

Enslavement of Satanism - Only One Way Out!

by Sherry Shriner

I don't pity the wicked. They made their beds and I've been trying to warn them and wake them up for years...but for many of them it's not too late to turn from their wicked ways, repent, and seek Yahushua's salvation.

They know I'm legit. They know I am who and what I say I am. I've been under 24/7 surveillance by many different alien factions (since I was born) and federal agencies for the past 12 years that I know of, perhaps longer than that. I have heard my file with the NSA is 7 volumes, with the CIA it's 3 inches, and who knows or cares about these or others. I certainly don't lose any sleep at night thinking about them or what they're trying to do to me I leave it in Yahuwah's hands and get my work done.

And they know this. They know I'm safe and extremely protected by the Most High Himself. I have sources that are astounded I'm still alive. There have been many plans, plots, and countless assassination attempts against me. They know it, I know it, and I could care less...I outrank them all.

What gets tiring to me is that Satan's minions on earth want people to think that they're special because they're rich and born into serpent seedlines. That's pretty nasty to me, not something to be proud of.

These Illuminati serpent seedline families don't even know what it really means to be alive. They have been controlled puppets and slaves, tormented, tortured and abused from the time they were born and it continues throughout their whole lives.

They call themselves the Elite. But let's break it down on what it means to be one of these Elite. From the time you are born as a Rothschild, Rockefeller, Royal family, Bush, or one of the others you are carefully crafted and controlled into a very tight Satanic community. As a toddler your sexually abused repeatedly so your brain splits and fragments into many different alter personalities becoming MPD/DID. These alters are then programmed to act in a certain way. No matter what your other

alters are one is always permanent, and that's a sexual alter, one that is created and used to be used as a sex slave to others in their community.

As a child they're taught to kill animals and even other children. They're starved, beaten, tortured, and tormented so they can control your brain, thoughts, beliefs, and how you view yourself, the world, and those around you.

They are forced to participate in satanic ritual ceremonies of animal and human sacrifices, drinking blood, eating human flesh and organs, eating feces and drinking urine. As a child most of them have probably witnessed and even been the victim of bestiality. They learn weakness such as compassion (what they consider weakness) can get them killed, and so they brave through everything that's thrown at them just to survive. Their parents aren't a loving mom and dad, but the puppet masters who pimp them out to scientists, underground bases, and for sexual favors to others...and yet they grow up in love with their abusers, and to go along to get along and survive...and most importantly...how to keep their mouths shut.

Satan is their god. They know him well from a very young age. They learn they must please him or 'else.' To them he's the ultimate provider and giver as long as they do what they're told, perform the rituals, and make him happy.

This is the world they grow up in and live in. And when they have children it's repeated for them as well. That's why they're called generational Satanists.

And not all occultists who are involved with Satanism and the occult are from the Illuminati families, but families outside the 13 illuminati lines, but still considered to be serpent seedline, or children of Cain's. In Washington it's not who you know that gets you a job, but what bloodline you're from.

Today many men and women get initiated or are lured into Satanism and what they call "the Brotherhood" to gain positions, social status, and wealth. To climb the ranks of success they are persuaded, bribed and treated like V.I.P.'s to lure them into joining the Brotherhood via private jets, luxury hotels, free vacations, shopping sprees, fancy cars, and in general the best of the best of everything. Celebrities, music stars, sport stars, religious figures, politicians, corporate CEOs, team owners of the NBA, NFL, MLB, NHL, are all prime targets for initiation. And many of

them give in and become initiated due to the promises of greater wealth, fame, and/or even greater success.

I've talked to many Hollywood and political insiders over the years and have watched many of these Satanists over the years and the one thing I can tell you is that they are NOT happy. Once you are initiated the fake imagery, attention, lies, bribes and lures fade quickly away. Yet they put on the 'happy face' to entice and recruit others to join and hide their real disgust of having to be involved with much more than they realized or were told about during the recruitment phase. They end up having to live the lie (that Satanism is great and will give them everything they want) because they know it's all a lie and they have sold their souls to Satan and there's no way out but death. The truth is, they have to work very hard to get crumbs from Satan's table...they have to prove themselves constantly by attending the constant rituals and publicly promote him just to keep the wealth they already had before they joined. How much success and wealth they get after they join is determined on their faithfulness and service to Satan—which is always much more demanding than they thought it would be.

You can never do enough for Satan. If you joined the Brotherhood or whatever occult group you're in, you know this very well. You can never have enough sacrifices, eat enough poop, drink enough urine, eat enough humans, drink enough of their blood, or have enough orgies and sexual rituals with humans or animals. He's always pushing for more, more, and more. Especially if you're involved with higher up Satanic groups that include the offspring of the Illuminati families... they don't sacrifice animals, they prefer babies.

And they never sleep. When most people are sleeping, they're having rituals or travelling. They travel ALOT. They do rituals with people all over the world in various countries and states. They also have to plan and implement a lot of mayhem that will cause death or suffering because as a servant, soldier, or minister of Satan's, or whatever they refer to themselves as, they have to have a ministry to him. Satan mocks and mimics not only everything the Most High has or does, but the churches as well. Also, depending on the works you accomplish for Satan determines your status and rank within their organizations and groups or cultic group and not only on the inside, but on the outside (job/career) as well.

So what types of works do they perform?

- creating and operating child and adult sex slave rings
- pornography - creation of videos, movies, websites, etc... to lure, defile, and destroy those who are lured into watching it and becoming obsessed with it.
- pedophilia - creation of videos, movies, websites etc.. .obtaining children to be used and abused (Walt Disney kids, child actors, prime targets).
- snuff films (pornographic children films where one of them is then killed at the end)
- drug trafficking
- abductions/kidnappings for sacrifices (thousands of children and adults are needed every year for the various groups)
- promotion of homosexuality, sexual perversions, abortion, and any other ungodly thing that destroys the foundation of the family or the murder of innocents.
- food contamination resulting in recalls, cancers, and deaths (the media blames it on E.coli or whatever reason but they are well planned and orchestrated). Also the purposeful poisoning of our food and soft drinks via fast food restaurants, soda pop companies, food processing manufacturers, etc..
- senseless killings (how random do you really think murder/suicides are? They can control people via chip implants and coerce them into killing their wives, children, school students, or other people at random or in general). Many of these are orchestrated in our federal agencies and then a pawn is found to fulfill it...they have 'eyes' everywhere, even in your community where they find people to be selected to become 'murderers.'
- random acts of violence
- planting cancer causing agents in our food, water, air, or into things we put on our skin such as makeup, deodorant, soaps, washing powders etc..

-vaccines (putting harmful chemicals and chips into vaccines that cause damage to human DNA and causes cancers, tumors, and develop diseases in these children as they become adults or the reaction can be so instant it will affect them as children immediately.

-Pharmaceutical drugs - disguised to help people many of the anti-depressants harm them instead and can lead into mental illnesses and demonic oppression/possession which makes them 'numb' to everything.

They have everything covered and never stop thinking of creating new ways to cause cancers, health problems, change your DNA via chemicals and poisonings, and death. Also ways to destroy people via drugs, sexual perversions, abductions for sacrifices, senseless killings and it goes on and on.

And of course the owners of these companies/corporations, CEOs, Board of Directors etc... and those directly involved get 'points' as well for helping operate, implement and establish products or services that cause harm and death to people. That's why you will often see known Satanists on corporate boards etc... and always the same ones involved with everything. At least by now you'll have a pretty good idea in being able to recognize who and where they are.

