Chapter 10B: USING SPIRITUAL THINGS TO CONTROL A  
PERSON

Billy Graham is a “prophet” who works for the Network. The point is that churches turn a blind eye to these things. Fritz has tried to approach ministers about these things, and there isn’t an open ear. By the way, Almighty God still can step above what Billy Graham is and work in spite of it. Satanists can infiltrate the highest church positions, but they won’t stop good from eventually conquering evil, and God’s will being done. When we write “God’s will”, please understand that God has several types of will, including a conditional will, and an ultimate will. His conditional will is let men have what they want. His ultimate will is to see His creation be a wonderful paradise. The religious leaders in Jesus’ day got rid of true prophets. The religious spirit today will do the same. The religious spirit causes people to flagellate their backs with whips. A Russian branch of the Illuminati, called the Skoptsi, are famous for the self-inflicted tortures including castration that they carry out upon their bodies. The religious spirit causes people to have self-abasement for the wrong motives. Discipline and faith are worthy things to have, but not if they are done out of only love for oneself rather than also love for one’s Creator. This is why satanic alters have such a hard time

seeing what Christianity has for them. They see the religious spirit of Christianity and they realize that Satanism has a more powerful form of religion. Satanism is based upon legalism (the rituals have to be exactly so), and upon pride, and fear. To make an analogy, the religious spirit is like a man or woman who dresses to get compliments rather than dressing nice to please their spouse. In other words, the man who wears something that offends his wife, because he wants other men to think he is macho, has a similar motivation as the religious spirit. The author of the religious spirit is Satan, the author of death. God wants people to choose things which are excellent and make their lives count for eternity. On the flip side, the programmers, who worship and serve Satan in their invocations, murder their victims in 4 ways of death—mental, moral, spiritual, and physical death. They program 4 types of ongoing suicide into their slaves. They bring them a. mental suicide, b. moral suicide, c. spiritual suicide, and d. push some alters to physical suicide, and program others to commit physical suicide. They push their slaves into near death experiences—some alters die, and are discarded. Often, there are “dead” alters within a live System. a. To perpetuate mental death, the programmers administer drugs, hypnosis, and false philosophies, and programming to wipe the truth out of the slaves mind. This is mental murder. b. Resistance to evil is the essence of life. By requiring their slaves to engage in the worst moral impurities, these parts lose their spiritual eyes. This is moral murder. (Second Peter 1)

PART G - Portals and Focal Points Within the occult world, the entire study of demonology is wrapped around the geometric shapes that serve as focal points for demons (such as made by crystals and pyramids), and the portals by which demons can enter the human body. A demon doesn't have to be materialized (conjured up) to enter into

a body. Geometric shapes which are believed to attract demons are placed into the internal worlds of slaves. The will of the person also plays a role in the introduction of demons into the body. Torture attaches and layers in demons within the body. Sex and blood sacrifices are used to attach powerful demons. According to high level demonology, certain powerful spirits can only be manipulated if there are blood sacrifices. This may seem strange, however, the record (evidence) bears out that generational victims of possession who have had demons placed in via blood sacrifices are definitely controlled by more powerful demonic forces. All of the chakra points, and the orifices to the human body serve as portals. Both the Illuminati and Christian deliverance ministries agree that the mouth, ears, nose, anus, etcetera. are portals. High influxes of demonic energy into the body is accompanied by a burning sensation. The Mother of Darkness who is assigned to a child who is being programmed has to oil the child periodically to protect it from this burning. The goal to possess someone of spirits, or to be possessed by spirits has been practiced since the early times of mankind. In Llewellyn's New Worlds of Mind and Spirit magazine June/July 1994, issue #943, they write, "The golem of Prague is perhaps the most famous example of 'practical cabala'-the use of cabala for magical cabala." Scholem in his excellent treatise on the Cabala has an entire chapter about the Golem. The golem were mind-controlled slaves created by the magick of the Cabala. The Cabala, according to the best masonic authorities, including Albert Pike in his famous Morals and Dogma book is the basis of Freemasonry. By extension then, it is clear that the goal of having a mind-controlled golem has been the goal of Freemasonry, because that goal is the best example of practical cabala. This is the paper trail that lets us view the secret goals of the secret world of Freemasonry. There are Cabalistic grades within Freemasonry. Sexual slaves were

used by the higher and more occult Masonic rites in the nineteenth century. These sexual slaves were subjected to trances and demonic possessions. They were subjected to all types of perverse magical rituals. The Cabala teaches intercourse with demons. Theurgy is the skill or ability to invoke demons variously called angels of light, genii, spirits of various kinds, such as elemental spirits. Demons come with a price and that price is blood. Satanism and Luciferianism and other similar cults are blood cults that require blood to be sacrificed to pull in certain demons. For instance, blood may be taken from both the tongue and the genital area and mixed in a certain ceremony to invoke a particular demon. Demons are not bought with gold or silver, they are bought with blood. Some spirits are invoked by placing alcoholic enemas into the child. These children get totally intoxicated with alcohol, some to the point that they even die from the ceremony. This is all done to bring in particular demons. The Spirit Choronzon and Typhon are critical spirits to place into a person for the Mind-Control to work. The Illuminati do not believe the Mind-control will work without the assistance of these spirits. Typhon and Choronzon do the tunneling and the M P D work. An example of an important ritual to demonize the victim is the baptism of the child victim to Satan. Satan may be called Set in the ritual. There are variations on this ceremony, so a victim's personal baptism may vary in some or all of the details. This is actual variation of the ritual done to Monarch mind-controlled slaves: The child is stripped nude and given a purple robe. It is placed inside the pentagram, and an "altar" which is made by a nude woman or child is brought forward. A horse or jackal is inscribed with the inscription "Nebekka" on the neck or forehead. Then the animal is sacrificed to whatever name the group is using for Satan (such as Set or Saman). The abdomen of the beast is split open completely, and the liver removed. The 4 spirits of the 4 watchtowers are invoked. The slave child

