The Illuminati set up the Josiah Macy, Jr. Foundation to  
direct some of the mind-control its research, and its  
financial affairs. Harold Abramson became one of its  
leaders. One of the Macy Foundation's directors has been  
military intelligence chief and relative to Winston Churchill,  
Gen. Marlborough Churchill. Both Winston and  
Marlborough are of the corrupt Illuminati Marlborough  
family.

## REMOTE VIEWING MIND-RESEARCH

Private organizations doing research into RV in the U.S. are run by "retired" intelligence people.

Joe McMoneagle - "retired Intelligence officer" left govt.'s Stargate to set up "private" RV research.

## ODDS & ENDS

- Hillary Clinton, who is a Grand Dame in the Illuminati, started in the early 1960s a group of mind-controlled slaves which is called Royal Project. She reportedly exercises power in the White House via 16 staffers who have been given authority over the different departments of government. One mind-control victim claims that one of Clinton's talks gave triggers for him to kill. One of Clinton's never mentioned cronies, who works closely with him, and travels to meet him at various locations is Charles Whitmore of Arkansas.

- One of the big areas where a great number of mind-controlled slaves congregate are MUFON meetings. An example of a slave handler, who is also a programmed slave is Dea Martin, who tells people she has worked for the government and who does aura readings. She controls her sidekick Jim Courant, a commercial airline pilot. An example of a programmed multiple with “alien” programming was serial murderer Robert Moody. Film taken of Moody in jail shows his MPD (DID).

- Kleinknecht was National Director of NASA during the Moon Flights when lots of mind-control programming was being done by both the Masonic lodges and NASA. C. Fred Kleinknecht was not only director of NASA but the Sec. General of the Scottish Rite 33°.

- The Doors Singer Jim Morrison used the occult code name Lizard King and The Exterminating Angel. He was involved with mind control.

- Col. John Alexander, (also called Doctor) who has been living in Arizona, and who has been in charge of making psychic warriors for the U.S. Army, has the inside reputation of being the Illuminati’s top mind-control programmer.

- James Monroe. It turns out that there have been two James Monroes involved in programming. The first one was bn. perhaps in the 1920’s, was 6’ tall, and he was the CIA man who set up the Society for the Investigation of Human Ecology, a CIA front for mind-control, He had a very polite front in spite of being a sadistic programmer. The second one was James Monroe Martinez, bn in 1938, 6’ tall, who was busy setting up underground bases such as the one at Los Alamos under the cover of working for GE. One report

said he died in 1965. His mother owned a Catholic half-way house in Albuquerque, NM.

- There are all kinds of events happening around us that show evidence of mind-control. One example, is the case of a Catholic man quitting the monastery and becoming a NASA physicist.

- Part of the success of the mind-control lays within their child procurement abilities. The' corrupt Finders group, which consisted of FBI/CIA men who helped procure children, were led by Marion Pettie, who was called "the Stroller" and "the Game Caller" by Finder members.

- The establishment allowed CIA programmer Dr. Louis Joyon "Jolly" West to examine Jack Ruby in his jail cell. When Ruby refused to admit to insanity, West labelled him "paranoid and mentally ill" and Ruby was placed on pills, which were called "happy pills". Ruby believed he was being poisoned by the establishment.

- Part of the success of the mind-control lays in the fact that there is such a widespread network of pedophiles. On Channel 5, May 6, 1996, during a show "Priestly Sins," it was stated that "at least 3000 [catholic] priests are sexual abusers of children." The program stated that 600 priests have been reported to law enforcement within the last few years for complaints of sexual abuse of children. The show stated that catholics are silenced and punished if they speak up. Priests who speak out are penalized. For instance in 1985, a senior official at the Vatican's embassy in Wash. D.C. discovered rampant sexual abuse and wrote a report on how it should be dealt with responsibly. The church promptly buried the report.

Anton LaVey-Profile of a trauma-based mind-control  
programmer

When someone coined the phrase “dynamite comes in small packages” the phrase was an apt description of Anton LaVey. (Released photographs of LaVey prevent people from realizing how short his is.) In a personal letter which Anton LaVey wrote, “With my swastika, I’m strong. My Satanic amulets give me power. I’m not a misfit anymore, with pimples and a heart murmur and flat feet.”

Anton LaVey is famous for having started the Church of Satan. He chose Walpurgisnacht, April 30, 1966 to start the Church of Satan in San Francisco. Previously he had began holding midnight magic seminars in 1960. He and his occult friends held Magic Circle meetings until he founded the Church. His Church of Satan is officially recognized by the U.S. government and the military.

He turned an old Victorian House, at 6114 California St., San Francisco into what has been called “the Black Castle”. It was for years indeed black on the outside, and LaVey would drive a hearse. Anton LaVey kept a full grown 400 lb. Nubian lion named Togare from Ethiopia at his house (which was allowed both inside & outside) that scared the neighbours when it roared. He also has kept a black leopard.

LaVey loves to play his Hammond organ music in his black castle as if his house were a stereotypical horror house. Inside the house are rooms used for rituals, occult books including books on cannibalism, coffins, a maze of secret passageways, and LaVey’s private saloon called the Den of Iniquity. He called his satanic covens “Grottos.”

This author is aware that the Church of Satan got Grottos going in the following cities: Amsterdam (Magistralis Grotto, Neth.), Boston, Chicago, Dayton, Denver, Detroit, Edmonton (Can), Indianapolis, Kansas City, Las Vegas,

London (Eng.), Los Angeles, Louisville, New York, Paris (Fr.), Phoenix, Portland (OR), St. Petersburg, Seattle, Silverton (OR), and Vancouver (Can).

Undoubtedly, there are other groups, as well as a scattered following of individuals. The Church of Satan has had many Ph.D.'s. The church has had a high percentage of professionals such as: doctors, lawyers, teachers, former FBI agents, IBM executives. Cult underground film maker Kenneth Anger was a member of the Church of Satan. An ex-high priest of the Church of Satan told this author how he was recruited for the position of high priest. He was promised anything he wanted in life, any woman, any money etc.-and they made good on much of that promise. As high priest, he micromanaged everyone's lives in his grotto. His people came to him for permission and advice and orders for everything. It wasn't just mind-control, it was total control of their lives. But giving orders and micromanaging the lives of many people became a drag.

One of Cathy O'Brien's abusers was LaVey's High Priest Merle Kilgore, father of Steve Kilgore. LaVey (born April 11, 1930) comes from a Rumanian bloodline from Transylvania. As he grew up he love the story of Frankenstein. As a teenager he loved the occult. He dropped out of high school to be part of the Clyde Beatty circus.