Another huge area is in education and 'Think Tanks' where public policies are created. This is where they create ways to implement Satan's agenda on earth and then forward them to Congress to adopt via legislation or the president via unconstitutional and illegal Executive Orders. Almost all the 'big dog' Satanists are involved with Think Tanks as well as secret society organizations such as the CFR or Trilateral Commission and a myriad of the other ones such as Freemasonry, Skull and Bones, Knights Templar, Eastern Star etc..

But if you think it's a fancy jet setting, luxury and privileged type of life to have, it will quickly make you realize it's not worth it once you're involved. One of the things I always hear about is the constant harassment of demons they suffer as a result of being initiated into Satanism. They hear audible voices, almost like schizophrenia but I imagine much worse since there are many demons that inhabit the person. The voices will yell and scream at them telling them things to do, or demand the person praise them or blaspheme God. I have been told by those who suffer with this that the only way to silence the voices is to

drink alcohol which is why many of them have drinking problems and end up becoming alcoholics.

Why do they stay in it? Because they are forced to...do it or die. Once the recruitment phase is over and you are initiated into the Brotherhood, there's no getting out. However many of them wouldn't leave anyway because they don't want to lose the wealth and status they've obtained and if they left their fortunes would be stolen and lost (and no one would help them the legal systems protect the Satanists). If they were to leave to 'follow Jesus i.e. Yahushua" they would be killed. As far as Satan is concerned there is no greater disloyalty, shame, or blasphemy to him than to leave him to become a follower of Yahushua.

One Way Out

Time is winding down for this NWO cabal and the families that have implemented it and controlled it worldwide. And those who are involved and initiated into it via directly or indirectly through secret societies, groups, and organizations. Many are in denial, but the writing is on the wall. They have been led to believe that they are special and protected by Satan himself. They are going to find out real soon how little he really thinks of them.

Satan hates humans. He doesn't care how much of his blood in them they have, what they've done for him, how hard they have worked for him or how loyal to him they have been. It will never be enough because at the end of the day, they are still human and made in the image of God.

And when he successfully uses the Galactic Federation or whatever name they use to take over the world, he will attempt to kill and murder ALL humans, eliminating them off this planet completely. And what about the Queen? The matriarch of the NWO and the Rothschilds, and all the other top ranking families? He will kill them to. The entire cabal will be wiped out and eliminated while the new regime takes over earth. How is that for all your wasted time and effort Satanists?? You were used...puppets on a string...useful idiots to be used until no longer needed.

And those who think they took the safe route by working for both agendas? The same fate awaits them to.

It is not too late right now for any of them to repent of their deeds, renounce Satan, and accept Yahushua's salvation (www.sherryshriner.com/salvation.htm.) Whether they are directly or indirectly involved with the Illuminati or initiated into Satanism, Freemasonry or any one of their many groups and organizations...the door is still open but that time is closing fast.

Yahushua has told me that many of them are relying on 'death bed confessions' to escape Hell. Yes they all know Hell exists and that that's where they're going for serving Satan. They dread death and fear it very much despite the outward appearance of boldness they display to others while they live for Satan.

Many of them are relying on the "thief on the cross" history (yes they know the Bible better than most Christians) when Yahushua granted eternal life in heaven with Him as they were about to die on the cross. What they don't realize is the reason WHY Yahushua did it...because the thief humbled himself to Yahushua and was truly repentant for the wrong things he had done and acknowledged the righteousness of Yahushua. It was because of the intent of his heart, his sincerity, and belief in Yahushua that saved him. Yahushua is the ultimate judge, and he knows what the intent of a person is and has told me that for those relying on death bed confessions simply to escape Hell, He would not honor them.

The time is NOW to show real sincerity in turning away from evil and renounce Satan and the works of darkness while they are alive and can prove they are sincere in their repentance and love for Yahushua. And to those reading or hearing this who are Satanists, is your greed greater or more important than your soul? Is it really worth it to gain the world and lose your soul? You can be forgiven if you seek Him. But you must seek Him before He closes the Door! Seek Him now don't wait!

The blood of Yahushua can break all contracts, oaths and agreements you have made with Lucifer.

He does not and cannot own your soul until your physical death. No matter how much he tries to lie and trick you that he does.

If you have made contracts, oaths, and/or agreements with Lucifer you can renounce him and your affiliation with him.

Say this prayer to the Most High God:

Dear Heavenly Father the Most High,

I acknowledge and accept your gift of redemption, your salvation through Yahushua your Son.

I renounce my involvement with Lucifer, I ask that the blood of Yahushua will break my oaths, contracts, agreements, bribes, and participation with him. I renounce any and all involvement I have had with Satan, and I ask forgiveness for the wicked things that I have done against you and others and your creation. And I ask to be delivered from evil and Satan's control over me.

Forgive me Father. I truly am repentant and I proclaim you as my Savior and I renounce my former loyalty to Lucifer to now become a child of yours and a daughter/son of yours.

Heal me and cleanse me of evil. Fill me with your Holy Spirit and use the fire and cleansing of your Holy Spirit to burn out all evil beings and anything not of you from the top of my head to the bottom of my feet and fill all the empty places with your Holy Spirit. Lead me into and teach me your ways, the Most High.

Father I ask you for your peace and joy. Thank you for saving me, for writing my name in your book of Life.

In Yahushua's Name, Amen.

THE KINGDOM OF GOD

by Sherry Shriner

What is the kingdom of God, and how do we enter into it and stay in it? The kingdom of God and the kingdom of heaven are often interchangeable. Sometimes they refer to heaven, and sometimes they speak about earth. What exactly is a kingdom? According to Webster's Dictionary it's:

1. A political or territorial unit ruled by a sovereign.
2. The eternal spiritual sovereignty of God or Christ.
3. The realm of this sovereignty.
3. A realm or sphere in which one thing is dominant

Spiritual sovereignty of God and a realm in which one thing is dominant. A territorial unit ruled by a Sovereign. That jumps out at me. If we are part of His kingdom, that means were a part of an area that is ruled by Him and under His sovereignty, His rulership.

We are within a realm in which one thing is dominant and this realm is one of Kingship. The Lord is King, and we are those who are servants of this king. This is kingdom living, being part of a kingdom and being under a rulership. However it's voluntary, and in the Lord's kingdom, it's because it's one of love. We serve the king because we love Him, because we want to serve Him, because we have chosen to become a part of His Kingdom.

Many believe His Kingdom encompasses both the earth and heavenly realm. Does it? Yes. His kingdom is in heaven, and it encompasses those within the earth that are His. For those on Earth, it is WITHIN THEM.

ENTERING INTO THE KINGDOM OF GOD

There was a man of the Pharisees, named Nicodemus, a ruler of the Jews: He came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him. Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God. Nicodemus said unto him, How can a man be born when he is old? Can he enter the second time into his mother's womb, and be born? Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh is flesh; and that

which is born of the Spirit is spirit. Marvel not that I said unto thee, Ye must be born again." John 3:1-7.

Jesus is talking about an inner transformation from being transformed from your flesh, into His spirit. No one can enter into the kingdom of God, except by this new birth, or what is called being born again of the Spirit. So how do you make that initial entrance into His kingdom to become transformed by and into His Spirit? It's easy.

Matthew 10:32, "Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven." Confess what? That Jesus Christ, Yahushua (His real name) is the Son of God. I John 4:15, "Whosoever shall confess that Jesus/Yahushua is the Son of God, God dwelleth in him, and he in God."

"Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child, he shall not enter therein," Mark 10:15. This means we enter as a child, as someone just born, and new. We have just become born of His Spirit, and we are New in Him. We must learn step by step as He teaches and leads us, and as we progress we grow from a newbie/child to an adult, wiser in Him. We start off as a beginner and advance slowly into a progressive complete fullness of His Spirit.

Getting into the kingdom of God is simple. Believe that Jesus is the Son of God, confess and repent of your sins and ask for His forgiveness, and ask Him to fill you with His Holy Spirit. Renounce the sins of your past and turn away from them. Repentance means to turn away. You are taking off the old (former self) and putting on the new (self with His Spirit) now. You are acknowledging Jesus as your Lord and Saviour, and you are coming under His rulership and into His Kingdom.

Entering the kingdom of God is by obedience to the will of God, and the new birth is evidenced by obedience, not lip service. "Not everyone who says to me, Lord Lord, shall enter into the kingdom of heaven, but he who does the will of my Father in heaven." "But be doers of the word, and not hearers only, deceiving your own selves," James 1:22

THE KINGDOM OF GOD IS WITHIN YOU

"For, behold, the kingdom of God is within you," Luke 17:21b. How does His kingdom become a part of You? Within You? The kingdom of God is a Spiritual realm, attained by walking in the Spirit, and producing the fruit of the Spirit, which is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, and self-control. These are characteristics that we obtain from walking in His Spirit. And there are others.

There are the Be-Attitudes that are results of kingdom living and walking in His Spirit, not suggestions. He says Blessed are the poor in spirit; blessed are they that mourn; blessed are the meek; blessed are they which do hunger and thirst after righteousness; blessed are the merciful; blessed are the pure in heart; blessed are the peacemakers; blessed are they which are persecuted for righteousness's sake; blessed are those who are falsely spoken of evil against, to rejoice and be glad for our reward is in

heaven. Those in His Kingdom are the salt of the earth, the light of the world. His greatest commandment is for us to show love. There is no love in discrimination. God is not a respecter of persons. His kingdom is for all and open to all who will receive His Kingship.

The fruits of the Spirit, the be-attitudes, love for all, these are what His Kingdom is about. On earth, His kingdom is a spiritual kingdom. His Kingdom resides within us. When we leave earth, we will go to live in His physical Kingdom called Heaven. Kingdom living is both spiritual and physical. The spiritual and physical work together, for what is done on earth, is done in heaven. Matthew 16:19 says, "And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven." They work together to produce the results of His Kingdom on earth.

Building Your Own Signature Relationship with God

On Earth, kingdom living begins with building a relationship with Him, hearing His voice, being fed and taught by Him in the Spirit as we seek Him in Spirit and in Truth. It's a unique relationship we build with the King that is an individual and personal relationship that just you have with Him. Each person in His Kingdom has this own unique and individual relationship with Him. He knows how to relate to you because you are His child. We are children of the King. So when you build that relationship with Him, it's unique, because how He relates to you, is not going to be the same as how He relates to someone else.

Your relationship with Him becomes your own unique signature with Him. Your hand written signature is your own. It's unique to you; it identifies who you are; it's your name; it's your signature. Every person has their own hand writing. No two people write exactly the same. This is how it is with God. Your relationship becomes your own unique signature with Him.

Since you've entered His Kingdom, have you built a relationship with God? Do you seek Him daily for His voice, guidance and direction? How often do you spend quiet time just waiting to hear His voice? Do you talk to Him and then Listen for Him to talk to you? God speaks to our hearts. It's a two-way building and two-way communication relationship between you and Yahweh.

That is the way that you will be able to walk in love and the fruit of the Spirit. He wants to talk to you. He has a lot to say, and He loves just being a part of your daily life. When you take time to get to know Him, you will learn who He is and what He cares about. You do not always have to be in a silent mode of prayer to talk to the Lord. I often talk to Him when I am driving, or I will go outside and stare up at the sky, or talk to Him while I am doing dishes, practically anytime.

When you pray or talk to Him, stop talking and start listening. Listen for His voice speak to your heart and spirit. Jesus does not speak to our heads. He speaks to our hearts.

He cannot speak if we are always talking, and we cannot hear Him if we are not listening. Talk and Listen, the basic components of relationship building with anyone, especially the Lord who matters most.

As you begin to hear His voice and recognize Him and start to build a unique signature relationship with Him, His heart will become your heart. You will begin to beat as one. To know His heart's desires, for the church for the lost and dying world, for the hurt, the poor, the hungry, the destitute, the drug addict, the alcoholic, the prisoner, the homeless all those with needs, He cares about all of these things, not church programs and building bigger churches, and getting them full. Listen to the heart of God. You will come to know Him and to know the love He calls us to, and you will be filled with the fullness of His Spirit. You will become more of Him as you become less of yourself, and you will not be able to get enough of Him. He will dominate who and what you are.

Do you have a perfect and complete love for Yahweh, or are you wondering how somebody else is doing it? Do you feel like you are missing out on something even though you are already a professing believer? Many give Him lip service only, and never get to know the Lord they claim they serve. Are you living righteously for Him? Righteousness means right living, living right based on how He wants us and commands us to live. To be Holy, for He Is Holy. To Walk in Love, For He is Love. To Walk in His Spirit, as His Spirit is Within Us. Your love for Him will grow and reach new heights you never expected possible as you seek Him more in a Spirit building relationship. That process is what most believers simply do not understand. They do not know what it means to go into the wilderness and be alone with Him.

WILDERNESS LIVING

What is being in the wilderness? The term wilderness here is symbolic of where He takes us after we are born again unto Him. Most people get saved and head to a church to learn about Him. Yahweh desires for us to receive guidance from His shepherds, but He also seeks for us to go into the wilderness with Him where He can reveal Himself to us and show us who He is on a personal level and teach us His truths. Being in the wilderness is an experience, not a sentence.

Wilderness living is symbolic of the children of Israel who went through the wilderness for 40 years because they refused to obey God and to love Him above all else. He proved over and over He was God, and there is no other.

Yet many of them continued to make idols to worship and worship other gods. As we put idols in front of Him and let the distractions and cares of this world keep us from

Him, our material possessions like entertainment, sports, etc., become the things we place before Him, they become our idols. Many were in complete rebellion and in opposition to the living God. Many do not realize they are putting their church in front of Him, and they replace building a relationship with Him with their church.

Many let their churches teach them instead of letting Him take them to the wilderness. They allow the church to replace Him. How will you know if you are being fed truth or error from the churches if you do not know what truth is? Church should reinforce what you already know, and it allows for fellowship with other believers and be a time of sharing and praising His name. But it should never become your only part of relationship building with the Lord.

"My sheep hear my voice, and I know them, and they follow me," John 10:27. "And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his voice" John 10:4. "Then said Jesus unto them again, Verily, verily, I say unto you, I am the door of the sheep" John 10:7 Jesus is the shepherd and we are His sheep. His sheep know Him. They know His voice, and they follow Him. Frustration sets in for many of those when they jump ahead of Him and then feel alone. They get frustrated because they are eager to jump and run ahead. Jesus says He is the Shepherd - not you. HE WILL LEAD YOU. Do not try to jump ahead and lead Him. He does not need your help, and when you jump ahead, you're out of His will, which is what leads to personal frustration. This is part of Kingdom living.