being baptized is smeared with fat from the dead beast. The Gatekeeper spirit is called by ringing a bell. Then the child is placed into the animal's belly. A part of the raw liver is given to the child and the rest consumed by the group. The child is then baptized in blood. A cut called the Devil's Seal is placed on the child on the left hand, or under the armpit, or on the upper part of the head. This in Cabalism is the Mark of Foundation. The Priest reads out of the Book of Satan and the Book of Names. The victim repeats after the Priest. In this fashion the Priest ritually gives the person a new name. The Dance of Hod (Glory-the sphere on the bottom left of the Cabbalistic Tree of Sephiroth) is then begun in a circular motion by the cult, to oppose Netsah (Victory-the sphere on the bottom right of the Tree). The Priest of the coven will then dismiss the demon(s) he has conjured. At times this ritual is done with a child sacrifice rather than an animal, and sometimes it is done in conjunction with another ritual, such as All Hallow's Eve. To empower the Monarch System, special rings which have been dipped in the blood of sacrificed victims, are given to the victim with instructions to wear it faithfully. The rings are used as focal points to ensure the continued demonization of the victim. Some examples of this would be a Blue Topaz ring, a Black Onyx ring, or a Diamond ring. Black Onyx is used to capture souls. Whether the therapist believes this or not, becomes irrelevant in view of the fact that the deeper alters in a Monarch System are skilled in demonology and they do believe it, and take consolation that their magical powers are never challenged by therapists. These deeper alters will continue to do much of the demonization of the system for the Programmer, and this delegation of this job, means the Programmer and handler is free to focus on other things. Our experience is that the Slave Masters within the Illuminati, when they take away the hearts of the alters of a system, they give them a heart of stone and a ring. The ring

is important for if they lose this, they think they will not get their hearts back. The slaves will wake up in the middle of the night looking for a ring—but never knowing what ring they are looking for. “CATCH A FALLING STAR, PUT IT IN YOUR POCKET FOR A RAINY DAY” ties in with this story line. The star is magical stardust. During programming the Programmers use “magical star dust.” If the slave loses their ring, they are told the Master will never love them. When the Master comes to give his love, then the slave will get to use their magical wand with its star dust. The ring of the Programmer, which has occult power from being used in ritual, is also used as a hypnotic cue. The ring also represents occult power and authority.

PART H - Vows and Oaths The Illuminati and generational occult families attach Ancestral and Generational curses (noted about in EXODUS 20:5-6, DEUTERONOMY 23:2, SECOND KINGS 5:27, JEREMIAH 32:18, JEREMIAH 3:25, LEVITICUS 26:40) to the victim. The Programmers create soul ties (intermeshment with others in an ungodly way), including intermeshment of spirits. Sex, emotional dependence, anger and love can be tied to this dependence. The spiritual power of the Communion meal—which is a form of the Passover meal (deliverance) and the Marriage Supper of the Lamb (wholeness in heaven) is reversed by Black Mass’s symbolism and bondage. The Moriah and other occult groups attach curses to a person that are brought on by occult involvement. These curses are the consequences of sinful occult involvement. The Monarch programmers force the slave to make blood covenants, contracts, oaths, and to shed innocent blood. Often times the deeper alters feel like they have made these contracts willingly—however, if they could see the whole picture they would realize that they were forced and deceived into accepting these occult practices. To free themselves of these oaths and covenants every alter has to break them, or

at least the main alter breaks it for others. What various witchcraft and Illuminati slaves will experience will be Satan drawing blood from their left hand and causing them to write in the slave's own blood a formal contract entering his service. The ceremony has a lasting impression. Their signature in the Great White Book, which is an important Illuminati document, which has everyone's signature will change color, and they will lose their magical power, etcetera. This creates a double bind, if they keep the System "safe", they can't get out. They need to understand that greater is Jesus than he who is the world. See Colossians 2:15 also, which speaks about him triumphing over the principalities and powers. The Illuminati and the Network keeps books which have the signatures of all their membership, including slaves. They tell the slave that if they ever break a covenant with them, that Satan will cause the signature in blood to turn green. In other words, the slave is led to believe and is convinced that if they ever renege on their vows to Satan and the New World Order, they will be instantly found out. Even the American presidents are reported to be threatened with this type of threat. The "birthright" of a child born to Illuminati parents is to be allowed into satanic coven level activity. Alters which function at coven levels, will be far removed in a Monarch system from Illuminati hierarchy alters. The coven level will also be called the anarchy level and is represented by an A. One of the early oaths taken by the Illuminati child before the Grand Druid Council is, "Satan the Way and the Light. No one comes to me except through the father of light which is the Anti-Christ. I, [birth name], by my free choice take the following oath. I commit to serve my body and spirit in union with the father of light for the total prosperity and insurance of the victory of Satan and the father of light the Anti-Christ. Now within an unbroken circle of spiritual power, understanding and accepting the consequences of breaking the spiritual circle which joins