LaVey likes to work from dusk to dawn. Like his ex-right hand man Michael Aquino, another mind-control programmer, both LaVey and Aquino are fascinated with the Nazis. (Michael Aquino's wife Lillith Sinclair was formerly the head of the Church of Satan's NY Lillith Grotto.) LaVey sports a Van Dyke beard, and a head shaved in the same fashion of executioners during the middle ages. Most of his followers never see him. Although LaVey has

gotten wide press coverage, thanks to William Randolph Hearst's newspapers and his publishing companies like Avon, LaVey is a very secretive person and very rarely shows himself to even his high priests, or even talks to them.

His Church is a collection of self-sustaining dictators. He exaggerates the numbers of his church, apparently by claiming people who come in contact with his church. Before we discuss more about his organization and their rituals, let's touch on his role as a trauma-based mind-control programmer. Anton LaVey has openly advocated the creation of android humans. Even more startling is a music video shown on TV in which Anton LaVey personally gives a graphic description of how Anton LaVey intends to make the listener into his "mind-controlled sex slave". The audacity of this is mind-boggling. But then LaVey has tended to be more frank than other occult figures. The approach seems to be "I'll shock you so boldly, that you will not believe what I am saying, but will think its an act."

Taking inspiration from Orwell's 1984 LaVey wrote, "Up is down, pleasure is pain, darkness is light, slavery is freedom, madness is sanity..." This is actually the language that is used at times in the mind-control programming! Anton LaVey has been the mind-control handler/programmer of a number of Hollywood actors & actresses, including Jayne Mansfield and Marilyn Monroe, who both serviced him as sexual slaves. Jayne Mansfield, who was a High Priestess in the Church of Satan, shocked people when on a USO tour in Vietnam she asked for a satanic religious service. Sam Brody, one of Mansfield's handlers, had a bitter struggle over who would control Jayne, and one of LaVey's followers claimed to have tampered with Brody's car. Anton LaVey has also been the programmer of his daughters such as Karla and Zeena and

his son. An ex-member of a satanic cult in the Ozarks said, "If LaVey says jump, you jump." Some of his followers call him "Uncle Anton" as if they were programmed by him. LaVey's cover is that he is simply a showman, a buffoon. His cover has fooled many people, the truth is the man is not to be trusted and has a lot more evil power than people have realized.

LaVey has always had what some describe as a "warm relationship" with police. In fact, he was on the police force in the 1950's as a photographer. The police were reluctant to question LaVey about the death of Jayne Mansfield (4/19/33-6/28/67) who was one of LaVey's high priestesses and slaves in his Church of Satan. Her color was pink. Anton LaVey has been seen going onto military programming bases, and was at the NORAD area in Colorado for a while.

Dick Russell interviewed Anton LaVey with his approval. Russell wrote up the interview in "The Satanist Who Wants To Rule the World", (Argosy, June 1975, p. 41) that the Anton LaVey believes that he and an elite force of Satanists will rule the world. LaVey took an obscure occult tract from the 30's and some thoughts from HG. Well's book The Island of Dr. Moreau for a ritual. From this, he came up with a ritual which includes these stanzas:

"Man is God. We are men. We are gods. God is man."

When the reader is done reading this book, he will see how this ritual can fit in perfectly with trauma-based total mind-control. In fact, when people attend the Church of Satan's secret rituals, once people enter the ritual room two hooded guards prevent people from exiting prematurely through the closed doors. The rituals have been reported as being very disgusting. It well publicized that LaVey uses

naked human altars for rituals, after photos were published of his satanic baptism of his 3 year old-daughter Zeena in May 1967. Does the Church of Satan involve summoning demons and worshipping Satan. Yes, most definitively. For instance, here are the some of the words of an important invocation used by his satanic rituals:

In nomine Dei nostri Satanas Luciferi excelsi! In the name of Satan, the Ruler of the earth, the King of the world, I command the forces of darkness to bestow their Infernal power upon me!...By all the Gods of the Pit, I command that these things of which I speak shall come to pass! Come forth and answer your names by manifesting my desires! Hail Satan!"

LaVey's book *The Compleat Witch* (NY Dodd, Mead, 1971) p. 266 advocates that one achieve self-understanding and "embrace and cherish the demon within him." In LaVey's book *The Satanic Witch* (LA: Feral House, 1969) he states that a witch to be successful must make a pact with the devil. His church loves to chant "Hail Satan". They like Crowley's law, Do What thou Wilt. LaVey & some of his members teach that at the core of each person is a demon waiting to be released.

LaVey loves Black Masses and desecrating anything sacred to Christians. LaVey urges people in his books and talks to bring out their "darkest" urging. He hints at human sacrifice in his *Satanic Bible*, by having a section on it, but is careful not to go too far out on a limb publicly. He always publicly denies that Satanists should do human sacrifices. One of the doctors of the San Francisco Church of Satan is said to have brought LaVey's church a severed human leg from the hospital he worked at, which was basted in Triple Sec and eaten by LaVey and his group. Most of the rituals are done in secret, there are no way to confirm rumours

that they eat human flesh, but knowing the mentality of some of his church members, they would do it just to check it out as a new experience.

Illuminatus William Randolph Hearst gave Anton LaVey some big help. His Avon Publishing published his Satanic Bible in 1969 (it was first released in Dec. '69). Since then it has reportedly gone through over 30 printings. LaVey's next book The Satanic Rituals also was published by Hearst Avon in 1972. It talks about the power that blood sacrifices give the magician. Hearst's papers also gave him publicity.

LaVey is always thinking of ways of promoting his theology. Years ago, he had a topless witches Sabbath on San Francisco's North Beach. In 1990, the Church of Satan went into the Heavy Metal music business. The Church of Satan puts out a monthly magazine The Cloven Hoof which for most members is their main indirect communication from Magus LaVey.

#### WHAT TO LOOK FOR.

One of the most asked questions is, "Fritz, what does one look for?" One of the best covers for Illuminati kingpins is religion. Another is philanthropy. Philanthropy ties in with Illuminati beliefs that your good deeds must balance your evil deeds to gain power—it's a Gnostic cabalistic view point. The Illuminati kingpins are great philanthropists even though much of their philanthropy is self-serving.

Perhaps giving an example of a family that is suspect due to their circumstances would help illustrate this point. There is such a family which has gone almost undetected for years, and although some people fear them, they have not been reported on. Just because the police place a person on the suspect list, does not mean that the person is guilty.

Everyone deserves the right to be treated as innocent, until proven guilty.

One of the groups that concern this author are the rich ultra-secretive ultraconservative Talmudic Jewish groups. This exclusive group keeps their children away from contact with the outside world and sends them to exclusive, semi-secret schools. An example of this would be the Reichmanns of Canada, who are billionaires, and have had some connections to the Rothschilds of England. It's not that this author has problems with people observing their religious beliefs strictly (or in the ultra-conservative Talmudic groups, "ultra-strictly" better describes their extreme strictness). It's great that people have standards of belief and conduct. However, the author sees the same patterns of legalism and secrecy that pervade Old Order Amish groups, - except in the case of families like the Reichmanns, the potential for mischief is great, because they are not involved with milking cows, but international banking.