We aren't perfect. We sin and make mistakes. Jesus says, "If we confess our sins, he is faithful and just to forgive us [our] sins, and to cleanse us from all unrighteousness" I John 1:9. If you sin, confess it. Turn away from it, and keep seeking Him. There is power, healing, strength and encouragement in praying with one another as well; Jesus says, "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth (accounts) much," James 5:16.

Those in His Kingdom need to pray together and for one another. There is strength in prayer. There is power in prayer. There is healing in prayer. There is forgiveness and restoration in prayer. And there is peace in Him knowing that He hears our prayers. We must learn to cut out all sin out of our lives and the works of the flesh. Inevitably, it can be a painful process, depending on how we yield to and cooperate with Him.

We are to walk in a spirit filled life and not to let sin dominate us. We are not to jump ahead of the Shepherd, and we are to show love to all those around us so that they can see the love of the Father through Us. We are the salt of the earth. We are the light of the world.

Living in the wilderness is a time of preparation, a place where we go to put off the old and put on the new, to get rid of the sins in our lives and learn to seek Him in spirit and prayer. It's where He perfects us to become more like Him, often referred to as sanctification. It's where we learn to hear His voice. Some people never even go to the wilderness, some never get out of it, and some are in it for a long, long time. True

believers of Yahushua will have the evidence of Yahweh's Holy Spirit within them, and they are in the wilderness being taught and strengthened by His Spirit.

Learning to love and show love to all

For this is the message that ye heard from the beginning, that we should **love** one another" I John 3:11. Love is important in the Kingdom of Yahweh. In fact, it's the greatest commandment He gave to us, to love our neighbor as ourselves. Who is your neighbor? The person living beside you, in front of you, or behind you? Your friend, your associate, people you know, people you do not know you? It's anyone! it's everyone! We are to love others more than ourselves. He is telling us that we should put others first and show love at all times.

"This is my commandment, That ye love one another, as I have loved you. Greater love hath no man than this, that a man lay down his life for his friends. Ye are my friends, if ye do whatsoever I command you" John 15:12-14. There is no greater love than laying down your life for your friends as Jesus did for us. He laid His life down for His friends. We are His friends if we do what He commands us to do. If you want to be in the kingdom of God, then you must be His friend. We are not His servants. We are His friends who serve in His Kingdom, "Henceforth I call you not servants; for the servant knoweth not what his lord (boss) doeth: but I have called you friends; for all things that I have heard of my Father I have made known unto you." John 15:15.

"Beloved let us love one another, , for love is of God, and everyone who loves is born of God and knows God." I John 4:7. Love should be our top priority in learning and seeking, not prosperity, not signs and wonders, manifestations, or gifts. We should be studying the love walk and how we are to walk in love as if our Kingdom citizenship depended on it, because it does. To learn how to love, we need to study Jesus. He loved others, He forgave others, He showed mercy and grace to others. He was humble and meek, never arrogant and abrasive.

Why does citizenship depend on love? Because, if we do not learn to love, we cannot claim to know Him. "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God; for God is love" I John 4:7,8. He that loveth not, knoweth not God. If we love one another, God dwelleth in us, and his love is perfected in us. 1Jo 4:17 Herein is our love made perfect, that we may have boldness in the day of judgment: because as he is, so are we in this world. As He is, so are we. If you are not as He is, you are not His, just fooling yourself with lip service. We must become as He is.

Mark 12:30-31 "And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this [is] the first commandment.

And the second [is] like, [namely] this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.”

And you should love your enemies and pray for those who come against you and persecute you. "But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you" Matthew 5:44

Actions speak louder than words. That is why Jesus tells us to not to love in word, but in deed and in truth (1 John 3:18). Do not just give lip service how you love everyone then turn around and speak or do evil things against your brethren or others. Your actions speak louder than your words.

In the kingdom we must go through much trial and suffering; so that when we come out we will come out as gold tried in the fire.

Forgiveness

Forgiveness is power. Most people do not realize the power in forgiveness. Yahshua tells us to love our enemies, pray for those who persecute us, and to forgive others when they hurt us or do something wrong to us. If we dwell on the pain caused, or the hurt, we allow anger and bitterness to take root in us. These aren't just adjectives, there is a whole demonic host associated with the terms, which are also names and ranks of anger and bitterness. And if you are going to hang onto these feelings, trust me, you are going to get a lot more than just those feelings. Anyone in deliverance or spiritual warfare has some understanding in how the spirit realm works. We can have complete victory through Jesus at any time, but why bother to have to have a reason to deal with it to begin with. Do not give Satan and his hosts legal grounds to attack and oppress you. They know perfectly well what they can and cannot do, even though you may not. Jesus always tells us things for our own good. We just need to listen to Him so we do not have to find out the hard way all the whys.

By forgiving others we aren't giving the evil forces grounds to attack. We are staying in love and love is light which destroys darkness.

The POWER of Prayer

The prayers of His people are POWERFUL. They are ALIVE and move in motion in the spirit realm and accomplish things we will never see, but things Yahweh has made me understand.

Prayer is truly the backbone of His kingdom, and intercessory prayer and intercessors are the warriors of the strength of His kingdom, which is misunderstood by many today. Many misunderstand the real power of prayer or intercessory prayer. There is so much Power in PRAYER because it Builds and it Destroys. It Sets up, and it Tears down. It Moves the kingdom of heaven and Destroys the gates of hell.

Prayer is POWER. While we are in the wilderness, we learn much about prayer because we are always seeking Him, but do not neglect to put Power in Motion, Words in Motion that can affect the little things in life from the small things to the huge. Pray for others, pray for the sick, the homeless, the widows, those in difficulty, churches, our country, our president.

Do not ever think your prayer would not mean something. It means Everything. It puts POWER in the Kingdom of God and within the spirit realm to Produce and Bring Forth results.

Coming Out Of the Wilderness

Sanctification, the process of becoming more like Him, putting off the old and putting on the new, learning who He is, learning how to hear His voice, learning the truth of His Word and Kingdom, becoming as one with Him, this is the wilderness experience. If you are tired of wilderness living then you are probably complacent in your relationship with Him and not moving forward in it. The Lord does not force Himself on us. You have to seek Him through prayer to teach you the truth in all things, to teach you who He is, to help you become more like Him, to teach you how to walk in the spirit. You must seek Him while you are in the wilderness so He can lead you through it, and then out of it. I am talking about daily prayer and seeking Him, only Him, replacing your cares of this world with Him, being focused completely on Him. The keys are persistence and focus on Him.

When you come out of the wilderness you will be fully equipped to serve Him in truth and in spirit. You will know His voice, and you have a rock solid understanding of who He is and how He works. Your foundation is firm and cannot be moved. You have the power and authority of His kingdom within you that He can use to bring glory and honor to His Name. You have your own signature relationship with Him, and you are ready for

battle or service in His power and authority. You have learned not to jump ahead of Him, but to let Him lead you. Your hearts beat as one, you see with His eyes and you hear with His ears. You have become as One.

Can We Leave His Kingdom or Lose Our Place?

He says, "He that overcometh, the same shall be clothed in white raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels" Rev. 3:5. There is no license to sin. There is no 'once saved always saved' if your name can be blotted out of the Book of Life. How can we feel free to sin when He has commanded us to be Holy? "Be ye Holy For I am Holy"

If a man says, I love God, and hateth his brother, he is a liar" I John 4:20a. If you are not showing love and walking in love, God's greatest commandment, then you are a liar and not one of His. If you are not abiding by His commands and seeking Him and allowing Him to sanctify you and giving up your worldly deeds of the flesh, then you are not His. True repentance is turning away from sin and the deeds of the flesh, and seeking Him in Spirit and in Truth. It's a process, but as long as you're in the process, you are His because you are seeking Him. If you are not even trying, if you are not fervently seeking Him, how can you call yourself His? Do not be deceived. There is no room for complacency in the Kingdom of God.