the Mothers of Light (later they learn that they have joined the Mothers of Darkness). with each other and to the father of light. I [Illuminati coven name] with these bonds in place commit to rule within the spiritual union over the principalities of darkness to ensure Satan's power and control over the world. I forever take on the seal of the father of light and commit my eternal life to serve Satan as the prince of peace, savior, and spiritual light for ever and ever. I now denounce the truth of the God, the resurrection of Christ and the power of the Holy Spirit." Should the person break this vow, they are programmed to remember torture on a cross, which is designed to cause a seizure and heart failure. The Final Vows of a Mother of Darkness or a Grand Master will make these cult alters feel like they are bound and trapped in service to Satan. They are almost always unaware that Almighty God doesn't recognize such vows, and will willingly release them from their evil servitude. The black stone is used in the Mothers-of-Darkness vows. The book of Revelation speaks about a white stone with a name written on it. Mothers of Darkness alters get a black stone with their assigned Queen goddess names written on them. Those who have been on the inside of Satanism know that oaths taken by occult lodges and satanic cults are at times enforced. The oaths describe the type of traitor's death that is to be carried out. An example of the types of penalty these oaths carry can be seen in the following words, "All this I most solemnly and sincerely promise and swear with a firm steadfast resolution, to keep and perform the same without any equivocation, mental reservation or secret evasion of mind whatever, binding myself under no less penalty than that of having my throat cut across, my tongue torn open, my heart plucked out my body severed in twain, my bowels taken from thence and burned to ashes, should I knowingly violate this my solemn obligation." The covenants, and vows and threats all work together to keep people in line. Alters within a Monarch

slave are conditioned by their servitude to believe that their life is controlled by Satan, who is stronger than God. Where was God when they needed him? And yet many of the Monarch slaves coming in for therapy have had numerous miracles in their lives that have given them the latitude to reach out for health and freedom. If the Monarch alters cannot see the positives of what God has done, they will remain trapped in their perception that Satan rules. Actually, the survivors of the Illuminati's mind-control were meant to play a big role in helping God upset the detailed satanic script. And because these people sincerely gave their lives to Christ around the age of 2, God will honor that and help them. At any rate, even the informed secular therapist should realize these programmed slaves are in the middle of some power struggles. They are instruments of the Satanic hierarchy to carry out their plans. The Network goes out of their way to enhance the slave's perception that the occult rules. Along this line, President Reagan insisted the Monarch programmer Michael Aquino wear his black satanic ritual robes to a White House party. (One can read more about that night in Transformation of America, page 129-130.) Working hand in hand with the vows and the oaths, are the extreme measures the Network goes to, to convince the slave that they are always being watched. This is the "You can run, but you can't hide" programming. Supposedly, the slave is being watched by satellite no matter where they go. For instance, at Offit Air Force Base in Nebraska, an underground viewing room is used to convince Monarch slaves they have no place to hide. There the walls have numerous "satellite pictures" from around the world. The satellites are called "Eye in the Sky." A four-screen viewer pretends to respond to the type-in commands of an air force official who tells the slave, "Where will you run? To the Arctic? The Antarctic? Brazil? The Mountains? ...We can find you there. There is truly no place to run and no place to hide." This show, which was

made to convince the mind-controlled slave of the N W O's prowess, is just a pre-made slide show, it is just theatrics. However, the computer chips they have been implanting into people do give them the ability to track their slaves. And the intelligence agencies do have spy satellites. The N W O is protected from nuclear attack via the Pentagon's C<sup>3</sup>I (pronounced "see-cubed-eye") meaning command, control, communication and intelligence. An important part of C<sup>3</sup>I is MILSTAR which is a global central nervous system of 9 satellites and about 3,500 million dollar MILSTAR terminals on the ground. The C I A has among other things, the \$300 million Vortex spy satellite and a \$500 million Magnum spy satellite which were recently launched.

PART I - Layering in Demons In the American Journal of Psychotherapy, two noted psychiatrists and an M.D. from India wrote an article "Multiple Personality in India: Comparison with Hysterical Possession State". The tenor of the article was that in India, the psychiatrists have to deal with demonic possession rather than M P D which is found in the west. They made comparisons of demonic possession in India to the M P D of the west, which are similar but not the same. Later, other articles and letters were written about this article. One of the criticisms was that these Indian psychiatrists were trying to compare their demonic possession to the west's M P D when it was obvious that their cases of demonic possession did not meet all the criteria of M P D. In the experience of the co-authors of this book, demonic possession is not M P D (D I D) but it does have many of the same characteristics. If we understand programming from the Programmers point of view, they believe in both M P D and Demonic possession. From the programmers point of view, they try to create the alters and demonize the alters. Several ex- Programmers have told Fritz that if a person really wants to understand the Monarch trauma-based mind- control, they need to realize

