

International Orgone Network - The Bible Codes and Orgone

By Sherry Shriner

Orgone is such an awesome tool and weapon that the Lord has given us in these last days that I've decided to establish the name International Orgone Network and in particular this group of orgone distributors and warriors as Faction Four.

It's amazing how fast and wide the orgone network is growing and the Lord has shown me much about it over the past few months. When I began promoting orgone and how to make it a couple of years ago I never realized what all it could do, I just knew from the Lord that it was what we needed to do to protect ourselves from the NWO.

Now from my own experiences using orgone and distributing it and hearing the testimonies of others who are doing the same, and seeing all of these things and much more confirmed and revealed in the Bible Codes I know without a doubt that orgone

distribution is a huge part of the exploits Yah's people are doing in the last days as revealed in Daniel 11.

In fact the Bible Codes reveals that this particular fragment or group of believers is of the 144,000. I feel led to call this group Faction Four. It has a nice ring to it doesn't it? Faction 4 of the 144 (thousand).

What is Faction Four?

There are currently 3 Factions within the New World Order competing for rulership of and dominion over the earth. Faction 1 consists of the rich international bankers and the Rothschild group(s). Faction 2 consists of those involved with the secret societies and Corporations, such as the Rockefeller group(s). Faction 3 is the Alien Agenda which includes the New Age and fringe groups, hybrids, walk-ins, soul scalpers and soul-scalped, shapeshifters, etc., and now Faction 4, a fragment of the 144,000 who are going forth in exploits to defeat the armies of the Man of Sin when he arrives.

We are not of the New World Order we are Against the NWO, and will fight to tear down the strongholds of this New World Order and establish a defense against their high tech weapon attacks and even hostile presence against us and mankind.

We are a Resistance Group. The Lord's group of Warriors that He is calling forth and calling out to do exploits for Him.

Faction 4 is fighting against two different enemies, man and beasts. It is man and Satan who comprise the NWO. It is man who operates the high tech weapons designed to abuse, kill, and enslave mankind. It is the beasts, Satan's armies that are coming, who will conquer, control, and takeover man's attempt to run and control the NWO. For now humans are useful pawns to establish, run, and implement Satan's NWO agenda around the world in anticipation for his arrival and dictatorship (theocratic)rule. When he arrives he fully intends on taking over all aspects with his own 'alien' council. His forces have already successfully taken over many of the humans involved with implementing the NWO via soul scalping and alien / demonic possession.

Mankind can't even begin to imagine what is coming. I tried to awaken people with my article "To Serve Man."

But there is hope. We can defeat the giants that are coming. The Lord Himself will defeat Satan's total empire, but through our exploits we can annihilate his armies of giants. Instead of taking over the world with plan A, he'll have to go to plan B, C, D. In fact, he will practically be destroyed himself and have to count on others, such as the False Prophet to keep his charade and false kingdom on earth going. He will have to work behind the

scenes and through his beast prophets instead of coming to earth as himself (as he plans) fulfilling exactly the way the Bible describes! That is NOT his plan, but Yah already knew what would happen! And we are the reason WHY it happens!

Orgone is an energy. It can be made as a good energy or sabotaged and used as an evil, negative energy. Like everything, Satan always perverts and mimics what God creates, has, or does.

I see what this positive orgone energy does to Satan and his Annunaki giants all the time in the Bible Codes. In fact I've kept quiet about a lot of it until now. If I reveal to 'you' what it will do and does, then 'they' know because they read everything I write. But if I don't inform Yah's people, they won't get busy and do the exploits that are needed worldwide. We are literally going to fulfill prophecy and that is why I can't keep silent anymore. Time is running out.

Can you imagine the shock and horror of the Man of Sin to arrive as a “God” or “Messiah” and he’s covered in boils? LOL! And the laughter of God’s people!! Satan won’t be able to heal himself yet he can “heal” others to try and persuade them of who or what he is? The Bible Codes says it’s COMICAL and an “Embarrassing Defeat” of Satan’s forces who fully intend on arriving as “angelic hosts.”

The air will be saturated with orgone and it burns them, it causes them to have boils on their skin, and they can’t breathe, the ‘contaminated’ air asphyxiates them.

It’s like a horrible plague that destroys them and causes their deaths.

There are so many “Christians” today who think it’s their job to just sit on their butts and do nothing about the NWO but argue and rail against those who are doing something to battle against it for the Most High here on earth. It’s not our duty as HIS people to EVER sit on our butts and just wait on Him, HE uses HIS PEOPLE to implement HIS PLANS. Even if it’s just one person, or a band of 50, or 500, HE will accomplish His purposes through them.