Sitting on the sidelines

"He that is not with me is against me; and he that gathereth not with me scattereth (driven by impulses, fly in every direction, cut to pieces) abroad," Matthew 12:30. The word "against" is kara denoting motion or diffusion or direction from the higher to the lower. Jesus said He that he who is not with me is against me, meaning they are in motion away from Him, from the higher to the lower. There is no sitting still. You are in motion for Him, either going up toward Him or moving away from Him.

In the parable of the Ten Virgins, there were some caught unprepared and left out of the wedding feast. Notice the groom did not stop to tell them "that's ok I will wait for you to get oil for your lamps." No, he left without them! They became complacent and ended up missing out on the event they had been waiting for!

Kingdom Living is being active in good works. It is being charitable and helpful and fulfilling whatever calling He has for you. There is no time to sit and watch everyone else when you yourself will be accountable for your time spent. If you are in or out of the wilderness, He will lead you. If you are neither, and sitting on the sidelines looking in, you are in danger of being left behind for not following His orders. You are in opposition to Him. "But be doers of the word, and not hearers only, deceiving your own selves," James 1:22.

The Net Masters

by Sherry Shriner

I have been watching a picture develop. And it is something the Lord has been trying to show me over the past few years and each time I go through this cycle of learning in this particular area He reveals more and more of it to me.

Throughout this time He has led me to various places to talk to and listen to various people and to read various things. And it is not until you least expect it that it finally dawns on you that you have developed a picture of what it is or was He was trying to show you. That with all the pieces the Lord had given, one here, and one there, you are finally able to see the whole picture coming together.

How Lucifer operates on this earth is one of those pictures. How he manipulates and uses mankind are pieces to this picture or puzzle the Lord has been showing me.

My learning has been a journey and I am sure it is not over yet but I have a clearer understanding of how things work and although I am no expert I will attempt to teach what I know. What I have learned has come directly from Him and it is from these experiences I have gone through and the pieces He has given me that I will attempt to paint a small picture for you from the larger one of how Lucifer operates through mankind by manipulating mankind.

What I have learned is that for those who seek to climb the ladder and be loyal to the system of Satanism or Luciferianism and move up the ladder to higher ranks of wealth and power is that their ultimate success is based on how much loosh or energy they can create and obtain.

What happens is that these Luciferians who give oaths to Satan become possessed with demonic entitie(s). These demons who possess humans, or even aliens for that matter, both groups, need loosh to receive power to manifest in the physical realm through that person. The more loosh, the more power they receive to operate. The humans themselves don't feed off loosh, the beings that possess them do. It is these beings who are rewarded to higher ranks in the demonic realm of

Lucifer's kingdom. The humans who allow this possession are also rewarded in the same way.

The flipside is these Luciferians have to keep loosh coming in at a steady and constant basis. That is why many of them create their own niche markets and go solo and surround themselves with the unsuspecting who unwittingly help them to succeed as supporters of their ministries. These Luciferians spend their time creating more and more loosh, to grow bigger and bigger and to become more famous or more known because bigger crowds means more loosh. They need to establish and maintain a constant source of loosh and this is why many of them will head into religion.

Religion is a bigger and more advantageous market than politics or anything else because there is more room and opportunity for these people to create their own niche in religion than to obtain a political office. This is also why religious leaders and figures rank the highest in Lucifer's kingdom. Other than dictators themselves, the sheer amount of loosh they create and obtain through religion is the largest and easiest way for these Luciferians to build their nets. They also get the perks of self-sufficiency, and for some even wealth and fortune from their followers as they fleece, con, and spiritually destroy them.

Think about the various people around the world who have sold out to Satan for wealth, fame, fortune, and power. The ones with big followings and the ones who have access to the largest amounts of people are the most successful. Or, the ones who can create the most terror and fear in people such as children or innocent victims of horrors, abuse, injury or death. They can climb the ladder legally or illegally, it doesn't matter to Lucifer. Loosh talks, the rest walks.

There are several kinds of this loosh energy that they can develop to feed off of. It is almost like vampirism. Except instead of drinking blood to survive they somehow soak in and capture this energy to survive and it determines how successful they become and how far they can move up in rank, status, wealth, fame, fortune and power either in this life or the lie they believe about their next one. Many of them, like witches, are promised these things upon their death here on earth where they will be rewarded in Lucifer's "kingdom" when they are in the dead realm. Yes, they are that intellectually challenged to believe him.

Creating Loosh

Aliens or fallen angels refer to this energy as loosh and they operate in the same way as the Luciferians do. In fact it was learning about the aliens that I first learned about this loosh. I didn't realize humans were feeding off this same type of energy and when I finally did it made me realize how closely they all work together and how similar they all really are as Satan worshippers, literally. But for this article I am just going to focus on the Luciferians themselves.

To obtain loosh people must be deceived, used, abused, manipulated, and even killed in order to become this energy source which is a food source for Luciferians who feed off of other peoples emotions. It can come from deception or terror and horror or any number of ways and I'm going to try and pinpoint these from what I have learned.

Imagine a church full of people singing and worshipping the Lord, yet unbeknownst to them the pastor of the church is a Satanist. The pastor works the Luciferian system of being loyal to Lucifer and secretly worships Lucifer. This works the best in Pentecostal congregations because pastors can and do use tongue speaking to call on Satan's presence and Satan's power to perform miracles and no one else can understand what they are saying. The leader masks it in the form of prayer and the people are deceived by it. In this instance the leader or pastor receives great energy from the church members who are singing praises or worshipping the Lord because as the leader of the church he arrogantly accepts and receives that worship to himself and for Lucifer. He stands in front of them all and accepts their worship as being to him and Lucifer.

It is in this way that many church members and those who follow religions are used as pawns to give Satan power. Are they victims or are they at fault themselves? They are at fault themselves. If they were truly seeking the Lord and being led by Him they wouldn't be deceived by Luciferians. By sitting in errors and deceptions they become open access to demonic entities themselves. The Lord would be able to open their eyes and pull them out of these deceptions but many refuse to seek the truth in all things and arrogantly refuse to believe or admit they are being deceived. Or they ignore His small voice for the louder one in their heads.

It is in this way that they become pawns of the devil and open doorways for him to access and feed off of.

Religion, and there are many of them, creates an atmosphere of loosh energy and if a particular one is headed by a Luciferian then that Satanist is credited and rewarded for creating and instigating that loosh. The one who creates and instigates loosh is the chief benefactor of it and the one credited and rewarded from Satan for obtaining it. At the same time, other Luciferians can be present and enjoy some of this loosh for themselves as well. Even the aliens can drop in and feed off it.

Another way to create loosh is through rock, rap, country, or any kind of music and the musicians who create it are rewarded for it. For those who are in the Luciferian system they feed off the emotions their music creates and how it affects those who listen to it. They get their loosh and Satanic rewards in that way.