that it is fundamentally demonic-based. Both of the co-authors have had to sit through lectures by secular therapists who dismissed Satanism and the occult as simply as an excuse on the part the abusers to traumatize their victims. According to these secular therapists, demon possession and satanic rituals have nothing to do with therapeutic issues, but are merely games and charades put on by the abusers. We beg to differ with this point of view. Programming and mind-control cannot be separated from demonology and occult ritual. Even the “alien programming” uses lots of occult symbols, rituals and spiritual programming. An example of how ritual and programming overlap is the sabbat ceremony to ensure that cult slaves keep silent no matter what, even under torture. On a full moon sabbat, a large oak tree will be used to hold this night ceremony. A Majic cake, also known as a Red or Acacia Cake is made for the ceremony. The demon seer is invoked using the name Shaddai (one of its 9 mystic names). An unbaptized child, who has been taken from Christian parents, is in the middle of the Pentagram, and a live altar consisting of a woman is used. A magic square called Satar formula is carved onto the child with an Eagle or Rooster claw. The child is turned to the 4 directions and then turned face down toward the east. The child must curse and blaspheme God Almighty. Then its mouth is gagged with a purple cloth. Flesh is cut from the child, and mixed with black millet and given to Satan (also called Sheitan). Prayers in Enochian are said. Incense is lit. The child is now sacrificed to Satan, using the ritual athame (perhaps a black handled dagger), while the child is condemned by the cult to hell. This type of ritual is to instill fear of talking and praying into the cult members. One of the secret ceremonies to invoke demons comes from The Book of Beasts. It is an ancient ceremony to summon demons. The ceremony begins with reading the Tetragramaton Elohim, the Creature of Judgement is

invoked, as well as the 9 mystic names of the dead. A child is skinned and sacrificed. The Book of the Old Faith is read from. And then the demons are dismissed and a bell rung in the 4 directions. Monarch slaves recall the stench of the demons, and the roar that they make when invoked. To live through a horrifying experience like this does impact the slave, and therapists need to quit ignoring the various impacts that effect the victim of occult ceremonies. On the flip side, victims of mind-control need to realize that although demonic possession is one of the tools of control, that the diagnosis of "demon possession should not be used to cover up the many other issues involved with the mind-control including body memories, a lifetime of severe abuse, abandonment issues, safety issues, and all the rest of the garbage that goes with having been a mind-controlled slave. These many other issues need to be addressed too. When one of the authors of this book, Fritz Springmeier, began working with Programmed Multiples, he was told by several independent of one another that they had problems with spirits, which they called Legion, Beelzebub, Asmodeus, Leviathan and Behemoth. Occasionally Hanan was mentioned. After doing some work, false satanic trinities were found leading these Structured Multiple's systems. Interestingly, other ministers who were working in other areas of the country with Illuminati programmed multiples were finding the same thing. If we comb the rare books of Europe, there is a book in French, Cruels effets de la vengeance du Cardinal Richelieu ou Histoire des diables de Loudun by Aubin (Amsterdam, 1716, pages 215 +) and as well as another one, Delacroix, Etudes d'histoire et de psychologie du mysticisme. Paris, 1908, pages 328-344., which tell the story of the Uruline convent in Loudun between 1632 and 1638. This convent plays a role in the Illuminati bloodlines. What is of interest to us, is that the nuns back in 1632 found themselves "possessed" by demons. These demons

made the people act like animals, such as bark like dogs, rave in altered states, go into trances, have uncontrollable changes in personality which they would be amnesiac about. A male voice would appear in a female, etcetera. The mystic Father Surin, who came and tried to help the convent, himself got possessed for 20 years and had an entire change in personality for 20 years. He wrote that at times he felt like Satan. Seven demons manifested themselves in very different but distinct persons within these nuns. The Catholic priest (an exorcist) could make the different demonic personas take the bodies of the Loudun nun Jeanne des Anges, and her face and body and voice would change from one possession to the other. These seven demons were Asmodée (also called Asmodeus), Leviathan, Béhémoth, Aman (Haman), Isacaaron, Balaam, and Grésil. They also had a false trinity Lucifer-Beelzebub-Leviathon associated with them. French psychologist P. Janet in 1888 noticed that many of his patients found themselves losing control of their body to what they called a demon who would often be named Astaroth, Leviathan or Beelzebub. (P. Janet, L 'Automatisme psychologique. Paris, 1888, pages 440+.) Reports from other areas such as Germany over the years are similar. Is this mere coincidence? It is stretching the imagination to believe that so many separate incidents have commonalities, and identical demonic entities, and yet are not related in some fashion. By the way, medieval witchcraft, Rosicrucianism, and the Illuminati have all had rituals where people dress with Cat, Lion, Owl, Cuckoo, and Parrot masks. In altered states, these medieval witches may have actually flipped into animal alters who thought they were a cat or owl, etcetera., which would account for written accounts by medieval craft adepts that witches would transform into animals. Demonic possession is getting more and more recognition by psychologists. Some psychologists have discovered that their programmed

