Chapter 10B: USING SPIRITUAL THINGS TO CONTROL A  
PERSON

[continues]

Principle demons that are popular to place into Monarch systems are: Aesculapius - the satanic miracle healer, related to Apollos, in the pagan world he was depicted with his head encircled with rays. In order to show pagans that it was "O-K" to worship Jesus, the Catholic church put the golden rays of Aesculapius around pictures of Jesus. He is also at times represented as the sacred snake. Absolom -, Amon - (various spellings) A marquis of Hell, who has the gift of prophecy. Apollyon - This demon is over the bottomless pit and is described by REVELATION 9:11. Demon of fear and destruction, who may be a deep part of a System. Apollo - The Anti-Christ's father Astar (Star, Ashtareth, Ashtaroth, Astarte, Ishtar) - Bible students will find this demon referred in many Bible passages including JUDGES 2:13 and ACTS 20. Balilo - witch demon, Beelzebub - Ruling demon Belial - the chief demon, with the name meaning "worthless one". Beliel - sexual demon, Bes - Spirit ruling the dwarfs. Blackwell- legion demon, upper rank, to divide the mind. Blood (a.k.a. Yahweh Elohim) - dark spirit using God's name and part of Black

Mass, connecting with early three-year-old trauma to “locked-up child”. Choronzon - to help with constructing the mind control Dameon Dagon - the fish god over water. The fish sign was adopted by elements of the Catholic church to secretly keep Dagon worship alive. The Pope wears the garb that the Pontifex Maximus wore as leader of the cult of Dagon. One system had a water monster named CTHULHU. Electra - Enigma -, Geb - voice behind the earth spirit, Gerberus - Guardian angels - the Illuminati may assign guardian angels called Hafaza. Javen - double-minded demon Kali - bloody female goddess Kemosh Leviathan (Seen as a sea-monster, or Tyrannosaurus Rex, or Dragon-like)-This demon runs up and down the spine. Leviathan is related to the Babylonian reptilian God Tiamat (which looks like the Reptilian aliens portrayed today.) Is tied to the double-helix. It can actually be three spirits. Bible students can read about Leviathan in Job 3:8, Job 41:8, 15,22, PS 74:14, ISA 27:1 Lilith - a bloody demon, known as the “terror of the night”. The occult story is that she was Adam’s wife before Eve, and that her offspring with Adam were demonic-human monsters. It might be worthy to mention that in Druidism, the life-force or energy force is considered to be the Dragon. There are several names for this Dragon including Wyvern, nwyvre, or the winged lion. Mammon - the demon of avarice Meganosis - Metatron - Sometimes said to be Enoch. Moriah-Moloch (also spelled Molech) - The various satanic-Luciferian groups that program offer child sacrifices to Moloch, an internal Temple of Moloch may guard the innocent blood of children sacrificed during ceremonies. Historically, the people in Israel sacrificed children to Moloch at Tophet in the Valley of Hinnom near Jerusalem. Drums (tophim) were beat so the cries of the children couldn’t be heard. Mormo - Important demon placed in Mormon Monarch slaves. Nanna-Nemo - Mormon programming Octopus-blood sucking demon Orion - placed over Mormon victims, the

name Orion is popping out all over the place, Pan - protector of woods Ronwe - Squat - a number of Illuminati Monarchs report that this demon gives them the ability to understand foreign languages, Shu - does internal weather magic Others including - Typhon (program tunneling connections in the mind), Verono, Vultar Val (legion), Pan whose depression sends one Rege (drugs), who sends one to Bacchus (addiction) which then starts a bondage loop.

**THE JOKERS** The everyday demons who the alters have to contend with if they step out of line, are the Jokers. Jokers can jump out of the mirrors and drag an alter into the looking glass world. Alters going into the system away from their assigned living quarters end up in mazes of mirrors. The mazes of mirrors can't be broken because demons are placed behind the mirrors. However, deliverance methods work well to destroy the power of these demonic protected mirrors. Many, if not most of the occult world do not view spirits as evil. Illuminati children are taught that these spirits are playmates. Since the child is not allowed real friends, they are happy to have demons to play with inside their mind. One major religion whose adherents publicly seek spirit (demonic) possession-although they again view spirits as being capable of both good and evil, neutral in connotation much like the Greek gods, is Voodoo.