Politicians who pass legislation which enslaves, angers, or puts the people in fear feed off those emotions. Or if they make the people happy they feed off that and twist it as one being empowered by them and worshipped by them. They are in a position of power as it is, a political office is power over the people by election, yet they will always seek more. How much loosh they can create while in office is what they will feed off of and be rewarded by. That is why many of them will turn to committing and hiding despicable crimes and using their political power to hide it so they can use and abuse the power of their office as a launchpad to create even more loosh.

Teachers who have power over the minds of those they teach, feed off the effects of their teaching on others. For some reason being a Satanist in a position as a Sunday School teacher has great power. Because it is a deceptive power. They teach the wrong things that negatively affects those they teach, or they feed off the energy of the students who are there to learn about the Lord and feed off it for themselves. Being a Sunday school teacher is usually a stepping stone for them to obtain higher positions of trust and leadership in the churches they are infiltrating and trying to control, destroy, and feed off of.

And then there is a completely hideous side of loosh. This is loosh created from terror, pain, suffering, agony, horror, injury, and death. A slow, suffering death is preferred with intense agony. These types of emotions created by all these kinds of feelings and pain are what are fed off of. Imagine an innocent child being horrible abused and then killed.

The fear and pain of such an experience creates loosh for the person causing it. He gets a rush, a high from it. And those who make careers out of this sort of thing creating a lot of this type of loosh on a constant basis will rank high in the Luciferian system. That is why you will hear of children sex slave rings reaching into the White House, United Nations, and governments around the world. It is the politicians who establish and protect these types of crimes and abuses because they are the ones who can hide them and keep the fact they exist out of the media that they can control. Abusing the innocent creates a high amount of loosh.

To serve Satan means to pay the piper. And you pay the piper with loosh. And in the piper's eyes, the more loosh you create the more status you can have in his kingdom. He obtains his kingdom or realm of rulership on earth by deception. And he does that through the secret societies and groups like the Illuminati that are created to control the earth and run it for him and through individual followers who branch out and infiltrate every facet of our society to build loosh nets for themselves and for Satan to feed off of. The more loosh Satan gets, the more power he has, in turn the more loosh a follower can create the more reward he will receive.

One can easily recognize that most of those in the Luciferian system put themselves in some kind of positions of authority, fame, and power. Police officers, politicians, prison guards, teachers, entertainers, musicians, religious leaders, pastors. Positions where they can personally create and obtain loosh. The more loosh, the more power, the more rank, the more status in the Luciferian system.

Lucifer does not own this world. We don't worship the Lord via permission from Lucifer. Yet that's the bottom line of what a lot of these Luciferians preach and the mentality they pound their listeners with. They want you to believe that Lucifer owns this world. Lucifer doesn't own this world, but millions of people think so. The kingdom of God is not of this world it is within those who are His. We live in a world enslaved by Lucifer and tricked and deceived by him, and who runs his own system here, but he is limited in what he can do because the Lord's people are here and it is Lucifer who is in subjection to Him. If this was his world to begin with he wouldn't be limited. But he is. Because this world belongs to the Most High and it is He who judges mankind on it for their wickedness and rebellion. If it belonged to Lucifer there would be no judgment. It is this mentality, that this world belongs to Lucifer that has led millions over the

centuries into error and complacency and defeatism. To accept the status quo.

There are some who want you to accept and believe in defeat. That being a part of this world means you are being a part of Satan. That isn't true. We live in a world where people do wicked things and where segments of the population do follow and serve Satan's kingdom and realm of rulership here, but that doesn't mean it is all his. The Lord always has a remnant, a faction of those who serve and live for Him. And what these wolves are craftily declaring through their teachings and doctrines is that we can only worship the Lord through Lucifer's kingdom and it is defeatism and erroneous and blasphemous. By listening to them you are in agreement that you are enslaved by Lucifer thus becoming another victim of his.

I may have to follow laws I don't agree with or conform to societal ways I don't like, but I serve the Most High by doing so and while doing so, not Lucifer. Lucifer doesn't own this world but he operates in it. He will be allowed to rule for a short time as the Antichrist but until then he is a wannabe world ruler and a completely psychotic fallen angel who masquerades as a God. Let's not give him credit where it is not due. So many people are so eager to hand this world over to him and say it is his when that is not true. That is because they glorify him and worship him and want to rob you of freedom from their constant evil and attempts to enslave you into their Luciferian system as pawns and victims. You can't enjoy freedom if you are a slave of his or theirs. Religious leaders are working to enslave you into Luciferianism and you don't even catch it but now you can because I am exposing what they are doing so it is up to you what you do with this information.

There are some, who are so crafty with their speech that they would have you think no matter what you do you can't escape Lucifer because he owns this world and everything in it. That is not true, that is defeatism, erroneous and sucks the life out of people that listen to it. It is loosh vampirism. Those who listen to this get the life and energy sucked right out of them by those who teach it, because its defeatism and puts them in error and complacency.

Where is the joy of serving the Lord when you are living in defeat? Where is the joy of knowing you can defeat the enemy, that you can defeat the devil if you are subconsciously believing you are living in the devil's world?

One of the most fundamental beliefs in the Most High is that He created this earth. That He created mankind in the garden of Eden. Just as He said He did. Not Lucifer. Lucifer was a created being yet many speakers and leaders and religious wannabes want you to believe through their crafty speech that he owns this earth. They glorify him while they claim they are working against him. Wake up and pay attention to the junk you are listening to and stop listening to it. Stop giving them your loosh.

Beware Of The Nets

These Luciferians who operate on all and every level of our society would like nothing more than to create a net for you to jump into so they can feed off of your energy and emotions. They don't have to see you to feed off of you. They draw you into their net with websites, audios, books, radio shows, cd's, tapes, newspapers, magazines, newsletters, television, in fact any way they can reach you. Every day we come into contact with all of these things, and we participate in reading, listening or watching these things. Be careful of the net masters. Those who lure you so they can feed off of you.

The Luciferian net is everywhere encompassing those of his followers. His net covers all of his own followers. He feeds off of everything they do and the loosh they create. He demands loosh in return for reward. There are thousands, perhaps millions of his followers who each have their own nets under his to fill them with this loosh and boost their own rank and status in Lucifer's eyes to receive reward from him. The bigger the net, the bigger the rank and status. And they will fight and compete against each other and use each other to fill their individual nets. You can think of it as a fishing net. I always wondered why I would see that term in the Bible Codes and what it referred to. I guess it was something the Lord was trying to teach me even when I didn't realize He was. And now I know what it means when I see it.

Another term I often see in the Bible Codes is cattle, or cattle-herd. To Lucifer humans are cattle. These followers of his are going to have a rude awakening when they finally realize they are nothing more than cattle to him as well. They really believe they will win the war over earth between Lucifer and the Most High. They listen to Lucifer's incessant and constant

pep talks and believe everything he says. That is what drives them and motivates them and ultimately leads to their complete possession of him and his demonic spirits. Even the demonic spirits believe he has a chance of winning. But it's hype. Even Lucifer himself can quote Revelation 20:10 where he is ultimately chained and cast into the bottomless pit for a 1000 years until he is then cast into the Lake of Fire for Eternity. He knows his fate but he doesn't want his followers to know or believe that. He has them in his net and he keeps them there with lies, deceit, flattery, praise, reward and even fear when necessary.

