however, his staff denies this. The religious spirit has ran a campaign to cover up Billy Graham's personal use of prostitutes, many of them Monarch kittens. And some of these Monarch kittens have been able to reveal the facts of their abuse.