multiples responded very positively to deliverance of demons, and were able to get more accomplished in a few hours of deliverance than years of psychology. What does this tell us? Well, it is NOT “scientific proof” that demons exist, but it is proof that deliverance can be very helpful. One can debate the exact reasons why deliverance works—perhaps it is merely that the helping person is entering the other person’s construct—but the events of successful deliverance strongly indicate that what has happened is an actual deliverance of demons. Because this book is about HOW the victim’s are controlled, and the programmers believe that the primary ingredient in the mind-control is demonology, we will cover demonology. If that bothers some readers, then they need to ask themselves, Are they really wanting to understand HOW the mind-control is done, or simply superimpose and replace the HOW it is done with what they themselves would do? Several times psychologists have been heard saying, “We don’t know how the programmers think. It would be helpful to know.” How many people are really ready to hear the answer? Recently, one of the Programmers (and names could be mentioned) never got excited as long as his slave was in therapy, but when his slave got a deliverance, he came totally unglued. On the flip side, anyone who can read this book entirely to this point and think that Illuminati slaves only have a problem with demons has somehow missed most of the book. The programmers are so demon possessed that people who have worked with them say that the powerful demons within them try to compete with each other for power. Those who have worked with the programmers know how the programmers themselves have been skilled in conjuring demons with a nine-foot circle with magical phrases like “Bagabi laca Bachabe, Lamac cahi achababe...” Rituals have been performed at the programming sites. (On the flip side, deliverance ministries can send demons to the throne of Almighty God to get

instructions.) One of the first stories read to a slave may be the Jungle Book by freemason and occultist Rudyard Kipling (1865-1936). The story is used to teach the child to have animal spirit guides, such as the bear and leopard spirit guides found in Jungle Book. The main character in Jungle Book is neither animal nor human, but in between. Neither world accepts this orphan boy. Slaves are taught that they are not human, but not fully animal, but something that can't be fully accepted or understood by anyone. Jungle Book provides the script for this. A bracelet keeps the boy safe by giving him the power of the gods. The slave is taught to get demonic power from jewelry which is given to them. There are many other features of Jungle Book which are used for the initial programming too, such as the pack of wolves (protectors in the system), snakes in the hell pit, a Boa Constructor snake to guard the castle, the need to pass through the waterfall to get into a wonderful world, a black jungle of death on the other side of the waterfall, castle jewells, caged birds, etcetera. Later, alters will be told they are the leader of a pack. Via the Jungle Book story used as a demonic programming script, the child's alters are taught that they are orphans with no mother or father, and that they must play and have the animal spirit guides as their friends.

## HOW THE PROGRAMMERS UNDERSTAND

DEMONOLOGY Demonology is the key to what the programmers accomplish. Some recent efforts to expose the Monarch Mind Control have portrayed the programmers as very cynical about their "magick". While there may be exceptions to the rule, within the Illuminati, demonology is not taken lightly, but is considered to be the real science of the Sciences of Mind Control. The goal of the Illuminati programmers is stated in their own writings in Latin, "Quod superius est sicut quod inferius et quod inferius est sicut quod superius ad perpetranda miracula

rei unius...” Meaning that their goal is to achieve the wonders of the “one thing” where “that which is above, is like that which is below and that which is below is like that which is above.” In other words, they take the dark spiritual realm of Satan, as the pattern for the world. This Latin phrase is also used to support astrology, which influences some of the programming decisions. The concept of astrology was created by reframing God’s “event markers” as event controllers. While Americans think of 1776 as independence year, 1776 was originally chosen as the most favorable year to reorganize the mystery religions into the formal Illuminati because 1776 consists of 1100 and 666. 1100 is the Babylonian counting system’s number for 666. Babylonian Satanism is a foundational part of Moriah’s Illuminism. Some of its bloodlines are descendents of the Pharisees who secretly practiced Babylonian Satanism at the time of Christ, incl. child sacrifices. It is standard operating procedure in the occult world that what you see is not what you get, double-meanings are the norm. Those students of Monarch Mind Control who do not want to delve into what the Programmers are doing are limiting their own understanding. Most of what the Programmers do is actually spiritually based and connects to their understanding of demonology. Much of what the victims of the Monarch Programming experience will be understood in the context of the spiritual world. Obviously, some is illusion. Obviously, some is delusion. However, when the high level programmers teach novice programmers, they will be teaching the spiritual principles you the reader are about to be told. (A few therapists across the U.S., and their names will not be revealed, have had miraculous recoveries of their Monarch slaves when they addressed these demonic and spiritual issues. These are therapists, who tried the old methods for years, and then in desperation were willing to listen to ex-programmers and

other informed people about the spiritual side of the programming.) Everything in life has a physical and a spiritual side to it. Things in the spiritual effect the physical, and things in the physical effect the spiritual. They are two worlds. The Alice In Wonderland story is highly regarded by the programmers, because it portrays the situation that exists between the spiritual world and the physical world. When people within the physical look toward the spiritual, it is like looking into a mirror. Initially, they will only see the physical world reflected back. But if they go beyond the mirror, they would see a “mirror image” of the physical exists in the spiritual realm. When Christians pray they say, “Thy will be done on earth as it is in heaven.” Earth is a mirror image of heaven, not an exact copy, but someday they will be alike, according to Scripture. According to messianic Jews who understand the OT well, the ceremonial law is being enacted in heaven spiritually as its mirror image once was done on earth. When the programming is seen only in a secular fashion, much of its design is missed. What have witches used to see beyond time and space? Mirrors. Remember the witch saying ‘mirror, mirror on the wall, who is the fairest of them all’? The idea is magical mirrors, the speculums, which will lead one “through the looking glass mirror” that then allows the victim to magically transcend time and space. One of the important keys to success with Monarch programming are generational spirits. The cover for this is studies in genetic science. The programmers believe that genetics are important, but the real abilities to program someone come from the generational spirits that are built up in bloodlines. This is why the Illuminati were in part skeptical that non-generational occult bloodlines could be successfully programmed. They have found that they can be (especially with all their high tech equipment), but the best candidates are those with strong generational spirits. The difference could be compared to those who raise race-