Don't be lured into a net. Stay focused on your relationship with the Most High and learn how to hear from Him and to be led by Him directly. Ask Him to teach you how to hear Him. He doesn't speak to your head He speaks to your heart. And that is the biggest problem and cause of deception today among the churches, groups, organizations and people that claim they are of Him. They are listening to the louder voice in their heads instead of His small voice in their spirits. As a result they entertain these spirits and get taken over by them and then head off into the deceptions and errors those voices in their heads lead them into. Stay close in Him with your own personal relationship with Him and not through someone else's. Not through me, not through your pastor, not through your friends, your parents, or anyone. Take charge of your own relationship to Yahweh direct. And don't be surprised if He leads you away from people or ministries. If He is leading you away from something then don't fight Him. He could simply be pulling you out of a destructive net. Something you can't see with your own eyes that He can.

Yes Luciferians are in our churches and ministries today calling themselves pastors, ministers, apostles, prophets, teachers and building followings of people who follow them rather than God Himself. Beware of their nets.

Loosh is a mimicry of God's Holy Spirit. It is the Holy Spirit that anoints and empowers God's people and this is how loosh works for Lucifer's people. A Satanic counterfeit and mimicry of God's Holy Spirit.

Without loosh Satan's ability to manifest and operate in this realm would be limited. The more loosh he can create the more power he has. It is positive energy that allows the Lord to work and manifest in our lives while it is this negative energy called loosh that empowers Satan.

In Satan's kingdom you can never have enough loosh. For him and his followers it is the ultimate drug and it never satisfies. Enough is never enough. Enough doesn't exist.

Beware of the Net Masters

There are many Luciferians operating on the internet building their own niche markets and nets to soak it all in. If you listen to their teachings they are not much different than the New Age. In fact there are some that channel the false New Age Messiah St. Germaine better than his openly dedicated followers.

I have been either directly or indirectly involved with a few of them at one time or another. Most of them don't even realize they are pawns of the devils. They really believe they are hearing from the Lord and then relaying false prophecies, dreams, and visions to the Christian community leading them astray. The demons who control them are filling up their nets because these Christians are in error and deception and thus giving access to them to do so.

Then there are those who are Luciferians and know exactly what they are doing and these are the most dangerous. They teach doctrines of Lucifer masked in Christian terms and use Scripture to back up their claims. They partake in drugs and alcohol then claim they are full of the Holy Spirit and speak out against sin. Watch the hypocrisy folks. Watch the hypocrisy because it always leads into blasphemy. And they are laughing while you soak up every word they preach. They are filling their nets.

It took me a while to realize what was going on. I kept praying for the truth in all things and for some groups and ministries I always had more questions than answers until the Lord finally started opening my eyes and lifting the veil so I could see through them.

And that is all you have to do folks. Start asking the Lord to teach you the truth about particular people or ministries. Don't listen to the voice in your head, listen to the small voice in your heart. And protect yourself from becoming used as loosh.

When the Lord revealed this whole thing about loosh to me and what it is, why they need it, and how they get it, I started to pray this simple prayer to keep the enemy from trying to lure me into a net or affecting me in any way:

Dear Heavenly Father the Most High,

Father I ask that you keep me from becoming a victim to net builders and loosh vampires. I ask that if they try to use or abuse me that their attempts fail and fall to the ground null and void.

Father I ask that you place a wall around me that the enemy can't penetrate. Keep me from error, deception, and evil and lead me into the truth of all things with your Holy Spirit.

Thank you Father, in Yahushua's (Jesus') Name, Amen.

Stay consistent and persistent when seeking things from the Most High. I ask for the same things every day and when I learn something new I add it to the list. For example, I ask for wisdom, discernment, the truth in all things, to be kept from evil and for greater measure of His eyes, heart, and ears so I can see things the way He does, hear things the way He does and feel about things the same way He does. I ask Him for those things almost every day. He isn't deaf, but He knows if you keep asking Him then it is something you really desire and He will honor that. It is of no use to keep asking Him for materialistic things, He is not a give-me God and He will and does say no to material things. But He will never say no when you ask for things in alignment with His Kingdom and His Word.

Beware of the Net Masters. Safeguard Yourselves through the Most High.

The Hooks and Roots of Sin

by Sherry Shriner

Sin is more harmful to us than most people think. A lot of people have the impression they can sin and not worry about it because Yahuwah will forgive them for it. So they have a license to sin mentality. Sin and then ask for forgiveness, sin and ask, sin and ask, sin and ask. For most people it is an endless cycle. For many, a routine cycle. In fact, most don't even bother being conscious of the sins they commit or carry around with them. They just take for granted that whenever they get around to it they can just ask the Lord to forgive them for their sins and He will. So that is the end of that.

Let's take a look at what Jesus says about sin.

"Afterward Jesus findeth him in the temple, and said unto him, Behold, thou art made whole: sin no more, lest a worse thing come unto thee" John 5:14

Sin produces results. Negative results. Just because we are forgiven, and this man was healed, we are not free from the results of the sin that we performed. We reap what we sow regardless of having been forgiven. And based on that reaping, worse things can happen to us as an effect of sin. If you are an alcoholic, you could reap cirrhosis of the liver, if you are a smoker, you can reap lung cancer. If you are obese, you can reap heart problems, and so on. We reap what we sow. Even if we are forgiven for the sin

"Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant of sin" John 8:34.

Being a servant implies someone or something is your master. We cannot serve two masters. We have to choose to love ONE and follow ONE. Matt. 6:24b "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other".

You can only have one God of your life. If you serve the Most High then He is to be the Lord of your life. He is a jealous God and He won't share you with anyone else. So it's all of Him or nothing at all. He won't settle to be second. If He is second, then you are lukewarm, and He will spit you out of His mouth. It may sound harsh, but that is what He says,

"So then, because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth" Rev. 3:16.

What exactly does lukewarm mean? "The condition of the soul wretchedly fluctuating between a torpor and a fervor of love." You are back and forth. One minute

you love Him and seek Him, and the next you are off doing your own thing putting Him second, third, or fourth place in your life and in danger of being found as lukewarm and spit out of His mouth.

Darkness and Negative Energy

“He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil. I John 3:8. Sin is not the realm of the Lord’s and if we are in sin we are going to suffer the consequences for it. Whether they are physical or spiritual.

Sin creates negative energy around us. Darkness. How can His light shine through you if you are surrounding yourself with darkness? You know what happens? You become a magnet for the forces of darkness. Evil attracts evil. Darkness attracts darkness. So whether you are a born again believer or not, if you sin you place a shield of darkness around you to become a magnet for the forces of Satan to infiltrate and attack until you remove that shield by true repentance.

This isn’t new age or karma dogma, this is from the Lord. Sometimes it is apparent that some of these pagan religions are more in thought of Scriptural teaching than most believers are themselves. The teachings may be similar, but they are of none affect if they or you are not serving the Most High God. Good, bad, evil, righteousness, dark, light, negative energy, positive energy, these are all things of the Lord and we need to learn them, and embrace them, so we can become aware of the things around us and empower ourselves with His Word and the techniques of His Warfare, and also who He is and how He operates.

So let’s say we wait a few hours, days, weeks, to seek forgiveness of some sin we have committed. What has happened during that time? You have surrounded yourself with darkness and negative energy and during that time you have opened yourself up for legal attack from the devil. So much for safety in sin. It doesn’t exist.

Even though you are a believer in the Lord’s, when you sin against Him, you are in direct opposition to Him because you have just served sin in direct disobedience to staying Holy in Him.

Some sins, like lack of real forgiveness and love towards someone who has hurt or wronged us, can bury itself within us. If we repent, but still resent, we have not truly repented at all. Bitterness can take hold of us and then it takes root within us. And we just ignore it because we are still resenting that person for having wronged us and we think that since we already ‘technically’ forgave that person that the situation is over and done with.