While most people are simply ignorant about the Amish but are not fearful of them, people who know rich billionaires like the Reichmanns are scared to death of them and a heavy cloak of secrecy envelopes them. Renée Reichmann was the great matriarch of the Reichmanns of Canada who are Talmidim Chakham, followers of the Talmud. They are not Hasidic. She is a descendent from King David, and King Solomon. She lives in Toronto. Her great-grandfather, a Gestetner, was one of the wealthiest men in Hungary. Most of her family lives in Montreal, two of her sons live in Toronto. Her children are Eva, Edward, Louis, Albert, Paul & Ralph. Samuel Reichmann is the father of the dynasty in Canada.

In 1929, his egg business made him rich. He learned how to work finances and currency exchanges between different countries to make money by tricks to circumvent legalities. Their family has also gotten Rothschild financial help, and during W.W. II they worked with Koppel, who ran the Rothschild's City Bank in Gibraltar. Their family did a great many things during W.W. II from the trading center Tangier in North Africa. Tangier was located in a position to trade between the Axis and the Allies. Also during W.W. II, under the direction of the Bank of Spain the Reichmanns and others kept the Spanish currency artificially high, by creating an artificial demand for the currency. The Reichmanns made perhaps millions of dollars on currency exchanges during the war years.

Don Eduardo Reichman was the administrator of del Real Estate & Commercial Bank of Tangier. Eva Reichmann married a British merchant banker. Albert Reichmann is President of Olympia & York Developments Ltd. Paul sits on the board of the Canadian Imperial Bank of Commerce (CIBC) & on the board of Rockefeller Center Properties, Inc. (a real estate investment trust for some of the Rockefeller properties in Manhattan.) Albert sits on the board of the Mt. Sinai Hospital in Toronto, and on the board of Landmark Lands Co., Inc. which owns some of the great golf courses in Palm Springs, CA. The Ontario Ministry of Consumer & Commercial Relations has offices in buildings owned by them. They tried to buy banks in Israel. Their sect of Judaism has a Yesodeh Hatorah school for ultra-orthodox boys. Their children have very little exposure to outside world. Their children do not have access to newspapers, television, or radios. Ralph and Paul were privately educated in England at Gateshead. It's a perfect setup for trauma-based mind-control.

Samuel Reichmann is known among his kind of Jewish sect as a philanthropist who supports Torah institutions. These Talmudic families consider pedigrees and genealogies very important, which is very much in line with the Illuminati's mind-set. The reason that this family is mentioned is that the Reichmanns haven't been mentioned in my previous books, and the circumstances that pervade the family have the earmarks for what this book is about. It may be that this family of billionaires consists of only wonderful people, but it is a given that most of the readers would be considered animals by these strict Talmudists, who would never allow any of us of the wrong bloodlines to be accepted into their "in" group. Obviously the Rothschilds are of the right bloodline.

Likewise, international bankers tend to be a Machiavellian clique, (that is not this author's opinion, but the opinion of honest hearted person who have ran in those circles.) Why has this clique accepted a family like the Reichmann's from such a narrow-minded judgemental sect into their fold? This paragraph is not written toward anyone specifically, it simply calling our attention a family of billionaires that no one knows about, which lives in veil of secrecy, and a religious setting that would make mind-control as easy as imaginable. (The Reichmanns would deny what's been written here.)

There are victims of mind-control coming in to therapists from conservative Jewish groups, and at least some of these are Illuminati. The religious front could just as easily be Christian. Some of the readers of Vol. 2 reported back that the book helped them unveil the religious fronts that had helped derail their suspicions of puzzling situations that don't add up. The next programmer to be written about uses the front of being a leader of a Satanic Cult. I say front, because Michael Aquino has created a public image

for his satanic cult, and hides behind that public image. Anytime someone wants to reveal the ugly truth about him, he hollers to the effect that he is being persecuted by a wild witch-hunt. He hollers that people are just having a knee-jerk reaction to his satanic occultism, and that he is really safe.

MICHAEL AQUINO, a military/cult mind-control programmer

An OVERVIEW. Michael Aquino has been a trauma-based total mind-control (Monarch) programmer for the DIA Psychological Warfare Division. He is also a prominent public satanist. A photo of Aquino in his military uniform is in the center picture section of Carl A. Raschke's *Painted Black* (San Francisco: Harper & Row, 1990.) Other books contain various pictures of him in satanic garb with ritual items. Most of the programmers have chosen to remain in the background, Aquino with his enormous ego, has chosen otherwise.

Senator Byrd (KKK leader & Freemason) and Aquino have done a great deal together over the years, and have been like a team. With the legal expertise of U.S. Sen. Robert C. Byrd, Aquino established the Temple of Set, a satanic cult as a legal religion recognized by the U.S. government and the U.S. military. This exclusive cult was designed to give these unchallenged criminals of the Network:

A. a legal organization whose membership consists of a mixed group of slaves and handlers, B. a market outlet for their illegal drugs and porn, C. a good public, legal, openly satanic front with which to attack all media coverage of ritual abuse.

The controlled media could now excuse itself from covering ritual abuse, by saying that they had been threatened to be sued by the Church of Set. Although the Church of Set has had the entire power of the establishment protecting it from investigation and criminal prosecution, the climate of control over the United States is still not complete enough for Satanists to openly get away with their mind-control. By identifying itself so intimately with the Church of Set, U.S. military intelligence has given the world an open trail of clues to help whistle-blowers expose the mind-control that has been going on throughout most of this century. Michael Aquino openly associated with men like President Ronald Reagan at the White House, again giving us the leverage to expose the secret satanic philosophies of America's leadership. Most of these men lead double lives, and due to the mind-control it has been hard to establish (except for eye-witnesses) that they are secret Satanists.

## HIS CAREER

The army has known about Michael Aquino's Satanism from the beginning, clear back in 1968. Aquino (and some of his satanic lieutenants) received a High security clearance (reportedly level 6), and he served with the World Affairs Council.

A dozen leaders within the Temple of Set were Military Intelligence officers (for instance, Capt. Willie Browning and Intelligence Officer Dennis Mann). Aquino wrote "From PSYOP to Mind War: The Psychology of Victory" published in the establishment's prestigious Military Review magazine. Aquino writes in this "From PSYOP to MindWar..." article, "...we shall create MindWar. The term is harsh and fear-inspiring, and so it should be: It is a term of attack and victory..." Aquino is a sadistic programmer, who loves to inflict pain on others.