horses for the Kentucky derby and those who have horses as a hobby. A race horse must have high spirits. The suburban housewife and daughter who ride as an occasional pastime could care less for that quality of horse. The military can produce cannon fodder with the simple mind-control of Basic Training. They don't need sophisticated time intensive mind-control techniques like the Monarch Program for some military positions. Third world children are being programmed to become baseball players etcetera. But the highest occult avocational positions will be given to people with exceptional generational demonic power. Within a Multiple you will find duplicates of a particular name. For instance, you may find thirteen Susies. Susy I may not even be aware of the other Susies. The internal worlds of the Monarch victim are structured along demonic patterns. Within the demonic world the spirit Moriah is not itself in every victim that has Moriah. Moriah # 10,882 may be in victim A, and Moriah # 3,355 in victim B. But the difference is academic because the Moriah in each victim is a member of the same demonic family—the Moriah Spirit Family. They are for all intents and purposes the same spirit. The Illuminati programmers are acutely aware of the generational spirits, who they are, and how they function. The Ten Commandments warn that a person's iniquity will affect the next 3-4 generations. EX 20:5b. A generational spirit is given "appointment" over a victim at birth. The victim will receive generational spirits from their biological father and mother. Satan cannot be the creator of heaven and earth, but he can satisfy his desire to do so, by creating an internal world within the victim, a heaven, earth and hell of his own creation. The armies of spirits which are placed into the infant will cooperate with the programmer and the child to produce the programming. It's like the Father ("Papa" the programmer), son (child) and unholy spirit (demons) work together. The internal creation of worlds within the victim

will be the heart beat of Satan. A Regional territorial commander demon will make weekly rounds in an area, and so the structuring work done with generational victims, combines ideas from the generational spirits as well as the regional commander. The curses and the vows give the Commander the legal right to exercise control over the victim. Within any geographic area, there has been a layering in of demons, much in the same fashion that the programming and demons are layered into a Monarch victim. The most important territorial spirits in an area are the root or original spirits. In the United States these are Indian Spirits. Territorial spirits may contribute ideas as to what will be effective for programming in their area. There are geographic patterns to spiritual warfare. Each area has its deities and spirits which rule the valleys, homes, and nations. These particular spirits exercise power over the local people. The evangelist is not going to progress, unless he understands the spirits that are ruling what he is trying to liberate people from. The basic territorial spirits are the original ones. In the U.S. these are the Indian spirits. That is why the Illuminati pays such a strong interest in the Indians. The original principalities are the foundation, the bedrock upon which everything else is layered upon. This also is done in Monarch programming. A number of Monarch slaves have Indian shamans and spirits placed in their systems. Upon the original foundation, the newer ideologies are layered in. In Russia, communism was simply layered on top of the original territorial spirits. In China, communism was simply layered on top of the original territorial spirits. This is one factor why Chinese and Russian communism were never alike. Traumas and crises will produce strongholds. Our understanding of our blind spots is often weak because we use others as our measuring stick rather than the divine word of God. Blind spots and strongholds may take outside intervention in our lives to eliminate. How many of us see that Moroni on top

of Mormon temples is a ruling demon? How many of us have realized that the rising sun on Japan's flag is the Sun goddess who is a ruling spirit over Japan? If we go to Hawaii we will see some of the "natives" are interested in Pele, the God of Fire. The volcanoes have been used by the demons to entrap the people to Pele, the God of Fire. One of the things that the author's book Ezekiel 6:3 An Inhouse Directory shows is that many of the ritual sites have occult names. Devil's Canyon may well be a canyon for devils. The names people give geographic areas are important. They show the types of pacts that people have been making. When the psychiatrist Karl Menninger of the Menninger Foundation dealt with spiritual issues with people in mental hospitals (i.e. he had them ask for forgiveness of sins), he was able to clear out whole sections, and send the patients home well. (His bro. Roy W. Menninger, an Episc., and also a psychiatrist, worked in Boston State Hosp. while in the military in '52-53.) There is a direct tie between much of the insanity today and demons. Spiritual principles should be studied by Christians to understand how demons operate and what gives them entry rights and power. Certain objects and people are focal points for spirits.