That is not so. It just becomes a lingering sin.

Lingering, unconfessed sin is all the access that Satan needs to get to you. Aliens can abduct you from your home for this cause and implant you with tracking microchips for whatever reason. The same goes for the demonic realm that gives its power in aiding our government and military to be able to do the same things. They know if they can get you to sin before you fall asleep they have access to you.

Generational curses work in the same way. That is why so many children will see “monsters” at night, in other words, aliens, who are there to implant them with chips. Generational curses must be renounced and rebuked in order to close the doorway of access that leads to you. Satan will use every point of access he can to get to you, and so will the humans working the same agenda.

Hooks and Roots

Lingering sin produces what is called, hooks and roots, within us. These hooks and roots are like demonic magnets that take hold of us and become a part of us until they are dealt with and cast out.

Unconfessed sin enters us as hooks. A hook or a root is a spiritual manifestation of a sin of the flesh. These hooks and roots latch into us and stay until we deal with them through prayer and get them out. If we allow a sin to stay within us and a part of us it will become a hook, if we don't deal with that hook then it will bury itself in us and become embedded as a root. A root will become firmly planted and then begin to grow.

Often a demonic entity will take hold of the hooks and roots and become the boss of them allowing more of their friends to join them in which they will all work together to lead you into many more sins and oppression. These hooks and roots become places where the demonic can latch onto and have a legal right to stay within.

Any sin can become a lingering sin and turn into hook and then eventually a root when we refuse to take care of it quickly and completely and get rid of it. Addictions, bitterness, rage, unforgiveness, anger, resentment, lusts, perversions, lying, or defiling our flesh or spirits in any way that is in opposition to being Holy and walking in His Spirit.

Sin is of the realm of the devil. So he is allowed to attach himself to sin and your sin no matter who or what you are. The good news is, through Jesus's blood and righteousness we have the power to conquer sin, and if we have done things to cause roots and hooks to take hold within us, His blood can cleanse us and take these roots

and hooks out. It will just take some work on our part since we didn't do it right the first time by keeping them out to begin with.

Forgiveness and Release

We are targets. We always seem to be attacked from the dark side, by the forces of Satan and we can't understand it because we are supposed to be protected Children of God. Some of us seem to have it worse than others. We rationalize it's because our callings are different, or because the reason we're always under attack is because Satan is a destroyer and that's his job. And that's true it is his job. But some of us make it way too easy for him to make us his targets. And it is a combination of things we have done, or refuse to do, and a lack of knowledge, that makes us the targets we become.

We must first recognize the unforgiveness in our lives if we have any and the sins in our lives that we are allowing to linger and have taken hook or root in us no matter what it is. As you pray the Lord will bring these sins to your mind.

We must acknowledge and confess each sin and ask the Lord to release us from the hook or root that was planted. Forgiveness and Release. Ask for forgiveness, then ask for release from that hook or root. This is a process, it won't happen in one day, just keep doing it every day until the Lord tells you are released from them.

As you start to become released from the hooks and roots you will feel the darkness and the attacks start to leave you. The negative energy placed around you from having these magnets will be replaced with positive energy and God's light. You will feel more and more empowered by Him as you get rid of the magnets and you'll be able to grow and walk in His Spirit more closely than you could have otherwise. It will also feel like the cobwebs are leaving your head and you will be able to sleep better if you have been harassed in your sleep.

Breaking away from Sin and Becoming Overcomers through Him

"Forasmuch then as Christ hath suffered for us in the flesh, arm yourselves likewise with the same mind: for he that hath suffered in the flesh hath ceased from sin; I Peter 4:1. We are to conquer sin of the flesh and be of the same mind that Jesus was when He was here. Jesus certainly didn't hold to a license to sin mentality, and neither should we.

“And ye know that he was manifested to take away our sins; and in him is no sin”. I John 3:5. Jesus was all man as He was the Son of God when He was here. He had the same fleshly temptations and desires we do, but He stood against them and refused to sin. Need an example of being perfect? He was.

And that’s how we’re supposed to be, and no excuse of “I was born a sinner” is going to work because you were born again unto Him given the ability to conquer sin as He did. Luke 6:40, “The disciple is not above his master: but every one that is perfect shall be as his master.” We are to be perfect as our Master was and is.

“But exhort one another daily, while it is called today; lest any of you be hardened through the deceitfulness of sin” Hebrews 3:13. Sin is deceitful in many ways. It leads to more and more sin, it leads to habits, it leads to accepted temperaments that aren’t of the Lord, it leads to roots and hooks taking place within us, and ultimately it can lead us to death.

We are to encourage each other to stay faithful and Holy in Him. This doesn’t mean to play the judgmental role or the holier-than-thou role, but to just encourage each other in love to stay in His Spirit and seek Him Sin doesn’t have to be the focus, encouragement to maintain Holiness should be.

I John 1:7, “But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin.”. Walk in the light, soak in it, drown in it, live in it and stay in it. We are free from the constraints and results of sin and we’re empowered in His light. If you sin ask forgiveness, true forgiveness and then don’t do it anymore.

If you keep committing the same sins over and over you’re going to have to deal with hooks and roots. Stay in the Light and empowered by Him and you will be free from the curses of evil and sin. This isn’t a given, it’s something we have to work on daily and maintain daily, weekly, and monthly. Sin is a choice. We are empowered not to sin. We don’t have to sin at all.

Breaking Curses and Attacks Sent Against You

Sickness, disease, strokes, heart attacks, tumors, cancers, Alzheimer’s, a simple flu getting out of control, these can be natural because of our bodies and sin or they can be persistent, perpetrated, organized attacks against you. Satan and his demonic forces want to destroy you. His human servants want to destroy you as well. And they will work together to cause all these ailments listed above and more.

Witches will send curses at you. Military and Government Psyops Divisions or even Black Operation Projects will send trained Remote Viewers against you to break your body down and cause these ailments to take effect against you through demonic power. It's the most effective and subtle form of assassination tactic they have.

As believers the Lord will protect us. But He also expects us to learn how to recognize these attacks and break them off ourselves through His Name. Jesus said, "Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven" Mathew 18:18. That's taking action against the evil forces against us. Whether human or demonic we are in spiritual warfare against the wickedness and darkness and the evil forces of this world.

The first step is to recognize that you are under attack. All sources of attack derive from the power of witchcraft behind it.

The second is to bind the witchcraft behind it and its source whether human or demonic and then curse the works and the assignment of the witchcraft itself.

Bind the power of the source behind the attacks and curse the works and the assignment against you in the Name of Jesus and command it null and void against you. Curse these works back to the point of their origin and command them to stay there. Do everything in the Name and Power of Jesus Christ.

We don't curse the person, but the works sent against us themselves. Bind the person, curse the works. Pronounce the assignment and works sent against you as null and void and send them back to the source in the Name of Jesus.

Victory in the Name of Jesus / Yahushua

There is Victory in the Name of Yahushua. We can overcome and conquer sin in our lives and keep it out. We can overcome demonic and human attacks against us and we can overcome this world. We are Joint Heirs with Him in His Kingdom. Everything Yahushua did He will empower us to do as well. Seek Him always in Spirit and in Truth and walk daily in His Spirit. And remember we are to be wise as serpents and harmless as doves. We can't fight the serpents if we don't know who or what they are. Yet we are to be as humble and meek, forgiving and loving as our Father is. Be at Peace.