Aquino has a doctorate in political science. He has two masters degrees (one is in political science, Univ. of CA, Santa Barbara, where he also got his doctorate). Aquino is Airborne qualified. He studied at the U.S. National Defense University. He was in Military Intelligence in Vietnam & Germany, and the Presideo. He was a Defense Intelligence Agency attache, and taught political science on the university level. He reported directly to the Joint Chiefs of Staff and worked one on one with the Secretary of Defense Cheney. He is a pseudo-intellectual whose ego and astronomically-large pride gets in the way of real learning.

He was the former national commander of the Eagle Scouts Honor Society. (The Boys Scout system is heavily influenced by Freemasons and contains unfortunately some perverts that try to take advantage of the system for their own perversions.) There was a massive coverup in the Presideo Day Care scandal in which Aquino was involved in. There were hundreds of witnesses of the abuse. The military and intelligence put strong pressure on the San Francisco police to get them to back down from doing anything to Aquino. During that time period, the Pentagon transferred Aquino from the Presideo back to the National Defense University, Wash., D.C. (And later he wound up in the St. Louis area.) During the investigation of the Temple of Set, the FBI claimed they had no record of such an organization. The military at the Presideo, had a spokesperson tell the press that Aquino was a good soldier who did his job. Aquino hides behind his religion. In his Scroll of Set Aquino accuses the father of the girl who pointed him out as her abuser as persecuting him because he is a Satanist. Aquino writes, "Also relevant is his profession as a Christian clergyman; I certainly doubt that he would have made such an outrageous accusation against any Lieutenant Colonel who was not known to be a prominent Satanist." (p. 4 Oct. XXII)

The truth that everyone will realize on their own is that any loving, caring father when he discovers some pervert has severely sexually molested and tortured his daughter is going to go to the police no matter what religion the villain belongs to. In 1985, U.S. Army major Grady McMurtry of Berkeley, CA and Kenneth Grant's OTO got into a legal battle over who was the actual chartered OTO lodge in the U.S.

Col. Michael Aquino of U.S. Military Intelligence watched the legal battle, and wrote these comments in the Scroll of Set Vol. XII no. 5, Oct. '86, "While sitting in the courtroom watching Judge Legge preside sternly over the slug-out, I couldn't help wondering if he had any idea he was ruling on which group had legal claim to anal sex as the supreme religious sacrament in the United States." Witnesses report that one of Aquino's favorite types of sex is necrophilia, which of course can also be carried out with alters that are in a death state.

## PERSONAL HISTORY.

Michael's father was an Italian Catholic. A Canadian police document that this author has indicates that Michael's mother was Betty Ford. Michael's wife is Lillith Sinclair. Besides being a Satanic High Priest & Ipsissimus, and an Military Intelligence Officer in Psychological warfare, Michael was a stockbroker for a while. In 1970, he joined the Church of Satan, and led a grotto in Kentucky. Michael gave lectures on Satanism at the University of Louisville, and used his house in Louisville for rituals. Aquino claimed to be anointed as the Second Beast, the one that Aleister Crowley prophesied in The Book of the Law. (See Aquino's The Book of Coming Forth by Night.) While LaVey shaved his head and wore horns to look the part, Aquino cut his

hair in a widow's peak, plucked his eyebrows, and had a 666 tattooed under his scalp.

## UNDERSTANDING The CHURCH OF SET

His Temple of Set was set up using ranks borrowed straight from the secret Illuminati—Priests or Priestesses, Adepts, Masters (Magus or Maga), and Ipsissimus or Ipsissima. (The Order of the Golden Dawn also uses the rank of ipsissimus. His cult uses new terminology such as Setian for Satanist. It's a common tactic of cults to use new terms to separate the cult followers from the external world.

In Aquino's bi-monthly periodical *The Scroll of Set* (Vol. XIII, No. 5, Oct. XXII, 1987, pg. 2 Aquino states, "Christianity is finished as a serious contender for the minds of intelligent humans." Aquino's brand of Satanism attempts to pre-date Christian ideas and goes make to Egyptian Hermetic magic and mythology for its symbolism.

Aquino also studied the Black Order and the SS in Germany and attempts to incorporate Nazi occultism and symbology into his satanic orders. The Temple of Set advertised in occult magazines, computer bulletin boards, and ads in the San Francisco Yellow pages. When the Temple of Set expanded to Britain, David Austen from Kent, England, became Aquino's High Priest in Britain.

To let the reader see just one more example of collaboration behinds the scenes of the Network, a Jesuit member of the Temple of Set continued teaching at a Catholic School after he joined the Temple. Aquino coined the word Xeper (pronounced keffer) to mean the process of evolving a higher consciousness. Scientifically conducted research by Graphoanalysts has determined that a preoccupation with x's means a preoccupation with death.

Aquino and some other Satanists show their preoccupation with death by their fascination for words that begin with the letter "x". Aquino's girlfriend Linda Blood has supposedly left the Church of Set and was at a conference that this author attended. She was very antagonistic toward the victims of mind control at the conference, and acted in every way like a cult plant. She was very disruptive of what the victims of mind-control were trying to gain at the conference.

He has written in favour of black magic and left hand path, but since most people don't know what black magic & left hand path is, buzz words. Aquino stated on Ophray's show that Satanists work "for the good of humankind." How? By exploring the "freedom of the will." The undercurrents of his writings in his publication The Crystal Tablet of Set is that he and his followers have power while the rest of us are basically wimps. Witnesses report how actual human sacrifices have been alternated with faked sacrifices in the Temple of Set so that it is difficult for witnesses to tell the real from the fantasy. The Temple of Set, like the Illuminati have strict rules that members are not allowed to keep incriminating items. Their precautions to go undetected resemble the Illuminati's precautions.

#### UNDERSTANDING SOME OF AQUINO'S PROGRAMMING.

Like so many programmers, Aquino flies all over the country, and has victimized people in numerous states and military bases. Michael Aquino's programming is standard military-type programming. Aquino puts in his own spirit guide into people. He likes to use his own version of Star Wars, with himself as Darth Vader, for his programming scripts. He programs in sexual and death (suicide) programs—such as the Rivers of Blood suicide protection program, and all the rest of the various types of programs.

His Temple of Set functions as a programming vehicle. The rituals are designed to break the practitioners grip on reality and logic and take them into the world of visualization, and creativity. Members of Set take on a magical name, they attempt in rituals to become another persona, which is a magical double of the person called "KA". And this ka work is done on the astral plane. Aquino is friends with Paul Kantner who is part of the mind-control scene and who put out an obvious programming song entitled White Rabbit.

In the Volume 2 book, the significance of Leviathan was covered. The Church of Set has an Order of Leviathan headed by James Lewis VI<sup>o</sup> of Baxley, GA. Michael Aquino is familiar with all the standard programming, the Wizard of Oz and the other fairy tale themes. He is very proficient at programming, having many years of experience. In 1981, he used Cathy O'Brien to make two HOW TO films for training military officers in the skills needed to program slaves. These two training films were entitled "How to Divide a Personality" and "How to Create a Sex Slave." (See Cathy O'Brien's monograph "Dick Cheney and Reagan's 'Hands-On' Mind Control Demonstrations" written/released 6/92.) President Reagan respected Aquino and encouraged the military to learn his programming techniques.