**VOODOO** In discussing how trauma-based mind-control is done, voodoo must be included as a component. Many of the Mind-controlled slaves have had voodoo as part of their trauma, and many had voodoo dolls placed into their Systems. When vows and oaths are made, an object is given to the satanic cult or the Illuminati for the Keeper of the Seals to guard. If the vow is broken voodoo magic can be used against the offender by using the object given in the sealing. Voodooism came from Africa, where it is called Ju-Ju. A recent book Blood Secrets is the true story of demon

worship and human sacrifice by a former JuJu high priest Isaiah Oke, who gave up JuJu magic for the Christian faith. The Basuto in Africa call witches “baloi”, the Akans say “obayifo” and the Lovedu say “vuloi”. There are different names and variances of magical practices, but what most people don’t realize is that these are just different styles of JuJu-ism. The JuJu priests (called a babalawo) will rule the religious and magic lives of an African village. JuJu is satanic, and much of it is kept secret by its high priests. The Priests take blood oaths of secrecy. The West African name for Satan is Esu. A group in Phoenix, Arizona claims to be in contact with an alien named Jesus Esu Sananda. Another word that has come from Voodoo is the word zombie. Many members of the Illuminati go to the Caribbean and South America to attend Illuminati rituals. Umbanda (Brazilian Satanism), which is sometime mistakingly called Macumba, openly has satanic rituals on Copacabana Beach. Many of the elite have made their pilgrimage to Copacabana Beach, incl. European royalty and the Pope. There are seven bloodlines in Umbanda, and a newcomer must join one of these. If Amer. Illum, slaves have memories of Argentina and other Latin American countries, the memories could easily be true. The Illuminati within the Jehovah’s Witnesses’ Bethel HQ (which are programmed multiples) have used quiet islands in the Bahamas for rituals. In 1958, it is believed (according to two partly de-programmed multiples) that it was Andros Island, Bahamas which they used for their rituals. In Haiti, Voodoo, is the religion of the majority of the people, about 90% of the people. This is interesting because it gives us an example of what the situation is like when an entire nation regularly seeks to be demon possessed. Possession behavior in the various black occult groups, such as Umbanda (Brazilian Satanism), Haitian Vaudou, and the St. Vincent Shakers (also called Zeckeeboom people) is a learned behavior. Candidates for mediumship in São Paulo

Umbanda are given special training in trance and possession. They use dissociation techniques such as focusing on a lighted candle, or turning the person and snapping the fingers to put people in trance. In the U.S., because demon possession seems rare to psychiatrists, they have labeled demon possessed people as “crazy”. However, in Haiti, an entire nation regularly conducts rituals to become demon possessed. Since the norm is to be demon possessed, it fails to be abnormal behavior. Many of the other labels and explanations that psychiatrists find easy to give concerning demon possession in the U.S. obviously just don’t explain what is happening in Haiti. Some of the explanations given by psychiatrists for demon possession in Voodoo is a. repressed personality is coming to the surface, b. that the voodoo trance is an act to impress a crowd, c. it stems from hysterical nervous disorders, and d. it stems from psychopathy, neurosis, or schizophrenia. a. In Haiti, demon possession of people cannot be a repressed personality because the person being possessed of a. demon must behave according to rigorous rules of how each demon is supposed to act. Far from expressing himself, the victim of demon possession tries to personify some mythical spirit whose character on the whole is foreign to himself. b. In Haiti, most people who go into the demon possessed state are not observed closely because it is the norm for people to become demon possessed. People at the ceremonies may cast absent minded looks at the people being possessed, but the entire scenario gains the possessed person very little attention. Nor does an entire crowd in Haitian Voodoo get possessed, or go into a collective delirium. The excitement is quite varied with the crowds. c. If explanation c. were true, it would mean an entire nation is hysterical and mentally deranged.

Forty years ago it was shown that the Haitian people are not all hysterical, but that demon possession in Haiti was

the normal means of communicating with supernatural powers. If demon possession trances were genetic in origin, then why do some groups of blacks from the same gene pool but living in other nations have absolutely little to do with the occult? d. Investigators in Haiti have had to discount demon possession as a neurosis. According to one investigator the number of schizophrenics and psychotics is very small within cults like Voodoo. "Here the very marked lack of response to the cathartic therapies employed in possession cults in the case of seriously disturbed individuals...is itself a testimony to the robust mental health of the majority of participants. The latter have no difficulty at all in communicating their problems. They operate within a culturally standardized medium of communication. Nor in contrast to the true self-insulated psychotic, do they miss their "cues." They respond in the expected way, and others react equally predictably." A Brazilian psychiatrist said that no "frankly schizophrenic person would be able to pass the probationary scrutiny" involved to join this religious group. (These last two quotes come from a study of Black Religious groups.) Interestingly, studies made of W.W. II war criminals show no personality differences between them and the normal population. Could it be possible that there really is a demonic element in the lives of people that helps move them in the direction of evil? So what is demon possession in Haiti's Voodooism? According to the Haitians a spirit which they call "loa" joins a person like a rider mounts a horse. The spirit then controls the person like a rider. The possessed person is called a "chual" which means horse, and the spirit is said to mount or saddle his victim. Blood sacrifices are often associated with the demon, and the possessed person will drink the blood from the sacrificed animal. Polished stones, and herbs, and trance and dissociative states are used to attract spirits. While the Monarch slaves have trauma-based dissociative states, the practitioners of Voodoo have ritually