WHO ARE THE EXPERTS? Basically, two types of people involve themselves in studying demonology—those who are involved with performing works of darkness such as magic, or those involved with performing works of godliness such as deliverance ministries. Jesus told his disciples to command the demons to leave. He didn't ask his disciples to let him cast out demons, nor did he ask his disciples to ask the demons to leave. No, the responsibility was placed upon his disciples and they were asked to command the demons to leave. The Illuminati maintain hidden libraries full of ancient treatises on demonology, which they avidly study. Some of the more important demonology books are the Sixth and Seventh Book of Moses, The Black Raven,

The Spring Book, The Spiritual Shield. A whole series of magical books bearing the name of Solomon exist, of which The Key of Solomon is widely known. Clavicula Salomonis or the Clavicle of Solomon is also well known. More and more of the ancient writings seem to be coming to light in these end times, and the hierarchy is getting bolder and bolder in the release of this information. A Cabalistic Jew will study the Talmud until he is 40 or so, and the study of the Cabala is reserved for the only those who have studied a long time. The Zohar and the esoteric teachings are not taught until late in life. Opposite the Illuminati, are those dedicated Christians who study demonology, not to invoke demons but to free people from them. Each state in the United States contains a few Christians who understand demonology and deliverance from it. The blood of Jesus Christ (YAHUSHUAH HA'MASHIAK) is very powerful against demons. High level deliverance cannot be done without angelic and the Holy Spirit's help. The Christian who gets into studying and fighting high level demonology needs to learn the significance of getting God's help. Without God's help, the deliverance will back-fire in the face of the deliverer. Members of the Illuminati are bound in servitude to Satan. One of the strong shackles that bind Satanists to Satan is the high level of demonology they are enslaved to. HOW ARE THE DEMONS ORGANIZED? It is very clear that there are different types of demons, and that they are divided up into different ranks, functions, orders, etcetera. A great deal of time has been spent by both brilliant Christians and satanic Magicians to chart out the names, ranks, and structure of the demonic armies that Satan commands. One accurate method of ranking demons has 365 ranks of demons, with no. 1 being the highest level of demons. The numbers of top level demons are numbered in the trillions, while the lower level imps are incredibly numerous. There is no shortage of demons to carry out the work of Satan on this planet. These demons are sometimes

variously referred to as spirit guides, angels, wizards, ghosts and aliens or a number of other disguises. Both early Christians and the occult have often divided up the evil spirits under fire, water, wind, and earth. The power of Enochian magic comes from the Watchtowers of these four elements. Some common types of Evil Spirits are: Spirit of the Anti-Christ (1 John 4:3) Spirit of Bondage (Romans 8:15) Spirit of Divination (Ezekiel 21:21) Spirit of Death Dumb and Deaf Spirit (Mark 9:25) Spirit of Error (FIRST JOHN 4:6) Familiar Spirit (LEVITICUS 20:27) Spirit of Fear (SECOND TIMOTHY 1:7) Spirit of Haughtiness (PROVERBS 16:18, 19) Spirit of Heaviness (ISAIAH 61:3) Spirit of Infirmity (LUKE 13:11) Spirit of Jealousy (NEHEMIAH 5:14) Lying Spirit (SECOND CHRONICLES. 18:22) Perverse Spirit (ISAIAH 19:14) Seducing Spirits (FIRST TIMOTHY 4:1) Spirit of Whoredoms (Hosea 4:12, and 5:4) Each of these types of Evil Spirits has a number of specialists. For instance the Spirits of Whoredoms contains spirits which can specialize in the following: A Spirit of Unfaithfulness A Spirit of Prostitution (whether Spirit, Soul or Body) A Spirit of the Love of Money A Spirit of Idolatry A Spirit of Chronic Dissatisfaction A Spirit of Fornication A Spirit of Gluttony The Spirits of Bondage include: A Spirit of Fear A Spirit of any number of addictions (drugs, alcohol, etcetera.) A Spirit of the Fear of Death A Spirit of being a Servant of Corruption A Spirit of Compulsive Iniquity

These lower echelon demons are too numerous to keep track of. When a portal is opened which gives a particular demon legal access into a body, they move very quickly into the physical body. When a man lusts after a woman, he will open a portal, such as the mouth through which a demon (spirit of lust), shaped for instance like a frog, will jump in through. This demon will then ensure that the evil thought will be acted upon. The principalities and powers exercise

dominion over spirits. Further, high level Satanists are well aware of all these things. When godly people of faith identify, bind and cast out specific demons, they should practice loosening the appropriate good spirit to take its place. If we bind a spirit of Bondage, we loose a spirit of adoption. If we bind a Spirit of Error, then we loose a Spirit of Truth. There are three powerful satanic covens of 21 persons. They are distributed in Monterey, CA, Phoenix, AZ, and the third in Idaho. Los Angeles also has a fourth headquarters for the Coven of the Twenty-first Star. These 21-person-covens are made up of very intelligent, powerful persons. These type of covens attract powerful commander demons. Within the co-author's area, Bend, Portland and Eugene areas in Oregon have powerful covens. The power of these types of powerful covens will be reflected in the spiritual world. Paul under the Spirit's inspiration wrote, 'while we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal.' Second Corinthians 4:18. The invisible things are more important than the visible. If we recognize this, the Word of God says that this will help us keep from losing heart! 'Therefore we do not lose heart. Even though our outward man is perishing, yet the inward man is being renewed day by day.' Second Corinthians 4:16. Spirits are in a sense a mirror image world. They are placed in the victim first. The programming and the images that are built will be built with their cooperation and guardianship. Spirits are appointed to protect each program and each memory. A spirit commander called a chief executive is set in command of the victim's life. Military command structures around the world are structured on how the demonic command structure exists. Some soldiers have the same function, but are not actually the exact same person. So it is with demons. Victims have their own individual demons, but they are models of what that type of demon is