Aquino likes to work with Catholic mind-control victims. He is proficient at manipulating the concept of hell and of doing satanic reversals like the Black Mass.

On the following pages are a little of the paper trail on Mind-control Programmer Michael Aquino:

- Some favorite photos of Michael Aquino in satanic garb.

- A two page letter of Aquino showing his fascination with Darth Vader. He rewrote his own version of Star Wars to use as a programming script. Programmers are given the freedom to decide what scripts they want to use.
- last page of a letter by Michael Aquino showing his preoccupation for Hitler and Nazi things.
- two pages showing the trauma that therapists discovered in children that Aquino had sexually traumatized at the Presideo Day Care Center. As readers are aware the Judicial system never pursued the case against Aquino.
- A page from the police report where the girl who claimed she had been sexually molested by Aquino was interviewed.

...of women, is as much an act of violence as it is a sexual violation, it is argued here that the abuse reverberates in a chain reaction of violence-related responses in the child victim, in his or her family, and in the mental health system that is meant to serve the child. The Presidio case was made particularly poignant by the setting (the U.S. Army) and by the necessity for the victims' families to face simultaneously the abuse of their children and the failure of goodness of the government that serves them.

## BACKGROUND

At the Presidio Child Development Center. in 1986-87. a single incident of suspected child sexual abuse led to a full-scale investigation during which all the parents were informed that their children may have been victims of sexual abuse at the Center and were invited to come to the army's Letterman Medical Center if they observed any unusual physical or emotional symptoms in their children. Here the children received medical and psychological evaluations by U.S. Army representatives.

Over time, the army, the FBI, and the San Francisco Police Department became involved in the investigations. Accusations of ritualistic abuse were made against a teacher (G) and a lieutenant colonel (“Shamby”) and his wife (Mikey’): Shamby was also a high priest of a satanic sect. It was attested that children had reported group sexual activities with other children and with a doll: playing ‘games” in Mr. G’s bed: and being brought to a house with a black room, where sexual activities of an occult nature ensued with Shamby and Mikey. Both boys and girls reported acts of fondling and penetration by Mr. G. their teacher. Clearly, this was a newsworthy event and it was quickly picked up by the media across the country.

Three years later, the army had made out-of-court financial settlements with the families of the alleged victims and the teacher was reported dead of AIDS. This case-study analysis is based on the author’s participation as an evaluator of and psychotherapist for the girls (boys were assigned to male therapists) who were alleged victims. The author’s involvement began two years after the occurrence of the alleged events when a team of lawyers was filing suits against the army on behalf of alleged victims and their families. Using process notes and evaluation records from the assessment and treatment of two of the girls (aged 3-4 when they were allegedly abused) and their families, along with anecdotal evidence from other cases, this ar-tide addresses the consequences and sequelae of institutional molestation for the child, the father, the mother, and the family system (consultation with therapists of the male victims revealed similar overall findings). More specifically, it underscores the unique features of sex and violence in the nursery when the perpetrator of the abuse is that historic symbol of patriarchal protection, the military establishment.

## SEQUELAE OF ABUSE

- All the victimized children who received a medical evaluation tested negative for the HIV virus at the time of their initial evaluation. Recent research, however, indicates a possible incubation period during which negative test results can be found.

Finkelhor and Browne (1985) proposed that the experience of sexual abuse should be analyzed in relation to four trauma-causing factors: traumatic sexualization, betrayal, powerlessness, and stigmatization. In addition, they recommended assessing both the preabuse and postabuse situations in determining the psychological effects on the child victims. In the case of extrafamilial abuse, this model is applicable to the victims' families, as well as to the victims themselves. According to Finkelhor and Browne's model, the preschool child who is a victim of sexual abuse is at risk of severe levels of trauma, of which, in addition to the obvious sexual traumatization, betrayal and powerlessness are particularly salient factors.

Often, when a child enters a day care center, it is his or her first contact with the institutional world outside the family. At a young age, the child is asked to trust a stranger for care, succor, and daily guidance. The child relies on the parents' assurance that this unfamiliar situation is safe and healthy. Given such assurance, the child typically allows an attachment to develop with the day care provider or teacher and literally puts him- or herself in that person's hands.

At the Presidio, it was that very person who victimized the children, first by violating them sexually and then by warning them that, if they ever told their parents great harm would come to them and their families, and that they

would probably never see their parents again. The majority of the children did not tell their parents, who did not find out about the situation until the Center sent a letter warning them that their children may have been abused.

As with incest, the preabuse situation in which the child has trusted an adult who then accosts that child creates great emotional and cognitive confusion (“If this person is caring for me and I am totally dependent on him, he couldn’t possibly be doing anything bad”). In addition, it engenders strong feelings of betrayal when the child comes to recognize that this person did do something bad to him or her and that mother and father did nothing to stop it. The severity of the trauma for children at the Presidio was immediately manifested in clear-cut symptoms. Before the abuse was exposed, parents had already noticed the following changes in their children: vaginal discharge, genital soreness, rashes, fear of the dark, sleep disturbances, nightmares, sexually provocative language (“Go down on the doll-69.” “Get it up the butt,” “Lick the doll’s twat,” “Hump on the doll”), and sexually inappropriate behavior (a four-year-old girl grabbing her older male cousins genitals).

In addition, the children were exhibiting other radical changes in behavior. including temper outbursts, sudden mood shifts, and poor impulse control. All these behavioral symptoms are to be expected in preschool children who have been molested (Haugaard & Reppucci. 1988: Mac Vicar. 1987: Sink. 1988). Of particular note were the children’s responses when they were first asked by their parents if something bad had happened to them at the day care center. One child screamed and ran out of the room. Another whimpered, “They’re going to hurt you if I tell,” and still another said, “I can’t tell, or they’ll kill you.”

Only later, after they were reassured that they would be protected, were the children able to report that “Mr. G touched my private parts,” “Mr. G had me touch his penis,” “We passed around a doll and were told to touch the doll in certain parts,” “Mr. G took me to his house to see his beds,” “I had to do something embarrassing in front of all the kids.”

These responses highlight the second salient feature of the children’s trauma: their sense of powerlessness. The children had felt powerless to tell their parents because of the grave harm they believed would come to their families if they did. This was not paranoid or fabricated fear a trusted adult, a representative of the U.S. Army, had actually told them so. But, left to the devices of their own fantasy lives at the age of magical thinking, the children elaborated on these rears, sometimes to a bizarre degree. Their only choice was to channel the anxiety and trauma into formation of symptoms, until their parents, on the basis of the warning letter, began to question them on the matter. Only later, once the children entered the mental health system, did the full cycle of trauma, terror, and rage unfold. This phenomenon can best be understood by tracking the children and their families through the postabuse process, from discovery to treatment.