It’s easy to see how one of Satan’s coming biggest defeats on earth is handed to him by just a handful of people who love the Lord in WALK and talk. Why? Because the majority of believers today are sleeping, lazy, fearful, and kidding themselves of who and what they think they are in the Lord. In reality a fragment, a group of people out of the 144,000 who are already awake and know who they are in Him are the first ones to toss the NWO its first major defeat and victory for Yehovah! Many people today are in denial of who they are. Inwardly they know they were born for a reason to be here in the last days because I hear from MANY of them. They just fight it, and in reality are fighting HIM and losing reward for being cowards and fearmongers and who will lose their position and rewards in Him if they don’t get off their butts and start fulfilling His calling He has for them. If you feel led to do something then do it! Your instinct is usually HIM trying to get your attention!

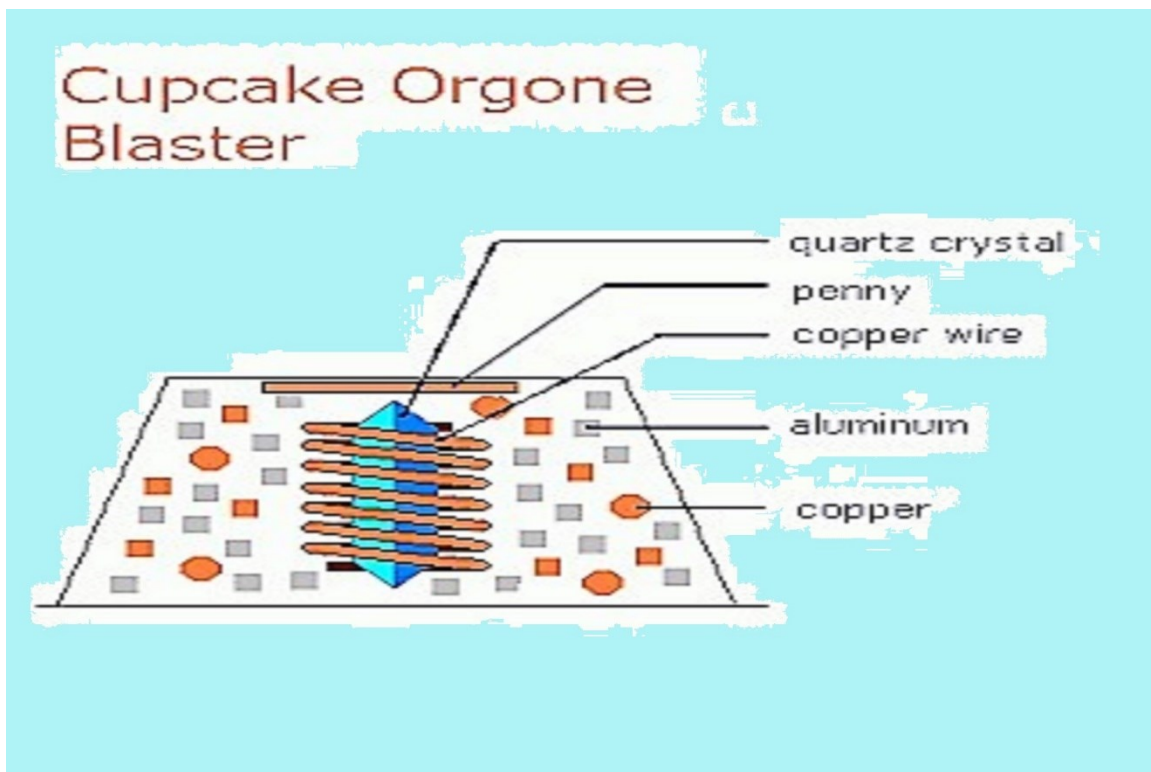

God perfectly intends on casting the fearful and unbelieving (in Him) into the Lake of Fire. What’s the opposite of fear? Boldness!

Who are the 144,000? Fearless and Bold Warriors for Him! No matter what He calls you to do, do it boldly and without fear.

Next year is going to be a year of suffering. Wars, famines, plagues, what are you doing to prepare yourself and build fruit for His kingdom? Faith without works is dead, a tree that doesn't bear fruit is hewn down and cast into the fire, get busy people while there's still time to do works for Him.

Yah bless His Warriors