supposed to act like. The child is exposed to films, books and stories. The spirits interact within the person's mind to lock these pictures in place. The demons in a sense serve as mirrors within the child's mind, reflecting the images the child needs to fix in the mind. As the programmer, child and demons structure the internal world, the demonic spirits will guard these structures. The force or energy behind the structures is the demons. In order to guard things further, demonic castles and temples will exist within a system to guard it. Entire spiritual quadrants will exist, that are entirely spiritual and contain absolutely no alters. These spiritual worlds cannot be seen physically. Only spiritual power and discernment can reveal them. In fact, while the normal person uses 5 senses, the Illuminati teach their alters and people in demonology to use 7 spiritual senses. The child will be shown films and stories, but will then be programmed to forget them. However, the demonic spirits will guard these concepts. The core is involved in giving energy toward these spiritual programming goals. The willful contribution of energy to these demonic goals must be guarded so the core is hidden. While other children are playing with children, the victim of Monarch Mind-control slavery is being taught to dance and play with internal playmates which are demons. This is to familiarize the child to the spirit world. The child's family becomes its internal world. There are some teachers in public schools and pre-schools that are openly helping children do this. All the time that the programming is going on, the spiritual world stays hidden in the darkness. Gnomes, sometimes called dwarfs, are one of the four divisions of nature spirits. They know where the gold is within the earth. This is why Joseph Smith, Jr. who was from an important generational occult bloodline which has generational programmed M P D's, did magic to elemental spirits when he was looking for jewels and gold as a young man. In reflection of this, the Gnomes (also known as

dwarfs, elves, or minihunes) of the internal world mine the gold and jewels, the programs of the System. Illuminati programmer Manly P. Hall wrote in his classic book *The Secret Teachings of all Ages* on page CVI, ‘...there are many types of gnomes evolving through the subjective ethereal body of Nature. These earth spirits work in an element so close in vibratory rate to the material earth that they have immense power over its rocks and flora, and also over the mineral elements in the animal and human kingdoms. Some... work with the stones, gems and metals, and are supposed to be the guardians of hidden treasures.’”

The Disney family and the Disney corporations are part of the occult world. While the names Dopey, Happy, Bashful, Sleepy, Grumpy, Sneezy, and Doc sound like names picked to please children, they are actually the translation from Scandinavian of the demonic dwarfs Toki, Skavaerr, Varr, Dun, Orinn, Grerr, and Radsvid. Note that Disney placed a character with a green mask in a dark mirror, and had in his shows what was called the ‘Spirit of the Magic Mirror’ which was also called *The Slave of the Magic Mirror*. The Monarch slaves “most precious programs” are concealed in the ground and are guarded by the gnomes built internally by the programming. These gems have power that is channeled from Satan. Most of the readers thought *Snow White and the 7 Dwarfs* was simply a harmless piece of fiction. They most likely didn’t realize that it is demonology.

An example of the importance of these types of spirits is Findhorn’s use of them. Findhorn Institute in Scotland, which has branches by other names in other countries, is like the Vatican of the New Age. It secretly sends out orders to many witches and New Agers. To spell it out clearer, Findhorn, the Vatican of the New Age movement, is one of the channels of communication from the secret Illuminati councils to their people worldwide. The success of Findhorn’s community, according to Findhorn is their use of elemental gnome spirits in their gardening and

planting. What is someone who believes in good spirits to do with this information? To recognize that the patterns for the programming are inspired by demons, are held in place by demonic energy and are guarded by demons. The programming can be collapsed upon itself if this demonic “glue” is taken away. But only a few individuals understand the spiritual forces behind the programming. This understanding takes spiritual eyes. If the spiritual is not dealt with, the person can be reprogrammed at will by the demonic entities that still control the victim. This is the “missing piece that has frustrated advanced secular therapists. Within Illuminati slaves, they will have the All-seeing Eye placed in their system guarded by legions of demons. Within the very eye of the all-seeing eye, the Programmers will place some actual alters. There will also be demons placed within the construct too. The De-programmer must be careful to separate the demonic from the human element and get the alters who are held captive in the eye out. The Programmers do a great deal of mixing demons with alters, and they place alters all over the system in captive or hostage situations so that the System of Alters is literally blackmailed into cooperating if they don’t want to hurt parts of themselves. The Programmers do both internal and external blackmail. Within the Monarch programming, the demons are layered in between the worlds. In the older Illuminati programming, mirrors were placed into the System and the demons were layered behind the mirrors. The mirrors would separate levels within the mind. The demons would protect the mirrors. If a Monarch alter would shatter a mirror, the demons behind it are released and all hell breaks loose in their mind. Therapists who have tried everything for years to deal with the mirrors, have found that a few minutes of correct spiritual warfare accomplished more than years of trying psychological techniques. In the 1980 models of Monarch slaves, the Programmers began placing a planet of alters,

interspersed with a planet of demons, as they would build a solar system. This had the same layering effect as the mirrors. The demons then would be assigned to protect the different levels, in this case represented by different orbiting planets.