## APPENDIX 2. THE PROGRAMMING SITES

Some MAJOR MIND-CONTROL PROGRAMMING SITES with explanations of their programming. (Fritz Springmeier originally exposed many of these sites in 1993, so it is possible they have made some changes since they were originally exposed. Most of these operated for years, and may still be operating. We are aware of that some of their

programming bases have been moved after exposure.) Besides these major programming sites, there are countless minor ones. For instance, some of the programming sites for water-beach tortures have been visited by the co-authors, but are not listed. The massive Boeing Plant in the Seattle, WA area with its large amount underground tunnels has been used for programming, as well as the ARCO Beaver Valley Plant in Pennsylvania. So has the chapel at the Coast Guard Academy at New London, Conn. which was built by A.W. Mellon of the Mellon Illuminati family via their Mellon Foundation. This list is not put forth as comprehensive. Without question, this list is only the tip of the iceberg.

### 29 Palms, California

Area 51 (Dreamland, Groom Lake), NV-Area 51 is also known as Dreamland. There are a number of extensive underground facilities in the area. This was one of the first genetic research facilities in the U.S. and perhaps the first major genetic research facility. The people/workers & victims are brought in by airplane and tube shuttle. The worst cases of UFO/alien type of Monarch programming is coming out of Area 51. The eggs from slaves are being harvested and weird genetic creatures are being developed from human eggs which have been genetically mixed with other things.

### Bethesda, MD-The Bethesda Naval Hospital

Bingham, UT-A red brick house, which was a closed House of Prostitution. The building was used for K K K programming. Child porn was produced in the basement, and upstairs programmed child slaves serviced KKK members. The KKK activity in the area connects in with the Illuminati controlled Kennecott Copper Co. (aka Utah

Copper Co.) Russell G. Frazer, head of Bingham's Klavern & doctor for Kennecott Copper Co. did the electro-shock to split personalities.

Black Forest, Germany—Because the U.S-U.K. and Germany do so much programming, and some of the people in the U.S. were programmed in the U.K., Germany or Russia, it is worthwhile to mention some of the German programming sites. A number of witnesses report about castles in the Black Forest which are used for programming & ritual. Basal, Sw. on the border with Germany is a important Illuminati center. Frankfurt, Berlin and Zurich are all important programming/ritual sites. The Jesuits and the Catholic churches are very active in programming in Germany.

Boulder, CO—The headquarters for EMC, a type of electromagnetic mind control that is being broadcast to modify the thinking of Americans, and to control slaves.

Butner, N.C.—Center of Correctional Research, all types of mind control are carried out and experimented with on the inmates.

Camp Peary, VA—The CIA's The Farm is located on a narrow strip of land between the York & James Rivers near Williamsburg, VA, used for programming CIA slaves. It has red brick buildings, and looks similar to a small college. The official crytonym was ISOLATION. People who are brought in who don't know where they are for training are called Black Trainees.

China Lake Naval Research Base (Inyokern), CA—

This facility had a country store, and hangers, and a hospital (address for the hospital is the code- 232 Naval Air Weapons Station) which all provided sites for

programming. This site has been operational since the early 1950s. Large numbers of children (batches of 1000 or 2,000 or 3,000 children were run through this facility at a time. This facility did much of the original traumas and mind-splitting tortures that created the MPD. Other facilities then specialized in further programming that was then layered in on top of the original China Lake programming. A great deal of dehumanization in cages was done to large numbers of tiny children at China Lake Naval Facility. Nimitz Hospital did drug testing of the children prior to their programming.

Colorado Springs, CO-The ALEX system programming and end-times Military programming is coming out of Colorado Springs and is connected to NORAD. One of the Colorado sites is doing alien programming with mock UFOs.

Dillsboro Nike Base-Monarch programming of many kinds

Disneyland, CA-Disneyland has been an off hour site for Illuminati and satanic rituals for years.

Programming has gone on using Disneyland as one big prop for programming. Many of the Disney movies are used for programming, and some Disney scripts are especially tailored for Monarch slave programming. The Peter Pan programming can use the ship. The space programming can use the space props. The satanic programming can use the castles. Lots of mirror programming is done at Disneyland, and Disneyworld. There is also Magic Mountain programming, and programming using the Around the World Dolls, and its theme song. Some of Wizard of Oz and the Cinderella programming was also done at Disneyland using costumes. Preverbal children are taken to Disneyland to get them ready for the scripts.

Disneyworld, FL-Disneyworld was created as the eastern counterpart to the Disneyland programming site. One of the rides in Disneyworld plays "It's a small, small world" which is Disneyland developed programming theme.

Fort Campbell, KY-Base programs are placed in here.

Fort Detrick, MD-involved with medical/biological experimentation

Fort Holabird, MD-This site is no longer in existence, but was the Army Intelligence School. CIC used the school. The place was known as "the Bird."

Fort Hood, TX-programming involving military uses of Delta Monarch slaves was done here.

Fort Huachuca, AZ-HQ for Army Intelligence.

Fort Knox, KY -The 1st Earth Batt. was developed here.

Fort Lewis, WA-involved with the Psychic warfare part of the Monarch Programming.

Fort McClellan-Fort Meade, MD-The National Security Agency was created on 4 Nov 1952. Its headquarters were Fort Meade, VA. The National Security Agency (NSA) employs tens of thousands of employees and has a budget larger than the CIA. It has also been kept far more secret, while the CIA has been used as the fall guy to protect the National Security Agency's reputation. In the late 1960's, under Operation Minaret and Program Shamrock, the NSA and its British counterpart GCHQ began monitoring much of the communication within the USA and UK. The NSA monitors all American calls via computers using trip words, specific names, specific addresses, specific telephone numbers, etc. NSA has several computer to record all the

millions of conversations which the computers have examined and deemed worthy of recording. How the NSA can get any use out of millions of recorded telephone conversations is beyond me? What intelligence agency could adequately process so much information?

These organizations now monitor all communications within both countries. At least one congressman got upset that his phone was bugged by the NSA. (see David Corn's article, "The case of the bugged senator" in Nation, Feb. 6, '89, p. 152.)

The NSA has developed a fiberoptics network called Internet computer network. An orange book is used to specify some of the NSA's security levels.

An informant in the National Security Agency states that establishment newspapers like the Wall Street Journal and the New York Times are used to communicate secret messages which are placed within want ads, buzz words in editorials, and via other methods. Because of some of what this person told me, I have given some possible examples in this newsletter of how people might be using the papers for secret messages. For instance using Michael Jackson with his hands making some type of sign might be a signal. Manfred Adler and the US Senate Committee investigating the CIA found that 90% of the CIA's secret messages are transmitted via the media, with the aid of coded texts and pictures.