induced dissociative states. Voodoo rituals will involve chanting, drums, at times handclapping and frenzied dancing to induce the dissociative states. In fact, several features have been identified which bring about dissociative states in the black religions of the Caribbean and South America. First they have dancing to a pronounced and rapid beat. Next, the induction into the dissociative state frequently follows a period of starvation and/or overbreathing (hyperventilation). The beginning of the demonic possession is characterized by a brief period of muscle inhibitions, or a collapse. The person who is experienced at being possessed acquires a specific behavior pattern for the deity that is supposedly controlling it. And finally, the head and limbs may tremor under trance, and the person may become dissociative enough that they can pick up red hot irons. The possessed can be conscious, semiconscious, or unconscious. Studies made of this situation where an entire nation like Haiti actively seeks demonic possession allows us to discount some explanations and get a better picture of what demon possession isn't. It also helps to understand what is involved in demonic possession. The first major authoritative work on Haitian Voodoo written in 1884 by Spencer Saint John reported on the terror, the blood rites, and the cannibalism of Haitian Voodoo. This has been too much for some people to believe. Still, if people stop to realize how Voodoo came about it, it makes sense. Conservative estimates of the number of slaves brought into the port of Saint Dominique while it was a plantation colony are 900,000. The conditions on the island for the slaves was like a Nazi work camp. The cruelty on the colonial Haitian plantations was beyond comprehension. The Africans brought in as slaves already practiced JuJu. Under the crucible of the severe torture of slavery, the slaves formed Haitian voodoo, which is a conglomeration of African Voodoo, masonic rites, and European magic and

Catholic saints and symbols. For 2 centuries, their African vaudou was these slaves only power against their cruel plantation owners, and is partly credited for helping Haiti become the first free black republic in the revolution of 1804. In Haiti, Cuba, Brazil, Trinidad and other areas of the New World, where JuJuisim has transformed itself into black occult religions, the old gods of Africa: Damballa, Erzilie, Legba, Obatala, Ogun, Oshun and others have been equated with Catholic saints and given the names of these saints. The ritually induced dissociative states of Voodoo are generally accompanied by amnesia, that is lost time. During this lost time, the person acts as if he is a spirit (god). This is a ritual based dissociative state rather than a trauma-based dissociative state. The Illuminati Monarch programming at times attempts to combine the two bases, ritual and trauma, to create a dissociative state. This is why it is difficult to separate out the religious factor.

INDIA Up to now there have been numerous cases of demonic possession in India, but there has been no case of a true multiple personality. The reason why is that the multiple's in the U.S.-Europe are being cranked out by trauma-based mind-control and the Illuminati hasn't been programming in India like the U.S. and Europe. As the slaves that are being created disperse, within time, we will eventually start seeing multiples in India. In the American Journal of Psychotherapy, January 1981, page 115, it states, "However, so far, no case of double or multiple personality so labeled by a psychiatrist, has been reported from India in the professional literature. Considering that hysterical disturbances in general are quite widespread in the country, this is surprising. On the one hand, it could mean an actual low prevalence of multiple personality in the country." For those of us who understand what is happening, it is obvious why multiples aren't found in India. The fact that multiples aren't found in India ought to wake

up people that multiple personalities is not “demon possession nor is it simply the result of bad parenting or everyday type of horrendous trauma. Almost everyone has a trauma in their early life, and is somewhat dissociative, but that doesn’t make them have multiple personalities, which are programmed and have separate histories and altar names. India has over twice the population of the U.S. and yet no multiples reported. After reading this book, the reader understands why not. It might be appropriate to point out here that the early American cases of M P D (now called D I D) are from bloodlines associated with the Illuminati. The first widely reported American case of M P D was Mary Reynolds in 1811. The Top 13 Illuminati Bloodlines covers the Reynold’s bloodline as being a major Illuminati bloodline. Two other earlier Amer. M P D cases are one involving a man from Edinburgh University, Scotland and one found discussed in a letter in 1791 written by a Reverend Joseph Lathrop of Mass. to the President of Yale Ezra Stiles. (See Letters and Papers of Ezra Stiles, President of Yale College, 1778-1795. New Haven: Yale Univ. Press, 1933.) Those, who have tracked the conspiracy, or read Fritz’s writings, know that Yale founded by the Unitarians has long been important for the Illuminati. The Unitarians have been connected with hermeticism and money from the start.