A raised forefinger or two raised forefingers while a speaker is talking means that the message is a masonic message coming from a masonic speaker.

The Illuminati uses code words within the large establishment papers to warn their people what they are

going to do with the economy. In this way, people in the Illuminati can take appropriate responses.

Goddard Space Flight Center-NASA mirror-theme programming

Grissom A F B, IND-

Hollywood, CA-One of the programmers/handlers in the Hollywood area is surprisingly Anton LaVey. This is one reason Anton LaVey has followers who will carry out his very wishes. LaVey's children of course were programmed too. His own girls have been participating in the nude in satanic rituals since little children.

Homestead A F B, FL-

Kirkland A F , NM-Lampe, MO-This has been the site of a CIA near-death trauma center where slaves are programmed. It is an R&R center for the CIA where they can have any sexual perversion or drug they want. This has been a large cocaine supply depot also. Hal Meadows was director of this center which is deep in the woods surrounded by cabin chalets overlooking a small deep lake. A gravel road leads to the site which is fenced and well-guarded. Hal Meadows address was Box 27, Lampe, MO 65681.

Langley, VA- Slaves for the wants of intelligence.

Las Vegas (sites in and around Las Vegas), NV-MGM's Grand Hotel and Theme park were built for programming, but there are also some sites outside of the city used. In the general area of Las Vegas in remote sites, the elite gather for slave auctions once a year where Monarch slaves are sold and traded. One of the favorite slave auction sites was 20 miles out of Las Vegas and 10 miles off the main road

into the site. The Mob is involved with Monarch slaves in Las Vegas. A blue-eyed 11 year old girl will go for \$50,000. Toronto, Canada is another regular site for Monarch slave auctions.

McClellan A F B, CA - Very bad Child and adult porn using Monarch victims is distributed through this base as well as the other bases listed in this list. A T.W. Sanderson worked with Monarchs at this base.

MacDill A F B, FL -Near Tampa, FL

Maxwell A F B, AL -

Montreal, Que., Canada -McGill Univ., McGill Psychiatric Training Network, Allan Memorial Inst., St. Mary's Hosp.- The Zombie Room (Sleep Room) in the basement, the Isolation chamber and the Grid Room at St. Mary's Hospital were used for programming.

Mt. Shasta, CA-Underground facilities around this huge mountain in the Lake Shasta area are putting out Monarch programming that makes the people think they are in communication with aliens. This facility is for torturing & reprogramming captured runaway Monarch slaves. People are brought into the area via helicopter, plane, or flying saucer. This site is probably the largest mind-control programming center. It is in a remote wooded area. It is heavily guarded, has fences, and a large contingent of black helicopters. Mt. Shasta is equipped with state of the art high tech programming equipment. Mind-controlled slaves who are soldiers are programmed and trained at the Mt. Shasta facility.

Nashville, TN-These sites work with the Country Western Music Industry which is actually a CIA front for moving

drugs to finance their dirty black activities. Fiddler's Inn, Nashville fits in with the Monarch Programming.

Papillion, NE-

Patrick A F B,-Portland (Old O M S I, New O M S I, Bldg. Near Monarch Hotel at 8800 SE Sunnyside Rd., Mormon Temple, etc.), OR. The Old OMSI building had a back door on the west side in which slaves were taken in to the bottom floor and reprogrammed. Although security guards aren't visible, they are there with electronic surveillance. The people running OMSI are tied in the Illuminati. The DC-3 airplane outside of the building was used in the programming as a hypnotic trigger. The submarine docked outside of the new OMSI building is also used as a programming hypnotic tool. The new Mormon Temple has an extremely high tech underground tunnel facility for programming built underneath it. Witnesses have collaborated their testimony on this high tech programming site under the Portland Mormon Temple. Although building plans are to be public information, the city of Lake Oswego makes it very difficult to view the temple's building plans. The plans show that the foundation walls are far thicker than any conceivable earthquake would ever call for. The reason is that the foundation helps house an underground arena for the Illuminati & and their guests to watch perverse shows.

Presideo, CA (incl. Alcatraz, San Francisco)- The Illuminati and various Satanic cults used the Presideo for their programming. Split-brain & other programming was done at Letterman hospital. Fort Point was used for Illuminati ritual & programming, as well as a number of churches, underground gun emplacements and the large circular Greek column art building at the Presideo. Alcatraz, abandoned as a prison, was used for water tortures and

other programming. Tunnels connected buildings, and the Mule/Horse buildings and the cemetery also were used. This is one of the older programming sites. Psychic warfare activity also was experimented on in this area. Letterman Hospital has been used for the initial drug testing of the infants before programming. Lots of isolation programming in damp cold places was done at the Presideo. Lots of porn and military programming have also been done here. Redstone Arsenal, AL- San Antonio, TX- Salt Lake City (Mormon Temple)-This underground facility works in conjunction with the Mormon hierarchy who are allowed to create slaves. The Illuminati put in base programming that still gives them ultimate control beyond the control that the Mormon programming has.

Scotty's Castle, Death Valley, CA-Mengele (Doctor Green) programmed in some of his "internal boxes" as well as other Illuminati programming was done at this site. Mengele had a large circular red bed in the castle which he stocked with his little girl slaves, who already had kitten sexual alters. Scotty's Castle is a castle located in Death Valley CA. It has a very interesting history. To reach the castle one is required to drive through many miles of desert. If one drives to Inyo County, CA, the same county that has China Lake Naval Testing Grounds, and Inyokern, and then you drive on Hwy. 190 into Death Valley National Monument (it is not a park or forest, dead valleys are called monuments), next you go north on a road after Stove Pipe for 35 miles.

The man who built Scotty's Castle was Walter Perry Scott (1872-1954). Walter P. Scott was the son of an alcohol distiller and horse breeder in Kentucky. Walter did not get any formal education. He left home and went west where he worked as a mule driver, and a water boy. From there he became a horse wrangler. Because of his talent with

horses Buffalo Bill made him the feature rider along with Annie Oakley in Buffalo Bill's family show. The show travelled and Scotty was with it eleven years. During this time, Scotty made many important friendships with men of power and wealth. In 1900, Walter married and left the show. He got a loan from Julian Gerard, a NY banker, to go prospecting for gold which he failed to pay back. Julian Gerard was repeatedly sending people to hassle Scotty to get his money back. In 1905, Walter Scott ("Scotty") scattered gold nuggets and \$100 bills from N.Y. to L.A. Where he got all this gold and \$100 bills is a mystery, but it wasn't from prospecting. The idea of finding a secret mine was very obviously a cover for however Scotty managed to get his money. Scotty is well-known for his penchant to throw away \$20 gold pieces as if they were candy wherever he went. Nobody believed he had a mine, strangely the IRS never got interested in Scotty. Why? The IRS went after Charles Caughlin who was exposing the elite, the bankers, the Freemasons, etc. in the early 1930's on his radio show. There was no reason to suspect Caughlin of any cheating on his Income Tax, and the audits found the IRS actually owed Caughlin money.

However the national papers printed front page stories of the IRS investigation, and practically ignored that the man was exonerated. Yet, the IRS left Scotty alone. Hmmm. Although Scotty was married, he became intimate friends with Albert Mussey Johnson (1872-1948), a Chicago millionaire, who was v.p. from 1906 to 1926 of the National Life Insurance Co. Albert M. Johnson was born in Ohio, and lived in Arkansas and Missouri before moving to Chicago. Johnson came out and stayed in Death Valley. The stay helped his health, and he and Scotty remained close friends. In 1924, construction secretly began on a castle in Death Valley. The best of materials were used and the materials had to be hauled clear out in the desert by truck

to Grapevine Canyon where the castle sits. Hundreds of workers were hired. The castle got its kitchen tiles from Spain. Special rugs were made on the European island of Majorca for the castle. Tiles for the incompleting pool came from the Mediterranean. Many of the furnishings of the castle came from cathedrals and palaces in Spain and Morocco. Draperies made for the castle were hand-tooled in selected sheepskin leather. Sixty hand-carved panels, each of a different design, were installed in the music-room ceiling. A Welte Mignon organ reported to have cost \$160,000 -the finest of its kind in Western United States was placed in the music room, even though Scotty could not play the organ. Twelve bathrooms were installed. Several kitchens were installed. Tunnels and secret rooms were built under the buildings. Around \$2 million (dollars of that time period) were spent on building the castle, supposedly from Scotty's "gold mine." The castle became known as Scotty's Castle. It is ideal as a Satanic ritual site. It can accommodate numerous people. It is remote. It has hidden rooms and areas and tunnels.

Tavistock, England-This has been the primary programming center for England. The Rothschild programmers work out of Tavistock. A large number of slaves in America have been programmed there.

Tavistock has been doing mind-control since before W.W.II. Under the supervision of London's W Board & 20 Committee MI6 and MIS's Section BIA ran double agents and mind-controlled spies/couriers during W.W. II. MI6 has had an office at Century House, No. 100, Westminster Bridge Road. MI5 offices have been in part on Curzon St. MI5 has operated behind a number of fronts, incl. their fake travel agency Casuro Holidays. MI-5's address for mail is Room 055, The War Office, London. Special Intelligence Service (SIS) dealt with all types of mind control. Tavistock

was under SIS. The British government has had their own telephone exchange with a 222 prefix, which was later linked to another secret exchange YTAN. Outsiders could dial 222 8080 to get into the secret govt. exchange. Men like mind-control expert/hypnotist Eric Trist worked for Tavistock. A six-man team which wore black berets also helped w/ mind control at Tavistock.

Two people who became terrorists after their visits to Tavistock are Angela Davis and Stockley Carmichael who went to a conference at Tavistock entitled Dialectics of Liberation in 1967. It's main building is a bland 6-story building. The address is The Training Office, The Tavistock Clinic, 120 Belsize Lane, London, UK NWs SBA. Tel. no. 071-435 7111. The chief exec. is Anton Obholzer. The Chair of Prof. Comm. is Nicholas Temple. Both are skilled in psychology. The Tavistock Clinic was founded in 1920, and in 1946 the Tavistock Institute was created as an independent body to assist the Tavistock Clinic. The Institute does more of the research. The Royal Free Hospital at the University of London works with Tavistock Clinic, as well as the Science Policy Research Unit (SPRU) of Sussex University. A large number of Britian's psychologist, social workers and police get their training at Tavistock. Tavistock has set themselves up as the authority on ritual abuse and MPD (DID). In other words, the primary programming site, is pretending to be the leading institution trying to solve the problem! That's a good cover.

Tinker, AFB, OK-Tinkerbell programming is carried out here. This programming makes alters think they are like Tinkerbell in that they will never grow up or age.

Titusville, FL-At the Kennedy Space Center. Mind control testing is done, and base programming such as the Wizard

of Oz programming is done here. Also NASA high tech programming is done here.

Tulsa, OK—Believed to have an Alice In Wonderland theme to their programming. Oral Roberts University is used for programming. The programming to infiltrate and capture the Christian church via the healing/charismatic movement has centered around Tulsa and Oral Roberts University.

Utah State Prison—The prison has carried out mind control for over 30 years on their inmates for the intelligence agencies with the help of the U.S. government's power to cover it up.

Versailles, IL—Brain implants are put into Monarchs here.

Washington, D.C. area—The basement of the Pentagon and other facilities around Washington D.C. such as the Jesuit Georgetown Univ. Hosp. are involved with Mind-Control. Presidential Models are moving in and out of Washington, D.C. carrying messages and performing their sexual acts for the lusts of politicians. There is also a NASA Mind-control Programming Center in Washington D.C. Secret tunnels connect the White House to other buildings. These tunnels are used to bring in slaves. Some secret rooms in the lower White House are set aside for rituals.

Wright-Patterson AFB—Near Dayton, OH, Virtual reality programming is carried out here.

Youngstown, OH—The Youngstown Charm School has been run by Illuminatus Prosser Seward Mellon along with a U.S. Congressman named Jim Trafficant. The old stone building originally belonged to one of the railroad elite. This school is for Beta models and gives them advance sexual charm training. This school produces about 6 new Monarch slaves every three days. Mafia deals are carried out on the second

floor of the charm school. A slave who is being trained/programmed at the Charm school will take a course that last a few days. The first day may be spent hanging in a dungeon which was once a basement wine cellar. The torture dungeon has all the traditional torture devices, a stretching rack, whips, hanging chains, etc. In the dungeon rooms were a black Nubian goat "Satan", a small donkey "Nester", and a small white pony "Trigger", as well as dogs and snakes. The slave is taught silence in the dungeon as they are subjected to bestiality.

· We have just touched the surface of the vast network of programming sites. Two examples of an entire series of programming sites-1. the Coast to Coast campground resorts & 2. the Jesuit-run institutions, which are often programming sites incl. Jesuit College, WV. An example of the former is the Park City Diamond Caverns. KT Coast to Coast resort, which has had a sensory deprivation tank, headphones for state of the art harmonic programming. etc. These membership camp sites are used to program children. Nor have we touched upon the large numbers of programmed Russians & Eastern Europeans that are coming into this nation. When this book was written more people immigrated to the U.S. from Russia than anywhere else. Europe is teeming with prgmg sites. incl. the Vatican. Sebulun Zuflucht in Marienheide, Ger. is about the only european attempt at deprogramming.