HOW THE ANTI-CHRIST SPIRIT CONTRIBUTES TO CONTROLLING THE SLAVE Within the Illuminati hierarchy slaves, the Spirit of the Anti-Christ operates. The Mothers-of-Darkness are only allowed to become Mothers-of-Darkness after they marry the Anti-Christ. The entire worldwide collection of Mothers-of-Darkness alters will serve the physical Anti-Christ as a private harem when he takes over. They will also serve as an inner elite guard of the physical Anti-Christ. They describe the consummation of the marriage with the Anti-Christ as being badly burned.

Because the Anti-Christ, who is alive and well today, will be/is already the master handler and the master programmer a description of him is given in Appendix A. How does the Spirit of the Anti-Christ influence a Mind-controlled slave? Some of the things that this Spirit does to control individuals is to cause them to judge themselves. Another thing done to control the slave's alters to change their focus so they can't grow spiritually, bribe the person with enticing doctrines of demons, and mislead people from true freedom into religious bondage. We will clarify what we mean as we explain these things in the next few paragraphs. Satan himself spawned the Anti-Christ spirit, as well as leading the demonic angels into their evil. The Spirit of the Anti-Christ has as its purpose the destruction of everything that God has built within the person: their looks, their curiosity of beauty, and their personhood itself. The Spirit of the Anti-Christ is attached to the religious spirit when people get Christianity without the Spirit of Life. Many Monarch slaves with the Anti-Christ spirit are working under the cover of being good Christians. The Bible even talks about them, "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore, it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works." Second Corinthians 11:13-15. The Greek word translated "transforming" is also the source of our word masquerade. It means to have a front, with a hidden character behind the front. The words of the apostles warn Christians about "double- minded men" (James 1:8) and that Satan's key people will masquerade with false fronts. In contrast, the Scriptures admonish followers of Christ to have their public lives match their private lives. Satan lavishes the Spirit of the Anti-Christ upon his hierarchy. He doesn't lavish his spirit within what he views as the

“rabble” of humanity, who do not directly serve him. When the Spirit comes into a person, it comes in as a cold clammy spirit that consumes all hope and all joy in life. Rather than being a fresh breeze bringing joy, this Spirit of the Anti-Christ is like a vacuum sucking life. It is like being raped. Victims of this spirit, say they felt like they were raped and defiled by it. The person’s own natural feelings of cleanliness will feel violated. This Spirit can touch our lives in different ways and at different levels. When our personal standards are violated, the person will often not forgive themselves. Instead, they judge themselves. This further illustrates how the Anti-Christ sets up abusive patterns. By judging ourself, rather than forgiving, we set ourselves up as God, for only God can judge a person, for He is the only one who has a true standard and measuring stick to judge by. Captured by the cycle of abuse of the Spirit of the Anti-Christ, a person will continue to beat up upon themselves. At some point we forgive ourselves, and in so doing we are saying that the memory no longer has mastery over us. As Christ is the incarnation of God in the flesh, the Anti-Christ will be the incarnation of Satan in the flesh. (see REVELATION 13:4) Satan wanted God’s power and glory, but not the character of God. The Spirit of the Anti-Christ has a wisdom that it promotes which is “earthly, natural, demonic.” (James 3:14-15) The Spirit of the Anti-Christ will entice people with the Doctrine of Demons. (See 1 TIMOTHY 4:1) For instance, “For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that are just escaping from them who live in error. While they promise liberty, they themselves are the servants of corruption...” Second Peter 2:17-19 The Anti-Christ Spirit breaks our ability to love God and others. Satan’s original pride came from selfishness. The Spirit of the Anti-Christ brings selfishness, but it brings it in a hidden way. The Anti-Christ Spirit will cause pain. Heaven, where the Spirit of the Anti-

Christ is absent—has no suffering. The hidden damage of pain is that it inflicts self-focus. Christ as He hung on the cross was able to continue to focus on others.
